1. 17.1 1973, Open Vision Lasting Almost A Week, Accidental Bombing Of Four American Cities & The Chicago Earthquake & The Invasion Of The United States

— In 1973 the Lord gave me a vision of a massive earthquake striking the Midwest U.S.A. centering in Chicago, Illinois on some day in July in the future. This destructive earthquake led directly to an all out **nuclear attack on the U.S. by Russia, China with Japan and the start of World War III.** In that vision I saw a huge jet airliner on a glide path to land at O'Hare Airport north of Chicago [after the quake] when Lake Michigan roared out of its lake bed and swept over the city in what was a wall of water 100 feet+ high. The huge jet airliner turned on its jets full blast and black smoke poured out of its engines as the pilot frantically worked to pull up and away from the wall of water that was destroying Chicago.

I was puzzled at the time [July 2, 1973] because the aircraft I saw was a massive two stories high, unlike anything I'd ever seen. [In 1973 the Jumbo Jet had not yet arrived, it was being designed].

While the Jumbo Jet [747-400] with its two story bubble in the front of the aircraft looks “like” what I saw in 1973, this new airliner, the A3XX, shown in the June 24, 2000 news clip [The Dallas Morning News, Saturday, June 24th 2000, 2F, Airbus gives green light to super jumbo jetliner] “is” 2 stories high and looks more like what I saw in the 1973 vision.

I make these observations, as they surface, only to keep track of developments that tell us we are entering “that time period” when such aircraft will exist. **According to this news article the APEX super jumbo jets will be ready for delivery to airlines by**

the year 2005.

17.2 July 2, 1973, Open Vision, Chicago Earthquake — [Chuck has a whole book on these subjects below, however, I will try to grab a very interesting sentence and paragraph here and there, but understand there is much more in his book.]

I was witnessing the destruction of Chicago by a monstrous earthquake, followed by a huge, destructive wall of water... [page 43]

I was driving from Des Plaines to Villa Park, Illinois. As I drove toward the Tri-State Toll way, I clearly saw the aftermath of the quake-homes destroyed or heavily damaged, roads broken up, underpasses collapsed, trees uprooted and lying everywhere. On the Tri-State moving south toward the O'Hare Airport exit and nearing the Oasis underpass, I again felt the prelude getting my attention. The earth rumbled and roared as before, and I watched from about 300 feet away as a huge section of underground granite or similar material just jutted through the Tri-State road and plowed through the Oasis. Its upward movement stopped bout 20-30 feet above the roof of the Oasis; all told, the wall of stone appeared to be about four or five stories high. The massive ridge of stone that jutted in the air appeared to be sliding east-west in movement, moving back and forth. I seemed to know that south of that ridge of stone the ground had dropped much lower than the ground on the north side of the ridge and facture. I seemed to know then and now that this was the fault line.

When the wall of stone rose through the Tri-State and through the Oasis, it happened so fast and caught me so much by surprise that I jammed on my brakes to avoid hitting that wall of stone before I realized that it was only a vision not the real thing. Past the O'Hare Oasis going south on the Tri-State there is an air bridge. I clearly saw this completely destroyed after the earthquake. In every direction I could see raging fires,

pillars of black smoke, wrecked houses and factories. The destruction was so great that it defies description. I came upon a building, 15 stories high standing on the east side of the Tri-State, called the O'Hare-port Hotel of North Lake. I saw the wall of water move over the city, and when it hit that 15-story building, the water was just above the roof of that hotel.

In that vision of a future day, I also saw a jet airliner coming in for a landing at O'Hare airport just at the time this wall of water made its appearance. The pilot also noticed it and from the black smoke I saw coming out of the jet exhausts, I knew he was accelerating to get up and out. I wondered where the aircraft could land. I thought of Milwaukee, but then I saw that this city, too, was flooded and being destroyed. I thought of St. Louis and saw it also broadly flooded and drowned out of existence. It was then that I began to realize some of the real scope of this future destruction, and only later realized that there has been no parallel in history for what is apparently coming upon us.

I noticed that the wall of water was deepest through the heart of Chicago and that further south the depth tapered off, and further north also it was not nearly as deep.

I noticed the overpasses and underpasses will collapse, and be buried and blocked; that roads will be buckled and broken in so many places that all traffic will be at a standstill. Escape after the quake, if one survives it, will prove to be almost impossible. [pages 44-45]

I suddenly saw the Loop area in a vision. By the way the shadows fell, it seemed to be twelve noon. I could see traffic moving through the downtown area; however, my attention was focused on the base of a huge building. Again came the prelude and the earthquake. Autos were literally flung off the streets into buildings by the violent movements of the earth. A horrible chorus of creaking, scraping, and grating sounds filled the air, not unlike masts of great sailing ships in a storm, as the skyscrapers

swayed to and fro. The giant building began to shear off from its base about 20 feet from the sidewalk but surprised me by not falling. Brick, stone, glass, debris of every sort fell into the streets below like hail driven by a storm wind.

As the quake ended, I heard many voices speaking of their 'great luck to be alive.' Many awaited rescuer parties, but none were giving thanks to God.

Suddenly my view shifted to the lake front. After the earthquake ended, the waters of Lake Michigan swiftly calmed down; lying still in a strange and ghostly silence. The calm water then seemed to tremble or bead-up, and as I watched, the level of the water began to drop quickly. There was a 'whooshing' sound as the water literally disappeared in a northeasterly direction, leaving only some large puddles, here and there.

A period of time then passed in that same day; but how much time I do not know. From a vantage point at street level in the Loop, I suddenly heard a terrible roaring sound. The sunlight was totally blotted out and everything was engulfed in a suffocating darkness. Later I was to see an aerial view of Chicago's downtown area, when the returning wall of water from Lake Michigan would crash into the Loop with unbelievable force, surrounding the greater skyscrapers still standing. They would withstand the waters for a moment; then they would slowly twist around to fall and vanish forever in the churning waters. I clearly received an impression that the buildings north of the Loop, [at least past the fault line] would survive somehow.

The wall of water was not a wave, not a tidal force, nor a crest-it was the whole of Lake Michigan-moving in a massive body westward with irresistible, terrifying unbelievable, force. Everything in its path would be pulverized — totally obliterated. Although the water was over 15 stories high [using the Eisenhower Expressway as a central measuring point], the depth of the water dropped sharply once one traveled — 12 miles to the south or north — however, the shallowest I was shown was still about 20 feet of

water.

Since 1973, we have realized that the earthquake will cause a geographic depression in the land, turning much of the city into a cause-way for this flood of water; while in places north of the fault line, some land areas will be elevated above the water. The Lord showed me that Calumet City, Illinois; Hammond, Indiana; East Chicago, Indiana and other places on the southern tip of Lake Michigan will be under as much as 60 feet of water. At Lake Michigan's southern tip, I saw a vast plain of water, with no buildings showing above the water's surface. But on July 5, 1973 in Des Plaines, I saw the water up over the speed limit sign on Ballard Road, and the water there appeared to be at least five feet deep, or deeper. The Tri-State bridge on Ballard Road had collapsed, and I saw cars piled up on either side, with water running through the broken concrete-like rapids as the water surged west. Here, the Tri-State mound or road was higher than the water.

July 4, 1973 — I was driving east on the Eisenhower Expressway. Again I saw the aftermath of the earthquake. Autos were piled up bumper to bumper, exit ramps were either broken up or blocked, bridges were down everywhere. It was a warm day and a number of drivers were blowing their horns [which didn't much help the chaotic situation], when suddenly the wall of water appeared in the east. Some people just froze, most ran to the right or left trying to hid or escape. One man got out of his car and knelt down to pray. He was the only smart one, for he would meet his Maker on his knees. The water engulfed them all. Houses were pulverized into nothing in an instant. Concrete and asphalt were peeled back, the road bed was swept away in a moment, and then I saw 10 or 20 feet of earth flushed away in a instant.

In a nearby cemetery, I watched the headstones, the dirt, the concrete boxes and the coffins as well as the clay beneath them, torn quickly and successively away by the force of the water. Then the water moved over me, and my view shifted to the top of the

water. There was that man who had knelt to pray; bobbing on the surface like a cork, unharmed. The Lord God saved him right out of the midst of destruction, because the man trusted in Him.

During the first of the visions I was a stunned observer, hardly believing what I saw; but July 4, 1973, the reality of this future disaster reached my heart. I thought of all the people who would be destroyed, and I shuddered at the carnage. Then, for the first time since July 2, I turned to the Lord God in my spirit and asked: "Oh Father, will it be? must it be? might it be avoided?" **In that very instant of prayer, I was swept into the Spirit and found myself over looking the whole city of Chicago. An angel of the Lord had his hand on me; below I saw the massive-saving Hand of God placed between the city and the lake, and I heard this loud, strong voice say, "This will I do if My children turn back to me!"**

Later, I remembered that throughout human history, no major natural disaster ever came upon man without man having first been warned by prophets of the Lord God. Now, by the Holy Spirit I saw an old colored man with a bell in his hand moving through the black neighborhoods, ringing the bell and calling the people to repentance. The old man was cursed by many and spit upon. I saw him crying, crying for those hard hearted people. At one point a band of young toughs with murderous intent circled him and closed in on him from every side. A band of angels appeared about him and the would-be killers fled in fear. Those who would kill him could not, for he was commissioned to warn many. At the time, my heart went out to him, for his mission was so difficult, but also rewarding, for I saw many repenting of their sins.

Though I've never met him in the flesh, in my vision the old black man was striking in appearance. He was almost bald except for a patch of white hair on the sides and back of his head. He was cocoa-colored, his eyes brown and full of kindness and love, and he had the kind of Christ-presence that makes a person strong, resilient and

impressive. His face was lovely to look upon — full of years and blessed by the grace of Jesus Christ. He was wearing a cape of light gray. In his right hand he held a brass bell with a wooden handle and in his left hand, an old black leather-bound Bible. Although he was old and moved slowly, his voice was clear, distinct and strong. I heard him say ‘The Hand of God’s wrath is upon thee; turn from thy wickedness and repent or the wrath of God will soon fall upon you and destroy you for your evil ways. Hear this, for it is from the Lord thy God ...’ So it is, so it shall be-for now I know and see many prophets bringing ‘final warnings.’ Some are killed, some are injured, the warning is delivered. Let those who hear, heed the warning.

July 3rd and 4th, 1973 — After the wall of water had engulfed the city and swept it away, I observed what seemed to be an endless flow of water moving steadily westward. Because I had seen St. Louis swamped and drowned out of existence by a broad body of water, I assumed that the water would connect somewhere with the Mississippi River, and move southward, causing the Mississippi River to swell greatly beyond its banks. Again, I watched the water roar westward for days; I lost track of how long it moved like this, but was aware that the larger part, if not the whole of Lake Michigan was emptying out. Farther from the city, to the west, I did see areas that were above water and intact except for earthquake damage, and some years after these first visions was able to identify the Chicago suburb of Woodridge as one of those areas that will be partly or wholly above the flooding waters. I did see ditches here and there, with water running over them, and in the ditches, I observed masses of canned goods stripped of labels but largely intact, in the water and mud.

I also saw the bodies of the dead, human and animal, floating everywhere. Dismembered bodies covered in the disaster area; thankfully, most were buried in the churning tide of mud that moved beneath the water. When the water subsided, I could see corpses caught in the branches of uprooted trees through all the widespread wreckage. When the water actually subsides, after the real earthquake, we will view a

vast mud plain with islands of refuge. The stench of rotting flesh, decomposing vegetation and the stinking stagnant water in the hot, humid weather will be unbearable.

Almost immediately after the worst part of the destruction, in a vision, I saw flying overhead U.S. aircraft of various types dropping supplies by parachute to stranded survivors. Later, the airplanes stopped coming, but I did not then know why.

After the flooding waters passed a given area, I saw survivors coming out of the water, some adults and many children, all injured and half naked or altogether naked and in shock. They were received by certain Christian communities; clothed, tended to and later given places to live. I was not clearly aware of it at the time, but today know that these 'communities' or isles, spared from the wastes destruction will be peopled by Christians who have prepared to some extent. When I saw so many young children, I couldn't help but wonder how a three or four-year old child could survive the waters, when their parents did not. The Lord would later tell me, "Because they are innocent."

I also observed others emerging from among the survivors; those I would later identify as 'marauders.' These men, hoping for gain, would search among the corpses, taking rings, gold and other jewelry and even look for gold fillings in teeth. They were armed, and when they came upon the surviving communities, would take them by force, raping torturing and killing as they wished. With no government or police in organized operation, these men followed their basic natures. I realized then and now that the Christians would need to be prepared to defend themselves. My knowledge seemed to indicate that it would be almost a year before troops arrived. When they finally came they were bearded, tired, dirty, hungry and tattered. They quickly disarmed the marauding men, killing all of them on the spot, then marched on. That sequence of events puzzled me at the time of the vision — I did not understand why U.S. troops would be on foot; why they would be so ragged, and why they shot the marauders immediately, with no hint of due process of law.

I looked over the Chicago land area after the waters subsided and the mud dried; and I was astonished. Lake Michigan was gone, only a hilly lake bed remained to be seen. Mud everywhere-dried mud stretched over a vast expanse of what was once a great city. Bleached bones of the long-dead protruded in places. The toll of the dead was beyond estimation. There were not trees, no grass, just a dead silence. To the north I saw ruins of buildings. In the northwest areas here and there, were desolate skeletons of homes and buildings.

I arrived at some conclusions about this future disaster, from what I was allowed to see in those July days of 1973. The day of the earthquake would be bright and warm with no clouds. The earthquake would strike late in the morning, very near noon — I was sure it would take place in the summer months. One impression hit me; one should watch for birds — when they go, the quake is near. I felt that the disasters would strike on a weekend, but of this I was not sure. The Lord did not give me a precise date at that time, but I knew 'it is near but not yet.' I noticed after the flooded land dried, that the entire area was engulfed in a dead calm. No wind blew; and with the heat and the stench, the air seemed to turn blue-green. A few survivors hid in closed rooms to escape the stench. The stillness was awesome. It seemed as if the whole world was holding its breath.

On July 5, 1973, I could bear no more of the vision and cried unto God to take it from me, and He lifted it from my seeing. Later I turned to the Lord and asked Him when all of this would happen. I was given a vision of the **number 17**, made up of what looked like fluffy white clouds. I did not know if that meant 17 days, weeks, months, years, or centuries, I had no understanding.

Over the years since 1973, the Lord by His Holy Spirit has continued to give us a deeper understanding of this disaster of disasters. Today, we know that Chicago will be the center of an earthquake that will have an approximate destruction radius of 300

miles — we believe it will be the worst earthquake in recorded human history. The cities that will be the worst flattened by this earthquake will be Chicago, Illinois; St. Paul, Minnesota; Milwaukee, Wisconsin; St. Louis, Missouri; Louisville, Kentucky; Indianapolis, Indiana; Detroit, Michigan; Toledo, Cleveland, Columbus and Cincinnati, Ohio; and Kansas City, Missouri. Southern Ontario, Canada and parts of southwestern Quebec, Canada will be obliterated by the waters of the Great Lakes as they 'backwash' and just before they return as a wall over Chicago and other areas. The Lord by the Holy Spirit revealed that the sound of the 'cracking' of the ground or fault will be so fierce that windows will be shattered in Des Moines, Iowa, some 316 miles from Chicago. When the earthquake hits Chicago, people will be knocked off their feet in Detroit and trees will fall out of the ground in St. Louis, Missouri, some 269 miles from Chicago. The sound of the crack will be heard as far away as Denver, Colorado — literally, the whole continental mass will tremble.

This is the vision of the earthquake that swept me up from July 2, 1973 to July 5, 1973. I didn't know why I'd seen it or what I was to do with this vision... I typed up my notes, filed them, and tried to forget the vision, albeit unsuccessfully. [to page 51]

First, I saw the Chicago earthquake, then an overview of the mid-western and north-eastern United States. I saw smoldering ruins from nuclear attack. When looking at the Midwest, I saw caked, drying mud and ruins everywhere. However, many small cities and towns were intact. I saw many injured people. Many were hospitalized. Confusion and fear gripped the land.

Then I saw a great Russian fleet steaming out past Western Europe towards the United States. Western Europe cringed in fear, for God's Spirit held them and they were terrified to move or to intervene.

I saw a lone but great United States Aircraft carrier capsized in a bay on the East Coast, half sunk in the mud.

Then I saw the invasion, at the Bay of Delaware, and on the coast of Virginia.

Then suddenly, just after the terrible earthquake in the Midwest, I saw ministers, priests, elders and Christians who had rejected the prophecy... these now seemed like dead men — all their strength was gone, and many fell on their faces before God crying for forgiveness. [page 325]

17.3 July 2, 1973, Open Vision, Chicago Earthquake & Invasion — Most think of major earthquake prone areas in California. The strongest quake in the United States did not occur in that state, however. Since it's settlement by Europeans, the greatest earthquakes recorded in the US occurred between December 16, 1811 through February 7, 1812. There were five of magnitude 8.0 or higher in that period that made the Mississippi River flow backwards and changed forever some areas of the river valley. This fault system is known as "New Madrid". Information about this fault line and the current measured activity I found on the Web. Somewhere, there is another, or possibly many who have "seen" this vision. It was given initially to Cliff Collins and Chuck Youngbrandt of Chicago land area.

Earthquake Vision — It was a beautiful sunny, warm day at a around 10:30 am, and I was reading my bible in the lobby during my coffee break. I had a feeling of uneasiness all morning -- jittery with no apparent reason. The tenseness that plagued me made me eager to seek consolation in the Word, which I knew would relax me. I had been reading for a moment or so when an odd thing happened. The sunlight which lit up the room suddenly seemed brighter than normal, but I dismissed this and continued reading. I then glanced outside again, and noticed something strange. Although I could clearly see fluffy clouds in that morning sky, I also saw simultaneously a clear blue sky with no clouds and a much brighter sunlight. Then I heard a very sharp, loud, and terrible cracking noise, and was aware that the ground was moving under me. The building all around me was wavering; the wall split at some points, and I heard a deep

rumbling sound. It was an earthquake!

I looked around, amazed, while the chandelier pulled out of the ceiling and crashed to the floor. As the walls swayed, the two-story high windows exploded into thousands of glass fragments as their frames twisted and bent. The outside pillars around the door fell almost immediately, and the walls themselves were breaking up with many loud, snapping, and crackling sounds. A piece of ceiling about four feet long fell to the floor, crushing a chair. Everything was weaving so violently that I couldn't move. I heard a woman screaming. I was surprised that the building was holding up so well; for the earth was moving suddenly, sharply, and fast.

Suddenly, it stopped! I shook my head in unbelief and looked, seeing the wreckage and clouds of dust super-imposed on that beautiful day. In the next moment, I saw only the lobby as it had been before, untouched, with no sign of the earthquake. Bewildered, I tried to dismiss it all as my imagination, because I didn't know what else to do with the experience. I left the lobby and returned to work.

This experience, it turned out, was just the opening revelation of many by the Holy Spirit. On that first day and for days to come, in various places, at various times, the Lord continued to reveal to me the earthquake happening over and over again. Each time I saw that bright clear-blue sky with no clouds and the bright sunlight. I heard that same sharp cracking noise which sounded so fierce, so deadly, that one could almost taste it; then came the fast and sudden movement of the earth. At that time I did not know what was happening nor understand much, except that I not only saw the earthquake and heard it, but I also felt it and was aware of what people were thinking of at that time. I could even smell a difference in the air. As the days passed and the revelation unfolded, I began to suffer from emotional shock and pure horror. As the revelations all happened over an extended period of time, I will share them with you as it was given to me by the Holy Spirit.

It was now lunch time that same day. Everyone else was eating and I was at my desk covering the phones. My desk sat next to a window that faced east, overlooking the southern end of a small lake (called O'Hara Lake), past sister buildings built around the lakefront. Just east of the office buildings was the Tri-State Toll way and east of the Tri-State Toll way stood the Xerox factory and what looks like a water tower with the Xerox name on it; beyond Xerox one could see woods. It all started again. That day was super-imposed on the day I was in, and the prelude of bright sunlight, a sky with no clouds, and the sharp crack of the earth. With that, the whole building began to move under me. I watched a crack start and spread from the other end of the office to my area in the twinkling of an eye. The plaster wallboards popped, crumbled, and came undone as the walls buckled. The floor on my end sagged down about five or six feet, sending file cabinets and furniture sliding. Again I heard the screams and felt the panic and terror of the quake in others. I heard a thunderous roar in the tumbling earth, and noted that the movement was east to northwest in direction. I looked out of my window, and saw the Xerox water tower swaying back and forth, then the base gave way and the tower fell. I then saw flames rise from the Xerox building itself as the huge crumbling water tower hit the roof. In a few moments, the earth stopped shaking and I was struck by the utter quiet now of this future day, for I saw no living being at all, not even birds. Smoke arose from the Xerox building like a black pillar. The water in O'Hara Lake sloshed out of the lake in massive waves and then ran back into the lake bed.

I knew this was once again a vision of some future event, a massive earthquake. By this time I was emotionally caught up by the experience, but who could I tell? Who would believe me? At this point, I was the only one who had seen it, and I had no understanding what the purpose of the vision was.

It was now 3:00 pm, that same day. Again the "prelude" of the bright sunlight. This time the vision began where the last one left off. The destruction lay on every hand. I could

literally feel the deadly quiet of that future day. Then the silence was broken by a terrible and different roaring sound that sent shivers down my spine. I turned to look out my window, my eyes glanced over the ruined terrain and up toward the woods beyond the Xerox building. There, over the tree tops, I was in the far distance a massive wall of water, clear and blue, that was moving westerly. It did not seem to be coming at this place, but seemed to be moving west and south. Yes, the wall of water was definitely south of my location in Des Plaines, Illinois. A wall of water from Lake Michigan, the roar so thunderous, so ominous, that it made me tremble. It was at this point that I realized that I was witnessing the destruction of Chicago by a monstrous earthquake, followed by a huge, destructive wall of water.

In that vision of a future day, I also saw a jet airliner coming in for a landing at O'Hare Airport just at the time this wall of water made its appearance. There were no trees, no grass, just a dead silence. To the north I saw the ruins of buildings and in the northwest there were whole areas of standing homes and buildings, but even these were only patches here and there. The toll of the dead was beyond estimation.

From what I was allowed to see in those days of July 1973, I arrived at some conclusions about this future disaster. The day of the earthquake would be bright, warm or hot, with no clouds. The earthquake would strike late in the morning or very near noon. I was sure that it would take place in the summer months. One impression hit me; one should watch for the birds, when they go, the quake is near. Though I was not sure, I thought or felt that the disaster may strike on a weekend, but of this I was not sure. Though the Lord did not give me a precise date at that time, I knew it was not yet. I noticed that after the flooding waters dried up, the entire area was swallowed up in a dead calm, for no wind blew, and in the heat mixed with the stench, the air almost seemed to turn blue-green. Some survivors hid in closed rooms in unbearable heat to escape the stench. The stillness was truly remarkable. It seemed as if the whole world were holding its breath.

Over the years since 1973, the Lord by His Holy Spirit has continued to give a deeper understanding of this disaster of disasters. Today, we know that Chicago will be the center of an earthquake that will have an approximate destructive radius of 300 miles. We believe it will be the worst earthquake ever recorded in human history, second to none in destructiveness. The cities that will be flattened by this earthquake will be Chicago, Illinois; St. Paul, Minnesota; Milwaukee, Wisconsin; St. Louis, Missouri; Louisville, Kentucky; Indianapolis, Indiana; Detroit, Michigan; Toledo, Ohio; Cleveland,

Ohio; Columbus, Ohio; Cincinnati, Ohio; and Kansas City, Missouri. Southern Ontario and part of southwestern Quebec, Canada, will be obliterated by the waters of the Great Lakes as they "backwash" and just before they return as a wall over Chicago and other areas. The Lord, by the Holy Spirit, revealed that the sound of the cracking of the ground or fault will be so fierce that windows will be shattered in Des Moines, Iowa, some 316 miles from Chicago. When the earthquake hits, people will be knocked off their feet in Detroit and trees will fall out of the ground in St. Louis, some 269 miles from Chicago --- literally, the whole continental mass will tremble.

This is the vision of the earthquake that swept me up from July 2, 1973 to July 5, 1973. I did not know why I had seen it. On July 5th, I could bear no more and cried unto the Lord to take it from my seeing.

17.4 Mid-1977, Fault, Chicago, Illinois — In mid 1997 we met a brother in the Lord who shared that while he was working on a construction job in Chicago, driving pilings in the ground for the foundation of the Marina Towers, they discovered a fault, which he said apparently ran east and west. This struck me as very interesting in that the massive fracture shown to me in 1973 followed the same general line or area he talked about. [page 274]

17.5 Mid-1977, Visions, Chicago Earthquake — We have met and talked to dozens of Christians who have had a vision of the earthquake destroying Chicago or a vision of the wall of water crushing the city sweeping it away. One minister told us in mid-1977 that he was in Chicago praying when he had a vision of the building he was in; the walls were cracked and everything was ruined. He then said he heard loud 'banging noises' and saw the pipes suddenly rupture and explode with considerable force. Next, he heard a roaring noise and suddenly torrents of water broke through the east walls of the building. He had no idea what it meant but someone who had heard

our tapes suggested he visit us, and so he did. What hit me was that as the wall of water would move, it could cause intensely high pressure in the city's water pipes just ahead of it, resulting in the pipes exploding. [Page 274.] [***Or the movement of the earth could cause the pipes to explode.***]

17.6 Vision Of The Invasion Of The United States Of America — Chuck Youngbrandt estimates the dates for the summer of the Great Chicago earthquake, and soon after invasion of the United States of America:

March 28th — look for a noteworthy event in economy

June 3rd — 67 days later [62 plus 5] a greater event to shake nations foundations

July 5th — One summer day, at twelve o'clock noon, the Midwest will be devastated by one of the most destructive earthquakes in recorded history. After the earthquake and subsequent flooding by the Great Lakes, there will be left intact, whole Christian communities much like islands in a sea of destruction. Survivors will stumble in shock into these areas. Christians are to receive the injured, tend to their wounds, feed the hungry. In the Midwest, after the earthquake, most survivors will be children. The earthquake destroys Chicago, Illinois and Midwest [most destructive earthquake in recorded history. For those outside of the Midwest earthquake zone, news of this earthquake will be warning enough. Now, within thirty-seven days, Russia, China and Japan will attack this nation. Anyone living within an area where there is a major airbase, naval base or missile installation located should consider leaving. The Lord will warn, mostly with angels, and yet those who have a personal relationship with Jesus will get a word from Jesus directly, as He wills. We can not and will not win this war. God's hand is against this nation. We will be overcome as a nation, we will be humbled in defeat and occupied. Many who will take their lives in these times. [page 331]

Autumn, October 21st The War Itself — 132,427 **Russian troops invade** the East coast at Slaughter Beach, Delaware, in the Bay of Delaware, and advance rapidly up Highway 13, up that peninsula towards Wilmington, Delaware. Hours before, a large armored force will have landed on the coast of Virginia, in a daring stroke aimed at causing confusion. This armored force will fan out across the countryside and wreak havoc, setting whole towns afire and destroying widely. This force is designed as a diversionary force, to divert our military leader's attention away from Slaughter Beach, which is the main landing point. As a result of bad weather, heavy fog and an excellent performance by the Russian diversionary force, it will be some forty-eight hours before the U.S. military leaders recognize that the Slaughter Beach area is the main invasion

point.

At Slaughter Beach, Russian armored and infantry forces will race ashore, overrunning the small town of Milford, Delaware. From there, tanks, troop carriers, and mobile artillery still wet from the Atlantic ocean surf, will speed up Highway 13 and take Dover, the capital of Delaware within the hour, without a shot fired. Later, near the junction of Highway 301 and 40, just southeast of Wilmington, Delaware, the first U.S. tank [an M60] will challenge the lead Russian tank, an amphibious T-62. [pages 331-332]

October 23rd — approximately 1,800,000 United States troops will engage the swelling Russian force in and around Wilmington, Delaware. Though American forces will attack and fight with courage and persistence, the Russian troops will have entrenched themselves and will withstand attack after attack until American morale wanes.

After one week of heavy, brutal fighting, the vastly outnumbered Russian forces will mount an unexpected offensive and swiftly pierce U.S. defenses in the center, and break into open countryside. Panic and confusion will sweep the army and with the sudden appearance of large numbers of land based Soviet fighter bombers, terror will become the order of the day. Exploiting the break through, Russians armored units will race westward while the bulk of U.S. armored forces will be withdrawn to defend Washington D.C. However, the object of the Russian forces is not Washington, D.C., but Philadelphia, Pennsylvania. Swinging wide to the north, the Russian armies will envelop Philadelphia and trap nearly one million American troops. A vast Russian air lift of troops and equipment will ensue. Our defenses will crumble rapidly under continuous Soviet military pressure. Washington D.C. will be abandoned in tact.

Fighting desperate delaying action, the U.S. armed forces will prove unable to stop the advancing Russians. The U.S. Army will be destroyed in the defense of the south, and Russian and East German forces will advance rapidly through Virginia into North Carolina. National guard units will put up a fierce fight in the south, and slow the

advance of the Soviet forces in a series of blood battles. With the arrival of a severe winter and due to over-stretched supply lines, the Russians will come to a halt in the Appalachian Mountain range, roughly midway between Pittsburgh and Harrisburg, Pa. and Soviet forces in the south will stop their advance, just past Florence, South Carolina; to re-group and re-equip.

The West Coast — A month after the Russian invasion of the East coast, China and Japan, with considerable help from the Soviet Navy, will invade the West Coast at three widely spaced points. One Chinese force will land in Willapa Bay in Washington State; the strongest Chinese force will land somewhere south of San Francisco; and the third Chinese and Japanese force will land some five miles south of the U.S. —Mexican border, in North Baja California, Mexico. The West coast defenses, already stripped of stronger air and ground units which were sent to the East coast, will be hard pressed to contain the widely spaced Chinese – Japanese invasion forces.

The San Francisco Vision — Chinese troops will be under orders to take no prisoners, civilian or military, which will cause a great slaughter as their armies advance. Then the Lord showed me that He had warned a large number of Christians to leave San Francisco area and move to the north and east; but they ignored the Lord's Prophets and were there when the invasion came. Consequently, they were trapped when Chinese army units surrounded and cut off U.S. Army units from the mainland. The Chinese were strong enough to press back the U.S. Army to the east and at the same time close in on the trapped soldiers and terror-stricken civilians.

The Christians came together and began to pray and plead for help from Jesus. Then the Lord showed me a one-star-General, named John, a Charismatic [Spirit-filled] Christian. Jesus spoke to John and said, "Call your officers together and pray." General John B. was in command of an infantry unit that had been reduced to some 5,200 men after weeks of heavy fighting, and orders had been given to withdraw his forces some

30 miles to the east, to a new line of defense.

I saw General John speak to a large roomful of officers, standing on a desk in a mansion where he had set up headquarters. As I remember, General John said, "... The reason this war has befallen us is that we have turned away from obeying the Lord, our God. I am commanding every man here, whether Christian, Jew or pagan, to fall to his knees and pray to Jesus for help." A Colonel voiced an objection, saying that he did not believe in Jesus, and that they should address their attention to the war. General John spoke loud and clear and said, "Any officer who will not obey this command will be taken out and shot." The men present fell silent for an instant, then every one joined John on their knees — and prayed to Jesus. Jesus spoke to General John and said; "John, I have given the Chinese over into your hands for the sake of My children. Order your troops to go into battle singing praises to Jesus. Take alive and treat well any Chinese that will surrender, and if they fight do not take them alive."

John issued orders to the stunned officers. He said, "Jesus has given us the victory, and by God we are attacking." There was something contagious about his spirit. Faces lit up, orders were given and the unbelievable communication was sent to headquarters. The unit was under strength and exhausted. They lacked air support and artillery support and were faced by an estimated 200,000 Chinese troops. The whole force trucked up and moved in a body down a one lane highway, convoy fashion, straight for the Chinese. [I thought they were about to commit suicide.] Chinese MIGs flashed out of the sky and made strafing and bombing attacks; but when the smoke cleared, there was no damage. Chinese artillery sent down a thundering barrage of shells to no effect; the troops hit the Chinese front lines and the Chinese panicked, throwing down rifles and weapons, and ran. Within a few hours, they had captured over 100,000 Chinese and killed almost 100,000, with no loss of their units. On freeing the entrapped Christians, General John sternly told them that Jesus told him to inform them to pack up and move north and east. Jesus said to John after the battle, "John, I have given this nation into

their hands; yet I will never abandon My children.”

Once so routed, the Chinese will quickly abandon the order to kill military and civilian prisoners and the war will go on. The Chinese and Japanese will advance north from Los Angeles, and re-take San Francisco later. General John B., the praying Christian soldier, will trouble the invaders to the extent that they will offer a high price for his head, [literally] but he will live to see God’s mighty promise fulfilled after occupation ends.

The General War — After the American armies fall back into the Appalachian Mountain range against Soviet pressure and into the Rocky Mountain range against Chinese – Japanese pressure, we will enter into the ‘lull’ of severe winter, while all sides lick their wounds and catch their breath. The U.S. government will initiate massive conscription, ultimately drafting boys from 15 years of age up to men 55 years of age. And the church system, that would not call the nation to prayer and repentance will call this nation to war and to fight. Many in the church authority will challenge Americans to win the war by saying, “God is with us!” Indeed, the Lord or God is with us; but we cannot and will not win this war. God’s hand is against the nation.

Jesus would have us warn you generally that those who fight will die, and that we should generally surrender and live to serve Jesus Christ. This is the general rule. But in every case, we must search our hearts in prayer and know what the Lord would have us do. Outright rejection of lawful authority is lawlessness; thus we must come to the Lord in prayer about draft notices received by any of our brethren.

Firstly, from nuclear attack to invasion, through to the military collapse of these United States, military victory is not possible. We are given into the hands of the conquering Communist armies that arrive on our shores. To resist the invaders with the hope of winning will be the equivalent of resisting the will of God. There is no chance of success whatsoever in the normal sense.

Secondly, fathers and mothers, keep your boys at home and out of the armed forces. Do not volunteer for the armed forces; and if you are in the area overrun by Communist troops, do not, under any circumstances, allow yourselves to be joined with the invasion forces. Do not take up arms against your countrymen, even under threat of death.

If you are legally drafted, then go before your fellowship or church for prayer and seek the perfect Will of God. If Jesus approves of the military draft, then go. Christian soldiers are to remain steadfast daily in the Word of God in prayer and in fasting; and so also are their churches, on their behalf. You are to exert your influence in both a physical sense and spiritual sense in the armed forces, if Jesus sends you. If in battle your unit is cut off, attempt to rejoin the main body. If this proves impossible, then withdraw into the hills, forests, or mountains and continue the fight even after total defeat is a reality. That is to say, never give up. Form guerilla bands and trouble the occupation forces all through the occupation. No peace treaty will ever be signed, nor a surrender. The war will continue and the ultimate victory is certain in Christ. If you are surrounded and cannot escape into hiding, then surrender and know the Lord thy God is with you. Roll with the punches. Remember Romans 8:28!

So there will be some who should avoid military service, and some who should not; some who should continue to fight and others who should surrender. In each case, we need remember that we are different parts of the same Body of Christ and that we need to humble ourselves, seek the Will of the Lord for us in prayer and fasting, and obey Jesus above our own 'feelings' and above the authority of man.

Civilians, be advised NOT to resist the invaders. Pray for God's protection about your family, your home; and pray for walls of Jesus' love all about you. It is easy to die for Christ; but it is not so easy to live for Him. Take up the call to live for Jesus, to live that you may serve Him. This is both for those Christians in the military and those who are not. When Russian troops fight through our defenses, do not surrender to assault

troops. They will often be under orders to take no prisoners and will kill anyone trying to give himself up.

The Arm Of Flesh Will Fail — Jesus began to show me a vision of great battle and said to me, “The arm of flesh will fail utterly.” Then, over a period of time, the Lord showed me this:

After the severe winter weather set in, combined with exhausted troops, and overstretched supply lines, forward movement against the U.S. armed forces stopped on every front. While the winter was hard on Americans, it was equally hard on Russian, Eastern European, Chinese, and Japanese armies. Then as I viewed the United States, I began to see a superhuman effort being made in every dimension of our society to ‘come back.’ In small towns and cities yet intact, factories and workshops began to spring up; and the whole of our technology, matched with our wits, know-how, resources, and strength combined mightily to produce large numbers of modern weapons of war. New tanks, artillery pieces, jet fighters, missiles, ammunition and small arms began to arrive at training centers in a flood; and a whole new army and air force began to rise out of the ruins. Diplomatic moves were being made to draw Western Europe into the conflict against Russia, and the government tried, desperately, to exploit differences Russia was having with Red China and Japan. Russia still had forces standing opposite Western Europe and on China’s border; and our military analysts estimated that Russia could not deploy more military units into the Americas without seriously letting down their guard at home. The President and his military men saw an opportunity to deliver a knock-out blow to the Russian forces and drive them off the continent. Everything now depended upon seizing the ruined city of Philadelphia, which Russia was using as its main naval base to bring in fuel, replacements and heavy equipment. Philadelphia had been converted into a Russian supply port. If U.S. forces could take it, Russian armies would soon run out of fuel, ammunition and other vital supplies and consequently could be easily mopped up and wiped out.

As I watched, I saw a gradual build up of troops and tanks just behind the fighting front that stretched from a rough halfway point between Pittsburgh and Harrisburg, south thru Pennsylvania, West Virginia and Virginia. The military build up continued steadily over a wide area of the front until, after many months, the hills and forests were alive with American troops, tanks, artillery and missiles. It was now late winter and near early spring then, and the U.S. Air Force had reappeared and challenged the Russian air power to the extent that Russia was afraid to fly in supplies while the U.S. Air Force threatened their air routes. Then the day came, in the early morning hours, still dark, with a frozen silence in the forest hills of Pennsylvania and West Virginia; millions of American troops with tanks, cannons and assorted weapons moved up quietly in what seemed a hush. Time seemed suspended and I was not caught up in the vision. My emotions, "Go get 'em."

A pale mist lay just over the treetops as the dark began to lift, then it seemed as though the night instantly became daylight, as multiplied thousands of cannon and rocket launchers fired volley after volley of shells into the Russian defenses. The hills literally belched flame, and roared and shook under the weight of the barrage. Millions of men attacked fiercely, and the Russians were stunned. A hundred mile hole was torn in the Russian defenses and the U.S. Army moved forward, engaged the Soviet forces, shattered them and plowed through. Russian reserve units were called up from rest areas and winter quarters on the East coast, and engaged the advancing U.S. forces. The military analysis — was correct, Russia had no reserves left — and they must draw on army units at home, risking the homeland or face the possibility of being driven off the Americas. Unknown to us a man in power in Western Europe delivered assurances to the Soviets of absolute non-intervention by Western Europe.

One of the U.S. Army's military objective was the retaking of Washington, D.C., as well as Philadelphia, which was a top priority. American forces steadily advanced against

thinning Russian armies; the Soviet's military strength was on the wane. They were outnumbered now, badly battered and constantly falling back. But then, the Spirit of the Lord moved on them, and at King of Prussia, Pennsylvania, they stopped retreating and turned and stood. A battle ensued that is hard to describe. American troops attacked the Soviet forces in waves, and often the fighting was hand-to-hand; but despite heroic efforts, the Russian soldiers still held. Then one of the greatest airlifts in history happened. Russian forces were airlifted out of Russia and flown to the United States in huge numbers; and the U.S. offensive broke down, failing to take the prize, Philadelphia. From then on, the U.S. Army fought frantically in a hopeless cause. The arm of flesh failed utterly! [pages 331 to 338]

May 14th — The Russian counter-offensive is marked, beginning with the destruction of Washington, D.C. by a nuclear bomb. [page 304] [Many will die and many will go into captivity.]

On May 14th, Russia will launch their great offensive which will end up reducing the remains of the U.S. Army in conjunction with Chinese and Japanese forces in the Midwest areas of Kansas, Missouri and Iowa. No surrender will be signed. The United States will cease to exist by the summer of... with a total war, earthquake, famine and pestilence killing some [*estimated*] 197,000,000 Americans.

Every American who flees to Canada will die there when war comes to Canada at another time. In the war, the invaders will make use of nuclear weapons, poison gas and biological warfare against our nation. The Russians will abandon biological warfare when it backfires on them. [page 338-339]

Advice — If you see U.S. armed forces appear to be entrenching themselves in or near your town or city, pack up and leave. If possible, avoid remaining in battle zones. For civilians again, the war will have two forms. (1) the fighting zones and (2) the by-passed zones. Fighting zones can be described as the general line along which invading armies

will advance, and the general line along which the U.S. armed forces will resist them. Since fighting will no doubt be in tense, most surface structures [homes, factories, etc.] will be either heavily damaged for totally destroyed anywhere with in fifty miles of a fighting zone. By-passed zones are just that, areas beyond the fifty mile zone where there is likely to be little or no fighting. It can be expected that invading army units will arrive even in by-passed areas, both during and after the war.

Civilians, do not resist the invaders. Head for your basements, remain in a corner of the basement until the troops go by. If there is house-to-house fighting, remain in your basement; and it or when you hear troops enter your home, — begin to sing a good loud hymn, and don't move.

These are the fighting zones: Russians forces will split into two main army fronts past Wilmington, Delaware. The main force will move from Philadelphia west to Harrisburg, Pennsylvania, and from Pittsburgh to Cleveland, Ohio, and from Cleveland generally west... The second force will move west from Pittsburgh to Columbus, Ohio, then to

Indianapolis, Indiana, and then to St. Louis, Missouri.

The Soviet forces moving south will advance from Philadelphia to Baltimore, Maryland; to Washington, D.C.; to Richmond, Virginia; to Raleigh, North Carolina; to Columbia, South Carolina; to Knoxville, Tennessee, and to Nashville, Tennessee. The second force will move from Greenville to Atlanta, Georgia and to Montgomery, Alabama.

Paul's Note. Though not in the text, the original Hand Map showed a line from Knoxville, Tennessee, to Cincinnati, Ohio. As well, it looks like they go through Asheville, North Carolina, at some point, from the way the map runs.

On the West coast, Chinese forces will advance from the beaches of the State of Washington to Olympia, Washington, moving due south to Portland, Oregon, and from there to Pendleton, Oregon and to Boise, Idaho.

The Chinese – Japanese forces landing on the Baja California, Mexico, area will move over the border to Los Angeles, California, and from there east to Phoenix, Arizona, to Tucson, Arizona; to Las Cruces, New Mexico, to El Paso, Texas. The Chinese will send

another force from Los Angeles up the coast to San Francisco, and advance from there to Reno, Nevada; to Winnemucca, Nevada — to Salt Lake City, Utah; to Rock Springs, Wyoming to Cheyenne, Wyoming, to North Platte, Nebraska, to Grand Island, Nebraska.

Upper west coast from California

LAST U.S. Stronghold Here the U.S. Army surrounded by Russian, Chinese and Japanese and other nations armed forces will fight to the finish. Hutchison, Kansas salt mine is likely to be the headquarters for our government and President during the war after the fall of Washington, D.C.

Upper west coast from California

These are the main fighting zones. By checking a Road Atlas, you can quickly see the main highways they will follow, and whether or not your dwellings are in a fighting zone or a by-passed zone. Although there will be others, these are the major lines along which most of the battles will take place. No nuclear weapons will fall in the areas

devastated by the earthquake.

The conquerors will make use of existing police forces, firemen and local, state and federal officials initially. But beware, within a year of overcoming the nation, the Communist officials will have these same leading police, firemen and government officials arrested and murdered.

During the war, activate the underground church. Hide those who are fleeing from the conquerors. Feed and assist guerilla bands secretly, and also comply with the occupation forces, that it go well with you. The invading armies will not be the scourge many will fear them to be. Sadly to say, American women will have more to fear from our own troops — than from the invaders. Do not deny invaders loot, and do not resist the plunderers. Give freely. If troops go for women, let all turn to Jesus in prayer; but do not resist, they will kill all who resist.

The Lord will give occupation troops a heart of compassion for His children. You will find that most of the conquering troops are young men, some homesick. Most will be curious about Americans; many will be friendly and helpful. Americans will be scattered over a destroyed land. Our flag, will lie in the dust. We will mourn and bury or dead. Our hearts will be broken. But now we will enter the fires of occupation and persecution. War troubles will come into focus as occupation trials. [pages 339 to 341]

We cannot make it as individuals alone. We cannot make it as a twosome or a small group alone. We need Jesus and the Holy Spirit of our Father in Heaven; and we need each other. The future of America, the future of the new nation, is entrusted in our hands by God. For from the children, a new nation will emerge. We are responsible, and America's future is in our hands. This is our calling.

Jesus showed us that during occupation, American Christians will hide two things, 1st the Bible, and 2nd the American flag. Then Jesus spoke and said: "*And so this nation,*

which I will raise up, will look upon this flag and will know and remember that by these My stripes are you healed; and that these stars are to you as my promise to Abraham, that your descendants will be as many as the stars in heaven.”

When the war is over, the conquering Russian troops will literally dance in the streets and drink themselves into a stupor. Steer clear of them. The Chinese troops will respond to the end of the war in an unexpected but pleasant manner.

Christians, let loose of your worldly-possessions. Do not hesitate to leave everything behind. Place no value on anything except love of Jesus and love of the Body of Jesus Christ. Some will remain fixed where they are. Some will be moved. Some will be deported. [page 342]

When the shooting stops, another kind of war will begin: a fierce spiritual war. But it will not begin as one might expect. Strangely enough, Christians will initially enjoy greater freedom in Christ than ever before. The vast majority of Christians will dwell safely in the ‘green pastures’ or ‘green patches’ that Jesus has prepared for His people. The conquering armies will number close to ten million armed men when the U. S. armed forces collapse and fighting ceases.

In the time the conquering troops will be curious and seek to know Americans. They will become friendly, even to sharing food and medical supplies. In some places, it will not be uncommon for Russian Christians to join Americans in prayer.

The Chinese and Japanese forces will move on to India and other parts of Asia intending to consolidate Asia into one empire. For this reason, they will begin to withdraw fighting troops in the Americas. Within a year, occupation troop levels will drop to three million, and then slip to near two million after the year’s end. Communist commissars will begin arriving within six months of war’s end. It will take them about another six months to begin to effectively administer city areas where the bulk of surviving Americans are concentrated. It will take another year before they can bring the

whole land under control.

Because of the vast destruction of cities, roads, bridges, communications, rail lines and such, it will take the Communists two years to effectively control the continental mass. Even then, the underground church and guerilla bands will be able to operate openly in many areas. The Russians will be interested in taking industrial machinery and mineral resources. China and Japan will go for raw materials, foodstuffs, and technicians.

During occupation, if you are concealing people from occupation authorities and are asked if you know their whereabouts, simply say: "You can have all you can find." [they will search in any event.] But do not, in the name of Truth betray others to their imprisonment and/or death. It is far better to turn away those seeking your help than to receive them and turn them in later.

If asked whether you are a Christian or not, do not deny this, but openly acknowledge that you belong to Jesus Christ. But in heaven's name do not seek martyrdom. Do not go down to Communist headquarters and shout aloud of your faith in Christ. That kind of activity is akin to voluntary suicide.

Concerning provisions for our needs; do not limit God. He can and will provide for our needs out of both the natural realm and the miraculous realm. We need to make provision for our needs beforehand as the Lord would lead us, and then simply trust Jesus for all the rest. Many Christians get confused on the issue of preparations, thinking that having things beforehand is a lack of faith, whereas it is clinging to things rather than clinging to Jesus that is the problem. Just recently in the month of January, 1979, I heard Corrie Ten Boon say on Christian TV: "Look around, be depressed, Look within, be distressed, Look at Jesus, and be at rest."

With the arrival of occupation, we will be living in what can be described as a news blackout, as there will no longer be television, radio, newspapers, or magazines. Christian communities in 'green patches' and this underground church will be the only

source of real news [outside of occupation news reporting]. Christians will find themselves relying heavily upon the word of prophecy, upon the Holy Spirit of Jesus to know what to do. For instance, some people may want to return to homes left behind—they should seek the Lord in prayer and fasting. The countryside in all of the Americas will be radioactive wasteland in many places. It will remain that way for years. We will need to rely heavily on the word of prophecy in the Body of Christ at this time—. The Lord will speak to us, giving us explicit directions when asked. Submit humbly, to right authority in the occupation forces and in your churches.

During the occupation, we are going to be put to the test. We are going to go through the fire, for American Christians will: 1st be betrayed into Communist hands by some church authorities, 2nd be betrayed into Communist hands by some of our family members, 3rd be betrayed into Communist by brothers and sisters in Christ. In this time of occupation, we must be extremely careful with those we trust and above all, we must endure every trial, every and all betrayal with love and forgiveness. No matter what we face, we must never deny Jesus Christ. We must remain faithful to the Body of Jesus Christ even unto death.

Occupation will be no picnic. If you think it will be an adventure, it indeed will be an adventure—mixed with pain, sorrow and trials, covered over with Jesus' Spirit of peace, joy and love. We must prepare our hearts even now with prayer and wholly trust in Jesus to see us through every trial with His brilliant love, and boundless faith in God and His goodness.

Those who have not prepared themselves in prayer and who do not cling to Jesus, will be embittered by persecution and trials and confused, thinking the Lord Jesus has failed them. They will withdraw from fellowship, afraid to trust anyone. Their love will grow cold.

It is for this reason that the underground church need be formed, for its

foundations will be established upon deep and everlasting relationships between Christians committed to loving and serving Jesus and His Church. The visible church will come under a terrible persecution. It will be run thru with informants, restricted by an endless barrage of laws laid down by the conquerors. Membership in the underground church will be considered treason, punishable by death; even so, the church will grow stronger and come thru occupation intact. The underground church will be built upon the Rock, Jesus Christ. All Christian denominations can be a part of it. Love of Jesus and one another in the unity of the Holy Spirit will be the first love of this underground church.

The Bible is to be the rule book for the underground church, and all decisions to be made are to be prefaced with prayer and fasting. The Lord Jesus Christ is the only recognized head of the underground church, and the Holy Spirit's direction is to be the foundation of its operation. The members of the underground church need to be in one accord on any major decision; and should be constant in prayer in all things and for one another...

When war comes, each Christian is to make a careful thorough search to find all letters, notes, lists and photographs of, and from, Christians. Gather these in one place and destroy all duplicates. Ultimately, destroy or hide — records that, if found, could lead to members of the underground church. Use first names only, at all times, and at meetings.

When the Communist Commissars arrive, they will consider 'speaking the name of Jesus' as subversive. Preaching the Gospel of Jesus Christ will bring a thirty-year prison sentence and later, death. The Chinese will treat proselytizing as revisionist, and execute a sentence of death by beheading or burying alive.

Occupation will last about seven years — Prayer can shorten the time of occupation. The U. S. military units which are cut off from the main body during the war, or have

been bypassed or isolated, need to make a decision. The land will not be able to support large military units, so the men must form guerilla bands and go into hiding, or find civilian clothing and try to get back home. Surrendering, will automatically result in being deported to labor camps outside the Americas. The guerilla bands should not be larger than fifteen men per unit. Jesus told us not to discourage guerilla activity—but to encourage it—and that it be Christ centered in both purpose and attitude.

The Communists at first desired to kill off the entire U.S. population. This will prove not only impractical, but also beyond their means. They will attempt to enact and enforce a plan to Russianize the Americas. They will change the names of cities and towns to Russian names. They will uproot whole American communities and disperse them in Russian and Eastern block nations, while transplanting whole Russian families to the Americas. American Christian guerillas will thoroughly trouble these Russian families until they flee to Russian compounds for safety. The Russians will then seize and deport American men as slave labor into their own territory, leaving only a few men in some areas to fulfill the hard-labor tasks. American women will also be compelled to take on hard labor.

Russian leaders will plan to obliterate and totally submerge the American culture by encouraging their troops to take American women as wives. Single women will be compelled to take Russian men as husbands by a variety of ploys. Christian women, will form large families with many children [most of them orphans]; with one man as 'head of the household.' This will frustrate the Russianization plan. The children will be the ones who will realize God's promises of full restoration.

The Chinese will hold endless mock trials of Americans and execute tens of thousands for crimes against American people. Crimes such as being an Army Major, or owning a grocery store, or being the president of a corporation, or holding the office of mayor, and so on, will carry the death penalty. The Chinese and Japanese will launch a

massive re-education program, as will the Russians. Some Americans will indeed be re-educated and become supportive of the occupation forces. Through all of this be encouraged, for the hand of God is with us, and Jesus told us, "My body will never be denied the victory."

American families, captured soldiers, and men deported to eastern Europe or Russia or China will be made up of many born-again Spirit-filled Christians. Though they have gone out in chains, they are free in Christ, and will be empowered by the Holy Spirit for the work before them. Years may pass in captivity but the freedom we have in Christ is irresistible. Russia, its satellites, and Asia will be stirred up by and resound with the Good News of the Gospel of Jesus Christ. Some will be killed. These will have promoted ahead of us into Jesus' loving arms. For us, death holds no terror. Those who come through the deportation, will be sent back to the Americas. It is Jesus' promise that He will bring back home to this land most before He restores the land to us.

When the Communist commissars arrive in the first year of occupation, the sense or feeling of freedom from the bondage to the now dead and destroyed social system of the U.S. will end abruptly. A deep and seemingly sinister cloud of oppression and fear will blanket the Americas. It will almost feel like a physical force. Prayer time will become difficult. We will lose interest in reading the Bible and in daily prayer. Doubt will assail us. It will be demonic oppression. This demonic oppression will dampen the ardor of many Christians who depend upon feelings. We need to learn to pray by faith and not by feelings, to know God's Word and know it by faith in Jesus, to know that God hears our prayers. Come under the blood of Jesus, and stay under the blood of Jesus. Remain steadfast and trust in the Lord. Maintain a daily discipline of regular Bible study, prayer and meditation on the Word of God. Pray for one another, persevere.

The war and occupation will have the effect of a fiery furnace. The impurities in the Body of Christ, the division, the party spirit, the doctrinal feuds, the indifference, the

rebelliousness, all of these and more will be burned away by persecution. These things are in all of us, and not in any one person. But by God's grace, the Body of Christ can and will emerge united in love of Jesus and each other, obedient to God and mindful of the purpose for which we are called.

Indeed, we can hold onto our prejudices, our doctrinal bondage, our stiffneckedness, and we can also face yet another judgment!

During the occupation, we will find ourselves stripped of everything we have ever leaned on and will find that Jesus is absolutely all we need.

Jesus says... "I Am! The day is coming when you shall look up and see your deliverance at hand, for I shall come with a shout and hosts of heaven, and they shall surround you and your household, yes, even your land, and you shall come together as one in Me, even as I and the Father are One... My Word shall be in your heart; My hand upon your head. Many shall dream dreams and visions shall abound... I will deliver you from the hand of the enemy; I will drive out the occupying armies from the midst of the land and drive them into the sea—their front to the eastern sea and their back to the western sea... [there was much more on page 352.]

A number of Christians have assumed that this judgment is the 'Great Tribulation,' but it is not the Tribulation; it is judgment upon these United States for sin. Too often rapture is an excuse for our own laziness or unwillingness to face trials. Our job as Christians is to be obedient to the Lord each and every day.

Towards the end of the occupation, the Communist nations will plan to murder every known or suspected Christian under their realm of control. The Holy Spirit will move upon Jeffery [code name for the military leader who will lead the guerilla bands to take America back], and Jeffery will lead a small band of Christian men and women against a Russian military base in the Ohio valley area. They will go out full of praise for God, and the Russian Christians will join them; all the other enemy soldiers will be fear-struck

and will flee. Tattered, ragged guerilla bands will slowly emerge from the hills and wooded areas and join the tiny band, and the numbers of this Christian army will swell greatly. On one occasion they will be assembled in a hilly plain somewhere in Ohio, on a sunny day with out a cloud in the sky. The parched land will be brown from lack of rainfall, and this Christian army will be kneeling—and praying—seeking God’s guidance as they face the threat of a Russian air attack with nuclear bombs. As they pray, God the Father will speak in an audible voice and say: “Behold My Hand!” With this, a strong wind will spring up from the west, and dark clouds begin to appear out of nothing in the clear blue sky above. Then wind will be extremely strong; a number who stand will stumble to their knees; hats blown off, and the wind will begin to roar with an intensity that cannot be described. The very earth will shudder. Russian bomber aircraft will blow down, to crash and burst into flames. Aircraft on the ground in the east will be turned up and over and crushed. I saw the fuselage on many planes break into pieces, and wings ripped off. I watched hangers collapse and trees being uprooted.

Then lightening came streaking out of the sky, bolt after bolt, hundreds, then thousands of bolts of lightening struck, killing many soldiers and causing even greater destruction. Then came a heavy rain and even heavier hail. The whole of the eastern area of the former United States felt the impact of this furious storm. The Russians were not only dispersed but panic-stricken as well. The Russian air force in the Americas were destroyed. Yet I also saw the homes of Christians in these parts, with not a window broken, while other houses to the right and left were destroyed or damaged.

We are clearly aware of the fact that the Lord our God is indeed, mightily going to give this enemy into our hands. At that time we will be faced with a decision. Will we obey the Lord when He tells us to drive them into the sea? or will we argue with Him on that point? This army, coming through occupation, will obey the Lord when He says, “Drive them into the sea.” They will obey the Lord their God and the land will be free.

After this nation is restored, we will begin at last to judge ourselves and our nation according to God's Word. World laws will be founded upon His Word, and in His love; and we will deal mercifully with those who see mercy, and justly with those who have hardened their hearts against the Lord. Anybody involved with witchcraft or satan worship will be brought before the people and dealt with as the Lord instructed His people on Mt. Sinai. No longer are we going to allow evil to multiply in our midst.

At this time we are going to have a totally different outlook on satan and on sin. God takes a hard line against evil. He is merciful to those who seek mercy. He is a just and loving God. Yet, because we have allowed satan to overrun this land, and because we have backed off and been merciful to satan who has already been judged, for this some 197,000,000 people in this nation shall die in this coming judgment. [In 2000 there is an estimated 260 million people in the U.S.A.] Give satan ground in your life today and tomorrow you will reap a crop of death.

In this restoration, we will see a Church with more than just a few great leaders, or even many leaders; rather we will see the Church restored where all will function as priests and ministers unto the Lord. The head of the woman shall be man, and head of man, shall be Christ. Jesus Christ, will be our Shepherd, Lord and Ruler. He will be the Way, the Truth, and the Life. We will report to the Lord for our instructions, yet remain in loving submission to the whole body of Christ in the unity of the Holy Spirit.

The job of restoration will go on, which is 1st establish His Kingdom on earth; and another 2nd to drive satan into the bottomless pit."

Out of this war, occupation, and persecution, will emerge an army of spiritual battle-hardened Christians, an army of loving Christians clothed in the whole armor of God. Armageddon.... Satan is taken and thrown into the bottomless pit. The Kingdom of Heaven shall be established on earth and peace shall last for a thousand years [which is like one day to God]. [to page 357]

17.7 October 3, 1978, Prophetic Word, Judgment Is Set — I asked the Lord Jesus if this nation was beyond intercessory prayer — Jesus responded: “It is beyond intercession but never beyond prayer.” [page 325]

17.8 August 31, 1985, Prophetic Word, Accidental Nuclear Exchange — Jesus stated to Chuck, “My son, you will be watching December 14th, this being my will for it is vastly more dangerous than you realize now.” Here Jesus was referring to the date revealed years earlier, December 14th, which is the date for an accidental nuclear exchange between Russia and the United States.

17.9 October 15, 1985, Prophetic Word, Missiles & Accidental Nuclear Exchange — Jesus to Chuck, “There will be an explosion of terrible consequence – yet the greater explosion is stopped by this union in me... missiles will come, many will fall away, some will strike in fires of death and misery but you in union withstand most – you know.” ... accidental nuclear exchange to occur.

17.10 Invasion Details – Of The Map Of The U.S.A. — [Take special notice of the five major locations of safety zones: Northern New York, Northern Dakota, Northern Washington State, Central Arkansas, and Northern Florida, these are five places that God stated He will keep many alive.

Colorized version of Hand Map, by Paul

Basic Interstate Map of the Fighting Zones, alone. paul@survivalprimer.com

Roman numerals indicate estimated Modified Mercalli intensities for a 6.5 magnitude earthquake. Based on maps in W. Atkinson, 1989, *The Next New Madrid Earthquake*, Southern Illinois University Press

Map by Chuck Youngbrandt

Safety Areas — see map above, [horizontal lines] numbered 1,2,3,4, and 5. These are the ‘general areas’ that God the Father circled with His finger during the vision on the Mount of the Most High. It continues to mean to us that God the Father will provide food and lodging here for many Americans during the war. These are not to be confused with, ‘Green Pastures’ which are smaller areas of safety [some just a few acres in size] scattered across the nation. Many will be led by diving inspiration or angels to these

places when the need is most apparent.

Earthquake Zone — [lines slanting from North points to South East] Every city and town within this area can be expected to be destroyed or heavily damaged by the earthquake.

Underwater — [criss-crossing lines] Florida's southern half will be under water. Also some parts of southern Alabama and Louisiana will be under water. The exact areas are not known, but they are quite likely to be low lying areas close to sea level.

Fighting Zones — [bold lines with arrows] Generally speaking, everything within fifty [50] miles of these lines will probably be destroyed by advancing enemy forces. These areas will be combat zones, and battle routes, thereby the sites of many pitched battles. Unless the Lord distinctly leads you to stay in one of these zones, plan to move to safety, after the Chicago earthquake.

LAST U.S. Stronghold — [lines slanting from North points to South West] Here the U.S. Army surrounded by Russian, Chinese and Japanese and other nations armed forces will fight to the finish. Hutchison, Kansas salt mine is likely to be the headquarters for our government and President during the war after the fall of Washington, D.C.

Jesus had said that the Russian armed forces would invade the East coast, at two points North of New York City and three points South of New York City — and has since shown us that the main Russian invasion will take place at Slaughter Beach in the Bay of Delaware by 132,427 troops. A diversionary invasion force of some strength would land on the coast of Virginia. The other points [with question marks] are unknown to us and we strongly suspect that they are designed to seize airfields, as the Russians will make use of airpower to bring in troops and equipment in the early phase of the invasion and to support their drive inland.

The Chinese-Japanese invasions are widely dispersed, and due to Gods intervention,

their San Francisco beachhead will be wiped out. Yet later, they will re-take the city by land route from Los Angeles. You will note that Chinese troops will land in Mexico and cross the U.S. border towards San Diego.

You may draw a line in the Rocky Mountains, and in the Appalachian Mountain range [about half way between Pittsburgh and Harrisburg, Pennsylvania] to indicate the general line the U.S. Army will hold against the invaders in the winter of the year of the war...

While China and Japan will give us serious trouble — it will be Russia, who will be the strongest enemy we face in the war and the only one capable of bringing the United States down militarily.

While God is against us as a nation and a people, there is no hope of winning this war. The only hope the nation has rests in repentance, a change of heart, and turning to Jesus Christ wholly. [pages 375-377]

[Paul's Note, written in February, 2005: "Year" dates were added to the prophecies, after they were given. I have seen some such dates as around 2000 or 2002, or 2003, after none of the 70's or 80's, (or I assume, 90's dates) worked out. When the events did not happen on the dates given, the prophecies were thought not to be true.

The "year" dates had not been given as part of the prophecies.

Suffice to say that each "year" date given, so far, has not been the right one. There was to be teaching mixed with error, AFTER these initial writings. Such things as having a "school for prophets," of a "prophecy club," are, on their very face, not scriptural. I believe that these are true prophecies, given by true prophets.

It is not our place to judge other people. I believe God actually gave the vision, but it got "polluted," over time. The word was true, and I still witness to it, some thirty years after first hearing it. The Word of God is present in these papers, unpolluted, and He Has inspired them. Ask the Holy Spirit to show you, in Jesus' Name, what is actually true, and He will. I am praying that for you now, for each reader, as I type these lines. The author of this paper, at the end, will speak of more doctrinal problems that arose.]

17.11 1983, Vision, Accidental Nuclear Attack — When the Spirit of God took me up

'In The Spirit' on September, 1983 and placed me above the earth in outer space [the darkside of the earth] I was looking down on the earth [it was very dark and I could hardly make out land from sea initially] I saw the Russians accidentally fire off 12 ICBM's [each Russian missile has a minimum of 3 nuclear warheads, some as many as 10]. I also witnessed the frantic efforts of the Russian technicians to destroy the nuclear-tipped missiles roaring skyward. Many exploded in response to the self-destruct commands given by the Russians but some did not respond and continued the roar skyward.

The Lord God had placed me just above the area where the missiles would mirv [warheads break away from the main body and begin to move downtrack to different targets in the U.S.]. I witnessed many nuclear warheads come through and saw two things, the Hand of God destroyed some and at the same time we had some kind of satellite/s in orbit that fired something [whether it was a laser or some kind of missile I don't know] and now I saw nuclear warheads being exploded to bits, one after another. One warhead was hit by a glancing blow and though it was not destroyed it now wobbled off course — this nuclear bomb was headed for New York City but would now wobble off to the north, hitting and exploding in a valley near a place called "Jones Point, New York." This in effect spared New York City from being destroyed although it would be heavily damaged.

Following this I witnessed the remaining Russian nuclear bombs re-enter the atmosphere which burned like falling stars. Then all was quiet and the night darkness returned. Suddenly I saw and heard a "whomp" and a brilliant ball of fire exploded over a city [Lexington, Kentucky] then in quick succession three more "whomps" and three brilliant fireballs on the east coast of the U.S.A. [New York, New York; Richmond, Virginia; and Columbia, South Carolina.]

In September of 1983 God the Father shewed me the accidental nuclear exchange

between Russia and the U.S. and at the end of the vision He showed me the month of “December” as the time of year when this would happen. In 1989 Jesus told me that George Bush would be President at the time of the accidental nuclear attack. At no time did the Lord reveal what year this would happen.

17.12 March 15/16, 1989, Prophetic Word, Judgment Set/Accidental Nuclear Attack On Four Cities In America — Jesus to Chuck, “...yet for rebellion nuclear disaster cannot be stopped anymore.” [The four cities Chuck received that would be accidentally nuclear bombed on a December 14th, 20??: Lexington, Kentucky; Columbia, Carolina; Richmond, Virginia; and New York. Chuck goes into more details in his video available from The Prophecy Club®.]

17.13 Vision & Prophetic Word, Coming Events Summarized — The following is information given by God to His prophet, Chuck Youngbrandt. As described in Revelation chapters 17 and 18, judgment will come on Babylon the Great, and we believe it will commence very soon. We understand Babylon the Great to be America. The reasons for judgment are given within those verses and are obvious to all with a sense of God's point of view and His character. And, national moral error always has its national consequences. God judges nations while they are yet a nation. Chuck divides the judgment into a three year progression. [Example: If we assume the judgment would start in the year 2000. (not saying that it would for sure start this year)] It will progress into an enemy occupation of America lasting seven years. At the end of the seven years, the occupying armies will be driven out. Weatherwise the year will start with a very rainy spring. On June 9th it gets very hot and no rain with resulting crop failures. In October it will begin to be very very cold. There will be volcanic eruption on the west coast. A destructive hurricane will hit the New Orleans area in September, followed on

the 19th by an earthquake in St. Louis. This hurricane, [Sept in New Orleans,] is a sign that in the following December an accidental Russian firing of a nuclear missile attack on America will occur. While the Russians try to stop them, 4 get through. They hit Lexington KY, Columbia SC, Richmond, VA, and just north of New York City. The U.S. counter attacks and hits three Russian cities. In this year North Korea will attack South Korea, China attacks Taiwan. War again in the Persian Gulf where we loose. The stock market will start its fall in July and will result in one half the people being out of work with great inflation and coupled with food shortages, starvation will start. From other prophets like Dan Bohler, terrorist attacks will become common. The destruction of trains, planes, school busses, power plants and on and on. With our economy reduced, fuel will be in short supply. Food riots will start in August, August will be a real turning point. Those who are rebellious against God will now rebel against the government including the communists fifth columnists we have here. Military troops will have to be called out as a result. Some will repent but many will continue in rebellion. God said 90% of the rebellious and disobedient church people will die during this time. What sounds like germ warfare or at least a plague breaks out in California and Georgia killing thousands as it spreads, panic and fear will result. China and Japan buddy up closer in their economies, Japan out of fear, no doubt.

Example of the second year, 2001, weatherwise there is the very cold winter, some places no snow and others too much, -46 degrees in Chicago. Eighty percent of the homes in America will be without heat and with little food many will starve to death. Dead bodies will lie in the streets. It will reach 120 degrees by mid May. The year starts out in January with an earthquake in northern Iowa followed in February by another one in Boston and then they become very common throughout the year. In late spring God's prophets will go across the land calling people to repentance, many will repent. Electrical power will be rationed, this may be the result of the strange and powerful ejecta from the sun which can destroy power grid hardware like it did in Quebec in

1989, that little one cost 10 million to repair. Oil imports are cut off. Very little food. Again half the people out of work. Mexico and Canada restrict how many Americans can cross over. Fear, pain, and misery for the unbelievers. Miracles for the Christians, food increased, dead raised. At this time persecution of Christians will go wild with government approval.

Next during the third year, in the summer, July 5th, a mighty, very powerful earthquake hits Chicago, it will be heard for 500 miles around, knock people off their feet in Detroit. The water in Lake Michigan will rush to the north and then return 15 stories high and totally destroy Chicago. The water will continue down the Mississippi river valley wiping out all the cities in its path including New Orleans. Thirty days later, angels will tell the Christians where to flee, and seven days after, an all out nuclear attack will hit America. At this time in Florida most of the southern half of the state from Orlando south will go under ocean water, be gone. The U.S. Military will have received a death blow, very little military left. Two months later is the invasion. Russian troops land at Slaughter Beach, Delaware, they move on into Philadelphia where no one is alive from 3 neutron bombs. They take over many air fields and land a million in personnel. China, Cuba, Mexico, Japan, Nicaragua, Serbia, and one other country join in the attack. On the west coast the Chinese land and enter through Mexico with Mexican help and up into California, they also land at San Francisco. They land in Astoria, Oregon with mainly Japanese personnel. In California the Chinese are ordered to kill all Americans. They dig great holes with earthmovers and bury people alive. This is stopped by a battle in San Francisco where the Chinese general who promoted "death to all" was killed. Alaska was taken by the Russians and they killed everyone there. Hawaii surrendered to the Japanese. The Russians will take some Americans back to Russia for slave labor. Russia and China will plunder the land. Chuck saw busts of Karl Marx set up in churches and people worshiped him. As the seven years go by, children are sold for food. Chuck said at this time you could buy a child for a pack of cigarettes. Witches and

homosexuals will hunt Christians for food, cannibalism! Near the end of this occupation Americans were put on trains, told they were going to reeducation camps, and taken to slaughter houses where they were processed for food, again the satanic groups wish to kill millions of people. This is when the anointed Leader of the Land, by God's power, drives the invaders out. When this starts happening the "enemy" Christian soldiers that are here join with the Americans driving the others out. All totaled 70% of Americans will have died. Store food? YES! Shoot at the enemy when they come, one against the many? NO! Look to God always. Do not fear the enemy, fear God, Rev 14:7.

Jesus, why are you telling me this, Chuck asked. "That my children should prepare their hearts for these things and believe on me, for I am able to supply all your needs in every adversity. That you walk in faith and not fear. That you stand upon my promises and see them. That you abide in my love and know that I am the Lord thy God."

You may listen to Chuck Youngbrandt, Al Cuppett, Stanislav Lunev, Jeff Nyquist and many others on the Internet at www.prophecyclub.com.¹

[Author's note: The author of this complete document, upon hearing Chuck Youngbrandt's vision, decided to go to a large local library and locate any information on whether or not Chicago, Illinois has ever had a earthquake or any available information showing that there is a fault zone. To my surprise this is what I found:

Previous Earthquakes in the Mississippi Valley: "The earthquake known as the New Madrid earthquake was not the first felt in the region is shown by written records, by Indian traditions, and by geologic evidence. Recorded earthquakes/shocks — of the shocks felt by the early settlers the best summary is supplied by Drake, he names 5 earthquakes and the fifth being: 'The fifth and

only additional shock of which I have been furnished with any certain accounts, occurred in the southern neighborhood of Lake Michigan, at 10 minutes past 2 o'clock p.m. on the 20th of August 1804. At Fort Dearborn [Chicago] on the bank of the lake, it was severe. From the report of Capt. William Whistler, it must have been a stronger throe than any experienced at this place. It was succeeded by a short hurricane from the lake. At Fort Wayne [Indiana], lying considerably to the east-southeast, it was less violent. John Johnston, Esq. My informant, remarks that the day at the place was clear and warm without any unusual appearance. The general course of the earthquake was undoubtedly that of a line passing through those two forts. Geologic evidence — Evidence of shocks long antedating that of 1811 is very conclusive.”

Also, a number of other Christians have also received this major earthquake coming to the mid-west of the United States.

In addition, it came to my attention recently that the 1994 Bolivia 8.2 earthquake went ? miles down, cracked the earth's core. With the earth's core cracked, volcanoes can show up in cornfields I was told. You will need to check this comment out for accuracy.

In addition, on September 2, 1999 a 3.5 Richter earthquake shook Rockford, Illinois which is north of Chicago, Illinois showing activity, this was the strongest earthquake to hit there in 27 years [1972]

One other bit of information I think and feel I need to provide you with, has to do with a doctrine Chuck Youngbrandt has picked up along his Christian walk. At the time Chuck received the above open vision in the 1970's, I do not believe he had picked up this doctrine yet. He had picked the doctrine up by the 1990's. The doctrine is that Chuck believes and tries to get others to believe that “Adam is or was Satan.” Chuck does push this doctrine in his newsletters and I do only think

it is right to forewarn you. Now just because a person may have picked up a false doctrine, unless that false doctrine is involved in basic Christianity, like the Cross of Calvary or the Blood of Jesus for salvation — where we must go through Jesus Christ, well if it is not of this truth, than I am under the impression that God will not send a person to Hell over it. I am by no means any expert on this subject, however, it does appear that God will not send you to hell over certain false doctrine, but I would seem to think that would have some limits to it... for if you tried to mess around with salvation truths... you may lose your salvation, however, the many many other doctrines... there seems to be some grace applied. As we all know, most churches have false doctrines or beliefs which are not biblical, so in that case most people in those churches would go to hell. I think not, grace is being applied here by God, lest no one be in heaven. Yes, it has been brought to Chuck's attention, and some proof has tried to be provided that this doctrine could not be possible, but Chuck refuses to let it go. He also believes that the Devil and Satan are two beings, this doctrine may have some merit to it, for the verse in Revelation 12:9 may support it or not. Let each of you beware of these doctrines now, ahead of time lest you fall into what appears to be false doctrines. The Gifts of God come without repentance, meaning Chuck may have heard correctly from God regarding this major Chicago earthquake and invasion, and yet have picked up false doctrines along the way, as other great men and women of God have done; for this reason I will not omit his open vision.

These are the fighting zones: [bold lines with arrows] Generally speaking, everything within fifty [50] miles of these lines will probably be destroyed by advancing enemy forces. These areas will be combat zones, and battle routes, thereby the sites of many pitched battles. Unless the Lord distinctly leads you to stay in one of these zones, plan to move to safety, after the Chicago earthquake.

The Chinese – Japanese forces landing on the Baja California, Mexico, area will move over the border to Los Angeles, California, and from there east to Phoenix, Arizona, to Tucson, Arizona; to Las Cruces, New Mexico, to El Paso, Texas. The Chinese will send

another force from Los Angeles up the coast to San Francisco, and advance from there to Reno, Nevada; to Winnemucca, Nevada — to Salt Lake City, Utah; to Rock Springs, Wyoming to Cheyenne, Wyoming, to North Platte, Nebraska, to Grand Island, Nebraska.

LAST U.S. Stronghold Here the U.S. Army surrounded by Russian, Chinese and Japanese and other nations armed forces will fight to the finish. Hutchinson, Kansas salt mine is likely to be the headquarters for our government and President during the war

after the fall of Washington, D.C.

These are the fighting zones: Russians forces will split into two main army fronts past Wilmington, Delaware. The main force will move from Philadelphia west to Harrisburg, Pennsylvania, and from Pittsburgh to Cleveland, Ohio, and from Cleveland generally west... The second force will move west from Pittsburgh to Columbus, Ohio, then to Indianapolis, Indiana, and then to St. Louis, Missouri.

The Soviet forces moving south will advance from Philadelphia to Baltimore, Maryland; to Washington, D.C.; to Richmond, Virginia; to Raleigh, North Carolina; to Columbia, South Carolina; to Knoxville, Tennessee, and to Nashville, Tennessee. The second

force will move from Greenville to Atlanta, Georgia and to Montgomery, Alabama.

Though not in the text, the original Hand Map showed a line from Knoxville, Tennessee, to Cincinnati, Ohio. As well, it looks like they go through Asheville, North Carolina, at some point, from the way the map runs.

Again, files you can upload to your hard drive

Still Under Construction.

Rough draft, free flow of ideas section.

I have been in many areas of this country that might one day be Green areas, or areas of Safety. Most of the mountainous chains of this country will be hard to occupy. People can live and move freely through most of them. I live near the Appalachian Mountains, and I feel sure there will be American people there for years,

if this country should be invaded. Look for me there, if things should get bad.

Will continue with this...

be confused with, 'Green Pastures' which are smaller areas of safety [some just a few acres in size] scattered across the nation. Many will be led by diving inspiration or angels to these places when the need is most apparent.

With the arrival of occupation, we will be living in what can be described as a news blackout, as there will no longer be television, radio, newspapers, or magazines. Christian communities in 'green patches' and this underground church will be the only source of real news [outside of occupation news reporting]. Christians will find themselves relying heavily upon the word of prophecy, upon the Holy Spirit of Jesus to know what to do. For instance, some people may want to return to homes left behind—they should seek the Lord in prayer and fasting. The countryside in all of the Americas will be radioactive wasteland in many places. It will remain that way for years. We will need to rely heavily on the word of prophecy in the Body of Christ at this time—. The Lord will speak to us, giving us explicit directions when asked. Submit humbly, to right authority in the occupation forces and in your churches.

What might 300 miles around the Chicago Earthquake look like?

Earthquake Zone — lines slanting from North points to South East] Every city and town within this area can be expected to be destroyed or heavily damaged by the earthquake.....

[OnePageChiQuake_PDF.pdf](#)

Over the years since 1973, the Lord by His Holy Spirit has continued to give a deeper understanding of this disaster of disasters. Today, we know that Chicago will be the center of an earthquake that will have an approximate destructive radius of 300 miles. We believe it will be the worst earthquake ever recorded in human history, second to none in destructiveness. The cities that will be flattened by this earthquake will be Chicago, Illinois; St. Paul, Minnesota; Milwaukee, Wisconsin; St. Louis, Missouri; Louisville, Kentucky; Indianapolis, Indiana; Detroit, Michigan; Toledo, Ohio; Cleveland, Ohio; Columbus, Ohio; Cincinnati, Ohio; and Kansas City, Missouri. Southern Ontario and part of southwestern Quebec, Canada, will be obliterated by the waters of the Great Lakes as they "backwash" and just before they return as a wall over Chicago and other areas. The Lord, by the Holy Spirit, revealed that the sound of the cracking of the ground or fault will be so fierce that windows will be shattered in Des Moines, Iowa, some 316 miles from Chicago. When the earthquake hits, people will be knocked off their feet in Detroit and trees will fall out of the ground in St. Louis, some 269 miles from Chicago --- literally, the whole continental mass will tremble. [Chicago Prophecies](#).

July 5th — One summer day, at twelve o'clock noon, the Midwest will be devastated by one of the most destructive earthquakes in recorded history. After the earthquake and subsequent flooding by the Great Lakes, there will be left intact, whole Christian communities much like islands in a sea of destruction. Survivors will stumble in shock into these areas.

Christians are to receive the injured, tend to their wounds, feed the hungry. In the Midwest, after the earthquake, most survivors will be children. The earthquake destroys Chicago, Illinois and Midwest [most destructive earthquake in recorded history. For those outside of the Midwest earthquake zone, news of this earthquake will be warning enough.

Now, within thirty-seven days, Russia, China and Japan will attack this nation. Anyone living within an area where there is a major airbase, naval base or missile installation located should consider leaving. The Lord will warn, mostly with angels, and yet those who have a personal relationship with Jesus will get a word from Jesus directly, as He wills.

We can not and will not win this war. God's hand is against this nation. We will be overcome as a nation, we will

be humbled in defeat and occupied. Many who will take their lives in these times. [Chicago Prophecies.](#)

Next during the third year, in the summer, July 5th, a mighty, very powerful earthquake hits Chicago, it will be heard for 500 miles around, knock people off their feet in Detroit. The water in Lake Michigan will rush to the north and then return 15 stories high and totally destroy Chicago. The water will continue down the Mississippi river valley wiping out all the cities in its path including New Orleans.

Thirty days later, angels will tell the Christians where to flee, and seven days after, an all out nuclear attack will hit America. At this time in Florida most of the southern half of the state from Orlando south will go under ocean water, be gone. The U.S. Military will have received a death blow, very little military left. Two months later is the invasion. Russian troops land at Slaughter Beach, Delaware, they move on into Philadelphia where no one is alive from 3 neutron bombs.

They take over many air fields and land a million in personnel. China, Cuba, Mexico, Japan, Nicaragua, Serbia, and one other country join in the attack. On the west coast the Chinese land and enter through Mexico with Mexican help and up into California, they also land at San Francisco. They land in Astoria, Oregon with mainly Japanese personnel. In California the Chinese are ordered to kill all Americans. They dig great holes with earthmovers and bury people alive.

This is stopped by a battle in San Francisco where the Chinese general who promoted "death to all" was killed. Alaska was taken by the Russians and they killed everyone there. Hawaii surrendered to the Japanese. The Russians will take some Americans back to Russia for slave labor. Russia and China will plunder the land. Chuck saw busts of Karl Marx set up in churches and people worshiped him. As the seven years go by, children are sold for food. Chuck said at this time you could buy a child for a pack of cigarettes. [Chicago Prophecies.](#)

CHICAGO PROPHECIES EMAIL, JULY 2006

Jesus, why are you telling me all this, Chuck asked.

"That my children should prepare their hearts for these things and believe on me, for I am able to supply all your needs in every adversity. That you walk in faith and not fear. That you stand upon my promises and see them. That you abide in my love and know that I am the Lord thy God."

HOW I HEARD ABOUT THEM

Back in the 70's, while in a prayer meeting, soon after I left the Army, Bill, the leader, said that he had heard some tapes like "what you are always talking about, Paul."

Years prior I had a vision, before I knew what a vision was, of walking through a devastated United States.

Bill further stated that the guys on the tape had prophesied an economic agreement between China and Japan, that had just come true. They further said that the supposed economic pact was actually a mutual defense pack.

I am not going to give you many further details, on this page, of the prophecies.

Some have been moved to laughter, by these matters. That being as it may, I have continued to pull the prophecies out, from time to time, over the years.

As stated, the originals, are posted on my web page, Vision, A Call to Arms.

HOW THINGS STARTED

Chuck Youngbrandt and Cliff Collins, from Chicago, had put out cassette tapes of what the Lord had showed them. They were led to call them the "A Call to Arms" tapes.

The form of the posted written prophecies follow closely the "A Call to Arms" tapes. If anyone has an audible copy of them, please let me know. paul@survivalprimer.com

There were few computers back then, and no internet. Tapes were often copied from person-to-person, by placing them side-by-side, in a room. Did not work well, after several copies. Fidelity went out the window of the room they tape-copied in.

EARLY MATERIAL.

Some of the written passages from the prophecies are there because they were originally tapes. Describing the Fighting Zones is one example. On another page, I will attempt to expand the description.

The Hand Map was just that, a black-and-white map. I used to have one, but let others peoples disdain effect my judgment. On the previous page, I posted a scan I did find the last time I asked people for info from those days. It was colorized and fixed up, by myself, over time.

TO CHICAGOLAND

After leaving the Army, US Berlin Brigade, I became a Civilian Dept. Of Defense employee, doing the same job, for a while. Not really for me, I left the Government after less than a year.

While there, I continued the investigation of the A Call to Arms tapes that had begun, in the months after leaving the Army. At Fort Meade, I began to tell people about the Prophecies, and found many of the same mind, who had never heard them.

One of the Various-Security-Services-members I knew back then told me that they could not "confirm or deny" any of what I talked about, but that "I was closer to the truth than I knew."

That statement sort of scared me. I was new to this Prophecy business, and to "hearing the voice of the LORD."

THE NEW FEAST

One of the things that happened during those years was that they called a meeting, called the "New Feast," in Chicago. It was called to network, and try to get ready. The Prophets had set the first of many dates, July 5th, 1977 as the date for the Chicago Earthquake. That date, and many others they set, came and went to no event. I still believe the prophecies to be true, as first given.

The truth of that will, or will not show itself, in time. For now humor me, you may never need any of these papers I have posted. You can also laugh at me, I won't mind. Rather that they never be needed, than needed, and not posted.

TO CONTINUE..

I "felt led," as some put it, to take some time off to attend the New Feast. Having heard about it from an audio tape, I lacked details as to how to get there. As I remember, it was in Des Plaines, Illinois. They did give an address to write to.

What I did, on what turned out to be God's leading, was to get everything ready for the trip to Chicago, in my little Blue Volkswagen Bug. Figuring how long it would take from Maryland, to Chicago, I got everything ready. When all was done, the Lord said.

"Now lay down, the mail will come at 2 PM with the directions, and you can go."

Laying down on the floor, to sleep, as I did in those days, I was awakened to the sound of a letter hitting the floor.

The letter was a packet with tickets and directions to the New Feast. Enough about that, now. I did meet both Chuck Youngbrandt and Cliff Collins, the two being a pair of prophets, at that time. They did make tapes of that meeting, which I no longer have. If anyone out there does, contact paul@survivalprimer.com

DISPELLING A RUMOR.

Chuck and Cliff had made a road trip from Chicago to Washington to try to talk to President Carter, in those years. They had hiked, carrying back-packs, but could accept rides, and places to stay, along the way.

At least one person around here is adamant that I hiked out of Maryland to North Carolina, with my backpack. That never happened. The person, even when I tell them I did not, still tells others I did. Go figure. I guess that is how legends get started.

Another asked me point blank, if my first name, last name, or middle name, was Jeffrey. They were asking me if I was the "Leader of the Land," anointed by the above two prophets on their travels. Nope, not me, wrong again.

Well, that gets me to Chicago in the seventies, enough for now.

Will continue with this...

Posting Map Discussion and Fighting Zones Text in this next section.

Map by Chuck Youngbrandt

Safety Areas — see map above, [horizontal lines] numbered 1,2,3,4, and 5. These are the 'general areas' that God the Father circled with His finger during the vision on the Mount of the Most High. It continues to mean to us that God the Father will provide food and lodging here for many Americans during the war. These are not to be confused with, 'Green Pastures' which are smaller areas of safety [some just a few acres in size] scattered across the nation. Many will be led by diving inspiration or angels to these places when the need is most apparent.

Earthquake Zone — lines slanting from North points to South East] Every city and town within this area can be expected to be destroyed or heavily damaged by the Earthquake.

Underwater — [criss-crossing lines] Florida's southern half will be under water. Also some parts of southern Alabama and Louisiana will be under water. The exact areas are not known, but they are quite likely to be low lying areas close to sea level.

Fighting Zones — [bold lines with arrows] Generally speaking, everything within fifty [50] miles of these lines will probably be destroyed by advancing enemy forces. These areas will be combat zones, and battle routes, thereby the sites of many pitched battles. Unless the Lord distinctly leads you to stay in one of these zones, plan to move to safety, after the Chicago Earthquake.

LAST U.S. Stronghold — [lines slanting from North points to South West] Here the U.S. Army surrounded by Russian, Chinese and Japanese and other nations armed forces will fight to the finish. Hutchison, Kansas salt mine is likely to be the headquarters for our government and President during the war after the fall of Washington, D.C.

Jesus had said that the Russian armed forces would invade the East coast, at two points North of New York City and three points South of New York City — and has since shown us that the main Russian invasion will take place at Slaughter Beach in the Bay of Delaware by 132,427 troops. A diversionary invasion force of some strength would land on the coast of Virginia. The other points [with question marks] are unknown to us and we strongly suspect that they are designed to seize airfields, as the Russians will make use of air power to bring in troops and equipment in the early

phase of the invasion and to support their drive inland.

The Chinese-Japanese invasions are widely dispersed, and due to God's intervention, their San Francisco beachhead will be wiped out. Yet later, they will re-take the city by land route from Los Angeles. You will note that Chinese troops will land in Mexico and cross the U.S. border towards San Diego.

You may draw a line in the Rocky Mountains, and in the Appalachian Mountain range [about half way between Pittsburgh and Harrisburg, Pennsylvania] to indicate the general line the U.S. Army will hold against the invaders in the winter of the year of the war...

While China and Japan will give us serious trouble — it will be Russia, who will be the strongest enemy we face in the war and the only one capable of bringing the United States down militarily.

While God is against us as a nation and a people, there is no hope of winning this war. The only hope the nation has rests in repentance, a change of heart, and turning to Jesus Christ wholly. Chicago Prophecies.

Advice — If you see U.S. armed forces appear to be entrenching themselves in or near your town or city, pack up and leave. If possible, avoid remaining in battle zones. For civilians again, the war will have two forms. (1) the fighting zones and (2) the by-passed zones. Fighting zones can be described as the general line along which invading armies will advance, and the general line along which the U.S. armed forces will resist them. Since fighting will no doubt be in tense, most surface structures [homes, factories, etc.] will be either heavily damaged or totally destroyed anywhere within fifty miles of a fighting zone. By-passed zones are just that, areas beyond the fifty mile zone where there is likely to be little or no fighting. It can be expected that invading army units will arrive even in by-passed areas, both during and after the war.

Civilians, do not resist the invaders. Head for your basements, remain in a corner of the basement until the troops go by. If there is house-to-house fighting, remain in your basement; and it or when you hear troops enter your home, — begin to sing a good loud hymn, and don't move. Chicago Prophecies.

These are the fighting zones: Russian forces will split into two main army fronts past Wilmington, Delaware. The main force will move from Philadelphia west to Harrisburg, Pennsylvania, and from Pittsburgh to Cleveland, Ohio, and from Cleveland generally west... The second force will move west from Pittsburgh to Columbus, Ohio, then to Indianapolis, Indiana, and then to St. Louis, Missouri.

The Soviet forces moving south will advance from Philadelphia to Baltimore, Maryland; to Washington, D.C.; to Richmond, Virginia; to Raleigh, North Carolina; to Columbia, South Carolina; to Knoxville, Tennessee, and to Nashville, Tennessee. The second force will move from Greenville to Atlanta, Georgia and to Montgomery, Alabama.

On the West coast, Chinese forces will advance from the beaches of the State of Washington to Olympia, Washington, moving due south to Portland, Oregon, and from there to Pendleton, Oregon and to Boise, Idaho. The Chinese – Japanese forces landing on the Baja California, Mexico, area will move over the border to Los Angeles, California, and from there east to Phoenix, Arizona, to Tucson, Arizona; to Las Cruces, New Mexico, to El Paso, Texas. The Chinese will send another force from Los Angeles up the coast to San Francisco, and advance from there to Reno, Nevada; to Winnemucca, Nevada — to Salt Lake City, Utah; to Rock Springs, Wyoming to Cheyenne, Wyoming, to North Platte, Nebraska, to Grand Island, Nebraska. These are the main fighting zones. By checking a Road Atlas, you can quickly see the main highways they will follow, and whether or not your dwellings are in a fighting zone or a by-passed zone. Although there will be others, these are the major lines along which most of the battles will take place. No nuclear weapons will fall in the areas devastated by the Earthquake.
