Notes: No where in the scriptures does it say there is a 7 year tribulation, EXCEPT Dan 9:24 talks about a Seventy Weeks dream where 1 week = 7 years. The "last week" aka 7 years is a **time of trouble**.

I built previous timelines on the Jewish 3rd temple and the calculations from Daniel. I have since been corrected and through footnotes and a spiritual experience to know this is not about a Jewish temple, but an LDS temple. This will condense the previous timeline from 2023.5 starting the last 7 years, to 2020 starting the last 7 years. We are no longer waiting for the 3rd Jewish temple to be announce or built.

The Daniel 11:22 verse is talking about the prophet on the earth - that is an LDS prophet! Verse 31 says "daily sacrifice" - J.S. said that is our temple worship.

Dan 11:30 says the 8th king has intelligence with those who have forsaken the holy covenant. That's the current apostates! Jews don't have apostates because they do not have those who have denounced their membership after being endowed. The 8th king has no control over the people of Israel, just the U.S. which is where the bulk of the Saints reside. In Dan 11:35 Many will be tried and made white. The footnote for try is the Zech 13:9 where he calls them "my people". This is the LDS Saints.

Dan. 11:17-19, two kings (presidents) before the 8th king comes into power. Die within days of each other. That is a clue as to who #8 is and don't trust them!
