

# 8 Kings

By Shelle McDermott  
December 2020

The Presidential Election has not been decided yet...do the scriptures tell us who will prevail?

What is different between this file and previous files?

The Daniel description showed 8 kings, but since there was not a description for the two who will perish, I just set it back to Reagan. It is in Ezra's Eagle that we see the description of "two who were set up to rule, but rule not" that I needed to make a spot for them and remove Reagan and Bush, Sr.

The description of the war in the Middle East between the U.S. and Iraq I thought was the Gulf war with Bush, Sr., because it was the first war, however, the small passage that "cast down thousands" gave further insight that it was Bush, Jr. with the Iraq war because only a handful was killed in the Gulf War.

Ezra's Eagle will give us the fullest description of the last eight kings, so I repositioned the kings using that vision first. It brought about the insight that four kings will die in quick succession ending with the Anti-Christ in power.

Because of the error that Bush, Sr. was the "he-goat" who went to war with the "ram", the little horn seemed to naturally fall on Trump, but once the he-goat was moved to Bush, Jr., the little horn fell on Obama. There is a scripture that says the little horn is also the Anti-Christ. (Daniel 7:21)

## Part 1 – Introduction

There are three prophets who have recorded descriptions of 8 kings or presidents of a mighty nation that will culminate in the 8<sup>th</sup> king being the Anti-Christ just before the Savior returns.

Many other authors portend that these verses are from the time of Daniel’s history with successive kings and queens, but three different times, the scriptures say these are for the end-times! The fact that #8 king is the Anti-Christ should tell a reader that this is about the end-times! At the end of this document are the scriptural references showing these kings/presidents are from the end times.

I noticed I had to have all three accounts to make the proper interpretation.

### The three prophets are:

John the Revelator from Chapter 17 of Revelation

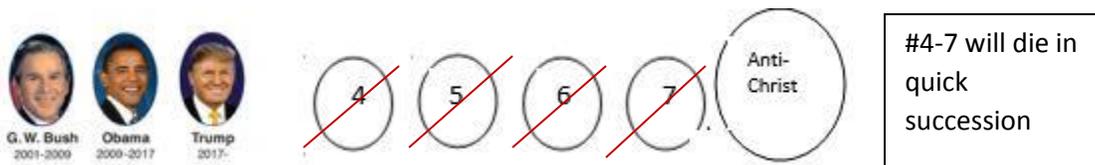

Daniel in Chapters 7-11

Esdras in Chapters 11 and 12 in The Book of Esdras from the Apocrypha

It is important to note that Esdras was a contemporary of Daniel. He was actually told in his vision to go ask Daniel about the interpretation because Daniel had the same kind of dream. The reason Esdras was not put in the Bible was because the ancient texts were considered a duplicate of Daniel’s work. I am using the KJV version of his chapters.

I am going to give you the answers to begin with and work back from there rather than giving you all the clues and leaving you to wonder what I am talking about for the next hour.

### Here is a list of the last eight kings:

Here are the descriptions of each king:

**#1 – George W. Bush, Jr. is the “He-goat”.** This is the king that went to war with the middle east and “cast down thousands”. From this king/president 4 notables came out of his broken horn. (Verse-by-Verse is after this Overview.) DESCRIPTIONS OF THE HE-GOAT:

- Came from the west. (U.S.)
- He had a notable horn between his eyes. (symbolic)

- Smote the ram - king from Middle East area. (Saddam)
- There was no power in the ram and the goat stamped on him.
- The he goat waxed very strong, but his horn broke and 4 notables/presidents came out of it.
- The “Little Horn”/Anti-Christ will come from one of those 4 notables.
- The ram is from Media and Persia (Iran/Iraq/Afghanistan).
- He-Goat is the king of Grecia. Grecia is the U.S.
- From Esdras, the first king of 8 is Bush Jr., after the first 12 kings were identified to help us count from which president served twice as long as all the others.

#2 is Obama. Descriptions of #2:

- Ch. 11:11 starts describing the 8 contrary feathers (kings/presidents). Once Bush, Jr. was identified as #1, we could see that Obama is #2.
- He had a great time.
- No one after him will serve more than 4 years, and most will serve less than 4 years.

#3 is Trump. Description of #3

- Esdras 11:18, Then arose the third, and reigned as the other before, and appeared no more also.

#4 is Biden.

- Esdras 11:21, For some of them were **set up**, but ruled not.
- Esdras 11:26 And I beheld, and, lo, there was one **set up**, but shortly it appeared no more.

#5 is Harris.

- And the second was sooner away than the first.

#6 is possibly Trump/Flynn (Because this supports what the visionaries saw.) If not, then this is the speaker of the house. When presidents die, there is no election, but succession, or military selection if fraud is discovered.

- After Harris, it says: and, lo, the two that remained thought also to themselves to reign, then it woke up the heads. (US/China/Russia).
- Esdras 11:31, And behold, the head was turned with them that were with it, AND DID EAT UP THE TWO FEATHERS UNDER THE WING THAT **WOULD HAVE REIGNED**.
- After this, the Esdras 11:33, the middle head (U.S.) appeared no more.

#7 is the next president, who is the “raiser of taxes”, but dies within days. #8 comes in as a world leader, the Anti-Christ, not by election or by succession but by flatteries.

- Raiser of taxes.
- Dies within days.
- Esdras 11:34, But there remained the two heads, which also in like sort ruled UPON THE EARTH and over those who dwelt therein.
- Small Kingdom, full of trouble.
- This is #8 WHO WAS ONE OF THE 7 AS PER REVELATION 17. ONE OF THE PRESIDENTS COME BACK TO BE THE ANTI-CHRIST.

### The descriptions of the Anti-Christ:

- Vile person.
- Comes in after the raiser of taxes who dies in a few days.
- President during an invasion in his own land.
- In a league who work deceitfully.
- Strong with a small people.
- Gives away America's wealth. Divides up the riches with the people.
- Will be destroyed by those who were in it with him.
- Heart is against the holy covenant.
- Goes to war in the Middle East.
- Ships of Chittim stop him (Ezekiel's wheel: 10 tribes)
- Returns to have intelligence with apostates.
- Uses force, pollutes the temple, closes the temples and "places the abomination"
- Exalts himself and speaks against God.
- No regard for Go and no desire for women.
- His god is the god of forces.
- Causes many to worship a strange god.
- Starts Armageddon, many countries overthrown.
- His own land is invaded.
- He returns his troops from the Middle East. He shall come to an end.
- Understands dark sentences (riddles).
- Destroy wonderfly.
- Will prosper.
- Destroys the mighty.
- Stands up against Christ and is broken.

### Descriptions from some of the Visionaries:

- Bishop Koyle saw a Republican president is assassinated around the time they implement the dollar devaluation. (Which is the dollar reset already set up for 2021 by the institutions.) . He saw them look up and down the country everywhere to try to find a man to take his place and they would not be able to find one and the nation wandered in chaos. (4 Presidents in a short time are killed.)
- Mena Grebin last September says there is something wrong with the ballots, it takes a long time to figure out why, then she sees Trump writing a letter to the people accepting the invitation to come back in.
- David Warwick saw a false flag event and everyone is sent to the basement of the White House and the bottled water is poisoned. Trump is "accidentally" killed.
- Dana Coverstone sees Biden in a coffin and a few days later, Kamala is taken out.
- Dreams of Zion sees Trump serving part of a second term.

- Joseph Smith says the dollar devaluation is the next great trouble in America, it will cause a Civil War, then we will be so weakened by the Civil War we will be invaded.
- Cardston Prophecy says WWII is in the Pacific Ocean with China.

## VERSE BY VERSE

### Part 2 – Revelation Chapter 17

#### Who is the beastly system?

#### The Anti-Christ is one of the previous 7 Presidents.

You will need to get your scriptures out and follow along.

In verse 1 we see where the 7 angels with 7 vials are looking down on the earth and can see the “**whore**” that sitteth upon many waters (earth).

The whore caused many kings of the earth to join her. (Babylon, New World Order) The whore is the great city that reigns over the earth.

The whore was sitting upon a scarlet colored “beast”, having 7 horns and 10 crowns.

- *The scarlet is in reference to v. 4 how the **woman was arrayed in purple and scarlet decked with gold and precious stones having a golden cup.***
- *These are the colors and objects of the Catholic Church. In the early days of governments, the Catholic Church was very prevalent in the affairs of governments and instrumental in writing laws for these countries. Although the United States rejected having a government sponsored church, many of the laws come from these Judeo-Christian values.*
- *The Catholic Church and others stemming from her are instrumental in the building of societies, but they are also instrumental in killing prophets, saints and martyrs of Jesus.*
- *King James broke away from the Catholic Church and started the Church of England, using the King James Bible to lessen the grip the Pope had on his country.*

*The **7 heads are a reference to the 7 mountains** which is where the city “Mystery Babylon” would be.*

***Mystery Babylon is a city that was not discovered** during the time John was having his vision. At the end of the chapter, he states: The woman is the **great city that reigns over the earth.***

***Washington, DC was built on 7 hills: (Washington, D.C., built on Capitol Hill, Meridian Hill, Floral Hills, Forest Hills, Hillbrook, Hillcrest, and Knox Hill.)***

***This is the seat of the New World Order, the beastly system!***

## Who is the Anti-Christ?

### Revelation 17:10

And there are **seven kings**: five are fallen, and **one is**, and the **other is not yet come**; and when he cometh, he must continue a short space.

*At first this seems "tricky" but if it is laid out right, you can follow it!  
Five kings (presidents) have fallen (finished). (#1-#5)  
One is. (#6)  
Other is not yet (#7) and short space.*

11- And the beast that was, and is not, even **he is the eighth, and is of the seven**, and goeth into perdition.

***The Anti-Christ is one of the 7! Someone who has been a president comes back in!***

Who helps the Anti-Christ obtain his power?

12 And the 10 horns are 10 kings, which have received no kingdom as yet; but receive power as kings one hour with the beast.

*I see these are the wealthy people (billionaires) who have the power and money as kings, but no Kingdom!*

- *Soros (leftist causes),*
- *Gates (world depopulation, vaccinations),*
- *Bezos (Media, Washington Post, Owner of Amazon),*
- *Zuckerberg (Face Book, suppression of Information), (Google, Twitter, etc.,)*
- *Illuminati (banking),*
- *Deep State (Military Complex)*

***AND MANY OTHERS WHO WANT TO TAKE AMERICA DOWN FOR A NEW WORLD ORDER.***

The rest of the chapter describes how the 10 kings hate the "whore" (religion) and will make her desolate and exposed. God is going to allow this for his purposes.

**Chapter Heading:** *John is shown that Babylon the great, the mother of harlots and abominations, has become established throughout the earth.*

v1 - The seven angels with the 7 vials (to destroy the wicked) are looking upon the whore that sitteth upon many waters. This is an important clue that this is many nations affected by this "Babylon".

v2 - This whore has caused other kings of the earth to join in with her.

v3 - Sees a woman sit upon the scarlet-colored beast, full of names of blasphemy, having 7 heads and 10 horns. Read more for the description of these 7 heads and 10 horns.

v4 - The woman was arrayed in purple and scarlet color, decked with gold and precious stones and pearls having a golden cup. This is representative of the Catholic Church, however, she is riding the beast, she is not the beast. The influence of this church in history is unparalleled when it comes to governments, especially the early years in England.

v5 - Upon her head was a name "Mystery Babylon the Great, the mother of harlots and abominations of the earth"... Mystery Babylon is a city that was not discovered during the time that John the Revelator was having his vision.

v6 - The woman is drunken with the blood of the saints and with the blood of martyrs of Jesus- The Catholic Church and any stemming from her were very instrumental in keeping the scriptures from the masses and would kill anyone who dared to memorize the verses or breakaway and become another voice for Christianity. Her influence would continue as she would ride the beast, she is more than just a church, she is the structure of governments.

v7 - John is being told who the woman and the beast (with 7 heads and 10 horns) are.

v8 - The beast he saw "was" in the vision, but "is not" yet discovered, and shall ascend out of the bottomless pit, and go into perdition (the verdict for those who follow Satan)

v9 - The 7 heads are 7 mountains - Washington, DC (Washington, D.C., built on Capitol Hill, Meridian Hill, Floral Hills, Forest Hills, Hillbrook, Hillcrest, and Knox Hill.)

v10 - And there are 7 kings: five are fallen, and one is, and the other is not yet come; and when he cometh, he must continue a short space. This is the insight to the last 8 kings. Although it says seven, the next verse tells us there is an 8th one, who is one of the 7, and is the Anti-Christ.

*At first this seems "tricky" but if it is laid out right, you can follow it!*

*Five kings (presidents) have fallen (finished). (#1-#5)*

*One is. (#6)*

*Other is not yet (#7) and short space.*

*v11 - And the beast that was, and is not, even he is the eighth, and is of the seven, and goeth into perdition.*

*(Now we know #8 is the AC and this is the last of those kings = end times)*

Can we figure out who the other 7 are? Yes, in Daniel and Esdras.)

v12 - And the 10 horns are 10 kings, which have received no kingdom as yet; but receive power as kings one hour with the beast.

v13 - These kings have one mind, and shall give their power and strength to the beast (New World Order, Babylon)

v14 - They shall make war with the Lamb, and the Lamb shall overcome them....eventually. We will feel the persecution from them. Those who are with Christ are called, chosen and faithful.

v15 - The waters are the peoples, and nations.

v16 - The 10 horns, shall hate the whore (Catholic Church and any churches stemming from her) and make her desolate and exposed.

v17 - God is going to allow this for his purposes.

v18 - The woman is that great city which reigns over the kings of the earth.

## Daniel Chapter 7

This is an introduction to the “Little Horn”.

It starts out by describing 4 nations. The fourth is the U.S. The 4<sup>th</sup> beast has 10 horns. *Those are not the same horns that were kings with no kingdoms.* This is in reference to the last 10 kings/presidents who will reign.

It says:

8 I considered the horns, and, behold, there came up among them **another** little horn, before whom **there were three of the first horns plucked up by the roots**: and, behold, in this horn were eyes like the eyes of man, and a mouth speaking great things.

10 horns, + 1 stout horn = 11, then you minus the three who were plucked out you have 8

**Notice the description of the Little Horn is also descriptions of the Anti-Christ.**

- He will be one of the 4 presidents/notables from the He-Goat. The He-Goat is the first president to go to war with the Middle East that will cast down thousands. (Bush Jr., The Iraq War) v. 8-9
- He will wax strong with exceeding greatness around the world (famous).
- He will magnify himself. v. 11
- The temples will close the first time under him. V. 11
- Through his policies, he shall cause craft to prosper in his hand.
- It says he “plucked up 3 others”, there is a succession of 3 kings that dies before he gets into office.

*Note: Although these are descriptions about the Little Horn, it says “**and at a latter time** of their kingdom, when the transgressors are come to the full, a king of fierce countenance, and understand dark sentence shall stand up. THIS IS ALSO THE ANTICHRIST. It continues to say he shall destroy the might and holy people. He too magnifies himself and goes against the Prince of princes (Christ) and is broken without hand.*

This is another confirmation that the Anti-Christ is someone who comes back to reign from Presidents #1-7!

v3 And four great beasts came up from the sea, diverse one from another.

- The next verses will describe these more, but the footnotes tell us the fourth beast is a nation that comes from the Europe who came from Rome's destruction. The break Away nation was the United States!

v7 After this I saw in the night visions, and behold a fourth beast, dreadful and terrible, and strong exceedingly; and it had great iron teeth: it devoured and brake in pieces, and stamped the residue with the feet of it: and it was diverse from all the beasts that were before it; and it had ten horns.

- This is not the 10 kings with no kingdoms. This is the 10 kings/presidents that has a tricky equation in the next verse that will take us to 8 final kings, with the 8<sup>th</sup> horn being the Anti-Christ!

8 I considered the horns, and, behold, there came up among them another little horn, before whom there were three of the first horns plucked up by the roots: and, behold, in this horn were eyes like the eyes of man, and a mouth speaking great things

10 horns, + 1 stout horn = 11, then you minus the three, you have 8!!

17 These great beasts, which are four, are four kings, which shall arise out of the earth.

- Footnote says "kingdoms".

18 But the saints of the most High shall take the kingdom, and possess the kingdom forever, even for ever and ever.

- New Jerusalem

19 Then I would know the truth of the fourth beast, which was diverse from all the others, exceeding dreadful, whose teeth were of iron, and his nails of brass; which devoured, brake in pieces, and stamped the residue with his feet;

- The United States

20 And of the ten horns that were in his head, and of the other which came up, and before whom three fell; even of that horn that had eyes, and a mouth that spake very great things, whose look was more stout than his fellows.

- This is Donald Trump! The 10 horns/presidents, and of the other (Obama, little horn) AND before the three fell (succession of kings who die), is Trump, whose look was more stout than his fellows!

21 I beheld, and the same horn made war with the saints, and prevailed against them;

- Back to the Little Horn

22 Until the Ancient of days (Adam) came, and judgment was given to the saints of the most High; and the time came that the saints possessed the kingdom (New Jerusalem).

Remember, these chapters are written in Chiasms because these are Jewish authors. Daniel 7:17-28 are repeats of the first verses, but with additional details.

## Daniel 8

*There is a ram with 2 horns.*

*The two horns are the Medes and the Persians.*

*The Medes are Iran, the Persians is the realm around Iran (includes modern day Iraq, Afghanistan, and norther territories).*

**Grecia** = *The U.S.*

**King of the South** = *Middle East Leaders/Presidents*

**King of the North** = *American Presidents*

The "he-Goat" is the **first** king (Bush, Jr.) of the north (America) to go to war "and cast down thousands" with the king of the south (Persia/Medes) which is Iran and the realm of Persia (**Iraq** and Afghanistan and Kurds).

That would be Bush Jr., The Iraq War

It says that this president won the war, overwhelmed them. However, that king went home and was broken (dishonored) and 4 notables came from his horn. V.8

Then four notables will come from this broken horn. (Obama, Trump, Biden, X)

One of the notables is the Little Horn, who comes back later as the Anti-Christ

Verses 9-12 to the end the descriptions of the Anti-Christ

- Waxed exceedingly great in the world and in America (pleasant land)
- Was against the host of heave and cast down some of the stars (anti-religion)
- Magnified himself, even to the prince of the host (prophet), and by him the daily sacrifice (temple worship) was taken away, and the sanctuary (church buildings) was cast down.
- A host (apostate who is no longer endowed) helps the Anti-Christ to make war with the saints.

13 ¶ Then I heard one saint speaking, and another saint said unto that certain saint which spake, **how long** shall be the vision concerning the daily sacrifice (*temples closed*), and the transgression of desolation (*Armageddon, scattering the Jews again*), to give both the sanctuary and the host to be trodden under foot?

14 And he said unto me, Unto **two thousand and three hundred days**; then shall the sanctuary be cleansed.

- 2300 days is 6.3 years that the (daily sacrifice) temples will be closed.

- The expression “trodden under foot” also refers to the two prophets that leave Zion and go to Jerusalem to hold off the world’s army for 1,260 days of this “2,300 days”.

See also comments in Daniel 9 that 2019 could be the timer for when this 3.5 years event will occur!

19 And he said, Behold, I will make thee know what shall be in the last end of the indignation: for at the time appointed the end shall be.

- Again, this is the end-times that these things shall happen!

Chiasm starts here, these are not new events, but repeats with more detail.

20 The ram which thou sawest having two horns **are the kings of Media and Persia.**

- The ram is the Middle East (area around Iran). It pushes against the U.S.

21 And the rough goat is the king of Grecia: and the great horn that is between his eyes is the first king.

- The he-goat.

22 Now that being broken, whereas four stood up for it, four kingdoms shall stand up out of the nation, but not in his power.

23 And in the latter time of their kingdom, when the transgressors are come to the full, a king of fierce countenance, and understanding dark sentences, shall stand up.

- The Anti-Christ, one of the 4 notables.
- Dark sentences, means riddles. These are more descriptions. Notice the direction changed from the Little Horn to “a king of fierce countenance” shall later standup. This is the Anti-Christ now.

24 And his power shall be mighty, but not by his own power: and he shall destroy wonderfully, and shall prosper, and practise, and shall destroy the mighty and the holy people.

- The Anti-Christ goes after the Saints. We learn in Daniel 11 he goes to war with Israel and is stopped by the ships of Chittim and the two prophets holding off the world’s army. He is frustrated and realizes these are LDS prophets!! He turns against the Saints.

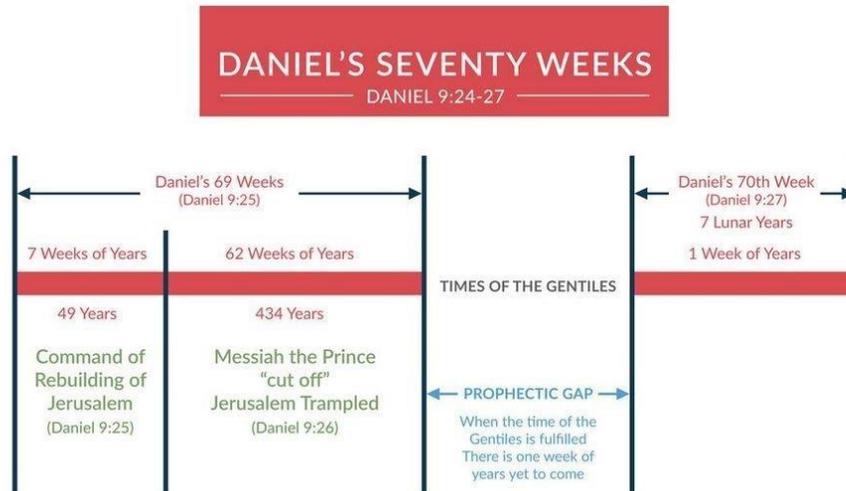

25 And through his policy also he shall cause craft to prosper in his hand; and he shall magnify himself in his heart, and by peace shall destroy many: he shall also stand up against the Prince of princes; but he shall be broken without hand.

- He stands against Jesus Christ and is broken (thrown in the bottomless pit).

## Daniel 9 & 10

I won't need to cover 10. It is not essential to the 8 kings. Daniel 9 is a famous vision of his 70 weeks dream that counts forward from his time to the Savior's Second Coming.

It breaks the code that **1 week = 7 days = 7 years**

- The very last verse (v.27) is the very unique to the "end times". I have seen many interpretations for this verse, but I was not settled because the use of the words was wrong. Evangelicals use this to show there is a 7 year tribulation at the end. That is correct, but they say the covenant is a peace treaty. Covenant is temple language. Here is my interpretation:

9:27 And he shall **confirm the covenant** with many **for one week**: and in the **midst of the week** he shall cause **the sacrifice and the oblation to cease**, and **for the overspreading of abominations** he shall make it **desolate**, even until the **consummation**, and that determined shall be poured upon the desolate.

Covenant = endowment

One week = 7 days = 7 years

Midst = middle = 3.5 years

Sacrifice and oblation to cease = temples close

Abominations = desolations spoken of by Daniel, overspreading is a plague (Ebola) (John Taylor)

Consummation = destruction of the remaining wicked, when vial #7 poured

In 2019 the temple endowment changed. The traditional wedding feast has a custom that when you are invited to a wedding feast, you move your robe from one side to another. The community knows you have accepted the invite to the wedding feast.

When Jacob went to marry Rachel, he was deceived because Leah had a veil on. Jewish weddings no longer have a veil so the bride cannot be deceived and know who the bridegroom is.

I was working in the temple in 2019. I observed what I called a “phenomenon” as 5 endowment sessions were added daily for months to accommodate the sheer numbers who had come to participate.

If that 2019 event is a marker when “he” the Savior shall confirm the covenant with many, we add 3.5 years until the temples are closed because of an overspreading plague. (2022)

For those who follow some the visionaries:

- DOZ says we are called to places of safety 3 months after the missionaries are called home, and just before the Ebola-type plague breaks out.
- Dream of Plagues ([nofearpreps.com/church](http://nofearpreps.com/church) archives) says the Saints are in their tents at the time the poison falls from the sky.
- John Taylor sees a plague that kills millions. There is no one left to bury the dead on the east coast, the cities are set on fire. He sees 12 men on the Missouri River in temple robes with their arm to the square dedicating the land for New Jerusalem at the end of this plague.
- VOG says when the Chinese troops finally reach Utah, the east coast had been devastated by the plague.

## Daniel 11

- There will be 4 kings of Persia IN THE LAST DAYS. The 4th will be the richest. (identifier)
- Khamenei IS IN POWER TODAY (\$95 billion) and has dealt with all 6 kings to date.
- The He-Goat (Bush Sr.) and the next 4 presidents will deal with this Persian King.
- The siege on the American Embassy in Iran (the fortress is penetrated) v. 7
- Afghanistan War leads to the Iraq War v. 11
- ISIS “robbers of the people” is formed. V. 14

2 And now will I shew thee the truth. Behold, there shall stand up yet three kings in Persia; and the fourth shall be far richer than they all: and by his strength through his riches he shall stir up all against the realm of Grecia.

- These are the kings in the Middle East. The richest of them is Ali Khamenei Who is the Supreme Ayatollah (1981 - now) over the President Hassan Rouhani
- Estimated to have \$95 billion in net worth. The last 4 are in this century.
- He is #4 from the king of the South column, he will stir up realm of Grecia (U.S.) He has been in power during all the skirmishes and war with the Middle East since Reagan.

3 And a mighty king shall stand up, that shall rule with great dominion, and do according to his will.

- This is starting back at the beginning of the wars. This is the king of the north and the ram struggle.

4 And when he shall stand up, his kingdom shall be broken, and shall be divided toward the four winds of heaven; and not to his posterity, nor according to his dominion which he ruled: for his kingdom shall be plucked up, even for others beside those.

- This is Bush, Jr.

5 ¶ And the king of the south shall be strong, and one of his princes; and he shall be strong above him, and have dominion; his dominion shall be a great dominion.

- This is a reference that the president is not the most powerful in Iran, the Ayatollah is. His princes could be Saddam Hussein or a president from Afghanistan or Iran inside the realm of Persia.

6 And in the end of years they shall join themselves together; for the king's daughter of the south shall come to the king of the north to make an agreement: but she shall not retain the power of the arm; neither shall he stand, nor his arm: but she shall be given up, and they that brought her, and he that begat her, and he that strengthened her in these times.

- This has happened during the Iranian Revolution in 1979. There is a woman, Maryam Rajavi a "daughter of Iran" that started a resistance movement (MEK) to the Iranian regime in 1979, to overthrow the Iranian government. Congress backed her. The U.S. transferred the protection and security of this resistance group to the Iraqi government. Khamenei, then prime minister (president) attacked the group. The Resistance is still very much active today.

7 But out of a branch of her roots shall one stand up in his estate, which shall come with an army, and shall enter into the fortress of the king of the north, and shall deal against them, and shall prevail:

- I originally thought this was 9-11, but soon realized that "an army" didn't fit. What fit was the hostage situation during the Iranian Hostage Crisis in 1979 when the embassy (fortress of America on their soil) and took 52 hostages for 444 days by a militarized resistance group.

9 So the king of the south shall come into his kingdom, and shall return into into his own land.

- Saddam returned from Kuwait back to his land, but not happy.

10 **But his sons** shall be stirred up, and shall assemble a multitude of great forces: and one shall certainly come, and overflow, and pass through: then shall he return, and be stirred up, even to his fortress.

- This would be the start the Iraq War.

11 And the king of the south shall be moved with choler (anger), and shall come forth and fight with him, even with the king of the north: and he shall set forth a great multitude; but the multitude shall be given into his hand.

12 And when he hath taken away the multitude, his heart shall be lifted up; and he shall cast down many ten thousands: but he shall not be strengthened by it.

13 For the king of the north shall return, and shall set forth a multitude greater than the former, and shall certainly come after certain years with a great army and with much riches.

- This was the Iraq Surge under Obama.

14 And in those times there shall many stand up against the king of the south: also the robbers of thy people shall exalt themselves to establish the vision; but they shall fall.

- This appears to be a reference to ISIS. The “robbers of thy people”, but they shall fall.

15 So the king of the north shall come, and cast up a mount (siege), and take the most fenced cities: and the arms of the south shall not withstand, neither his chosen people, neither shall there be any strength to withstand.

- This is a reference to putting an end to ISIS. It was tried under Obama and finally under Trump. This looks to be the start of the Trump presidency.

16 But he that cometh against him shall do according to his own will, and none shall stand before him: and he shall stand in the glorious land, which by his hand shall be consumed.

- Obama took a trip to Jerusalem (the glorious land). He is also thought to be “Gog” the leader of the world’s army during Armageddon (see Natan, 15 yr. old Jewish boy vision). Trump also took a trip to Jerusalem, and it is said that his peace treaties will be the reason the area will erupt into war soon to remove the treaties.

17 He shall also set his face to enter with the strength of his whole kingdom, and upright ones with him; thus shall he do: and he shall give him the daughter of women, corrupting her: but she shall not stand on his side, neither be for him.

- Here the president set his attention on his kingdom (America) with his military leaders. There is not enough information to decipher the “daughter of women”. Was this Stormy Daniels? Was this a woman that Trump gave someone else? Does Melania divorce Trump? The pronouns are too vague. This could also be a reference to the Epstein saga where rich, powerful men have been with underage girls and are coerced to following the commands of the deep state.

18 After this shall he turn his face unto the isles, and shall take many: but a prince for his own behalf shall cause the reproach offered by him to cease; without his own reproach he shall cause it to turn upon him.

- The Isles are near China and N. Korea. The Cardston Prophecy saw the Pacific Ocean to be the place of WWII. (Spratly Islands have become a military zone for China and if N. Korea baits the U.S. to go to the Pacific, it will end poorly as David Warwick says our ships are nuked at sea.) This has not been done yet by Trump. This may be part of his returning for a short space as #6. He has taken on China economically, but this says, “and shall take many”...

19 Then he shall turn his face toward the fort of his own land: but he shall stumble and fall, and not be found.

- This president will die. This is president #6 (who I believe will be a short return for Trump).

20 Then shall stand up in his estate a raiser of taxes in the glory of the kingdom: but within few days he shall be destroyed, neither in anger, nor in battle.

- This person will push towards the Great Reset, which is the dollar devaluation and the beginning of the New World Order now that Trump is out of the way.

21 And in his estate shall stand up a vile person, to whom they shall not give the honour of the kingdom: but he shall come in peaceably, and obtain the kingdom by flatteries.

- Here we have someone brought in by “succession”. This person is not elected. This is the person who “comes back in”.

22 And with the arms of a flood shall they be overflown from before him, and shall be broken; yea, also the prince of the covenant.

- This is the start of a civil war and an invasion (arms of a flood). Overflown is in reference to the aircraft. This is also a reference to the prophet (prince of the the covenant) being taken from the public view. New Jerusalem anyone?

23 And after the league made with him he shall work deceitfully: for he shall come up, and shall become strong with a **small people**.

- The league will be the 10 Kings with no kingdom and other New World operatives. The civil war will divide the country and most will not follow this New World Order, but break up into factions, thus this president will have a small group of people. This president will have a troublesome kingdom and it will be hard to control because of the invasion, but this will not stop him from leading the world’s army against Israel. Good news, his kingdom is small. I’m sure we won’t be participating towards the end.

24 He shall enter peaceably even upon the fattest places of the province; and he shall do that which his fathers have not done, nor his fathers’ fathers; he shall scatter among them the prey, and spoil, and riches: yea, and he shall forecast his devices against the strong holds, even for a time.

- This guy is a real work of art. He implements the New World Order to take from the haves and gives to the have nots. He is able to keep his power for a time. This is the country changing from an open markets, free enterprise system to a socialist/Marxist ideology. The Green New Deal, Climate Change, and The Great Reset are titles used. It is obvious the constitution has been replaced at this point.

25 And he shall stir up his power and his courage against the king of the south with a great army; and the king of the south shall be stirred up to battle with a very great and mighty army; but he shall not stand: for they shall forecast devices against him.

- One of the skirmishes that lead up to the Armageddon.

26 Yea, they that feed of the portion of his meat shall destroy him, and his army shall overflow: and many shall fall down slain.

- He is not successful the first attempt to penetrate Israel.

27 And both these kings' hearts shall be to do mischief, and they shall speak lies at one table; but it shall not prosper: for yet the end shall be at the time appointed.

28 Then shall he return into his land with great riches; and his heart shall be against the holy covenant; and he shall do exploits, and return to his own land.

- He is angry that there is a group of people setting up a nation unto themselves somewhere around Jackson County, MO. He wants to go up against them, but his efforts are futile. D&C 133:31

29 At the time appointed he shall return, and come toward the south; but it shall not be as the former, or as the latter.

30 ¶For the ships of Chittim shall come against him: therefore he shall be grieved, and return, and have indignation against the holy covenant: so shall he do; he shall even return, and have intelligence with them that forsake the holy covenant.

- This leader/president/leader is miffed! If you don't know what the ships of Chittim are, they are the return of the 10 Tribes who will put a stop to all of this nonsense!! Not only the war in Israel, but the building of New Jerusalem in America! The apostates will give them the intelligence they need.

31 And arms shall stand on his part, and they shall pollute the sanctuary of strength, and shall take away the daily sacrifice, and they shall place the abomination that maketh desolate.

- Well, well, well, now we know when they shall take away the daily sacrifice and place the abomination. It will be when the 10 Tribes return! It will be after the Anti-Christ will confer with the apostates. But we know the end of this story. The temples and churches will stay closed until the Anti-Christ is thrown into the bottomless pit (42 months; Rev 13:5)
- The ships of Chittim are from Ezekiel. Saucers in the sky with markings of the 12 tribes of Israel on them.

32 And such as do wickedly against the covenant shall he corrupt by flatteries: but the people that do know their God shall be strong, and do exploits.

- Take heart! God's people will be strong and do exploits! (Places of safety anyone?)

33 And they that understand among the people shall instruct many: yet they shall fall by the sword, and by flame, by captivity, and by spoil, many days.

- Those who do not heed the words of a prophet to go to safety will be subject to the exploits of the Anti-Christ. There will be many Saints trying to help others, but they too stand at risk.

34 Now when they shall fall, they shall be holpen (succored by God) with a little help: but many shall cleave to them with flatteries.

35 And some of them of understanding shall fall, to try them, and to purge, and to make them white, even to the time of the end: because it is yet for a time appointed.

- And if we don't make through the tribulations, we will be made white (sanctified), exalted, and made a part of the kingdom of God to come back for the morning of the 1st Resurrection!

**Chiasm here.**

36 And the king shall do according to his will; and he shall exalt himself, and magnify himself above every god, and shall speak marvellous things against the God of gods, and shall prosper till the indignation be accomplished: for that that is determined shall be done. 37 Neither shall he regard the God of his fathers, nor the desire of women, nor regard any god: for he shall magnify himself above all.

- This president does what he wants, thinks highly of himself, doesn't appear to like woman, speaks against God at every turn, will prosper through theft until God says, "enough".

38 But in his estate shall he honour the God of forces: and a god whom his fathers knew not shall he honour with gold, and silver, and with precious stones, and pleasant things.

39 Thus shall he do in the most strong holds with a strange god, whom he shall acknowledge and increase with glory: and he shall cause them to rule over many, and shall divide the land for gain.

- This shouldn't surprise anyone. This president shall sell off the American land! His strange God is the occult of Atheism. He has Satan as his mentor and protector...for now. China and Russia continue to invade.

40 And at the time of the end shall the king of the south push at him: and the king of the north shall come against him like a whirlwind, with chariots, and with horsemen, and with many ships; and he shall enter into the countries, and shall overflow and pass over.

- Armageddon in full force now.

41 He shall enter also into the glorious land, and many countries shall be overthrown: but these shall escape out of his hand, even Edom, and Moab, and the chief of the children of Ammon.

- The glorious land is Israel.

42 He shall stretch forth his hand also upon the countries: and the land of Egypt shall not escape.

43 But he shall have power over the treasures of gold and of silver, and over all the precious things of Egypt: and the Libyans and the Ethiopians shall be at his steps.

44 But tidings out of the east and out of the north shall trouble him: therefore he shall go forth with great fury to destroy, and utterly to make away many.

- In a hurry to do as much damage in the Middle East because China and Russia are in full invasion mode in the U.S.

45 And he shall plant the tabernacles of his palace between the seas in the glorious holy mountain; (Jerusalem) yet he shall come to his end, and none shall help him.

- He tries to establish a residence in the Middle East, but he is thrown into the pit with Satan and his followers.

## EZRA Ch. 11 & 12 in the Apocrypha

*I will begin with Chapter 12 first because it has the interpretation! It will be easier to follow along in Chapter 11.*

- 1 And it came to pass, while the lion spake these words unto the eagle, I saw,
- 2 And, behold, the head that remained and the four wings appeared no more, and the two went unto it and set themselves up to reign, and their kingdom was small, and full of uproar.
  - *Here we have “the end” of the vision where 4 presidents are gone and two are left and the kingdom is full of uproar. I’m going to guess that the “head” was the U.S. (the other two heads are China and Russia, read down). This small and uproar is the same description found in Dan. 11 under the Anti-Christ.*
- 3 And I saw, and, behold, they appeared no more, and the whole body of the eagle was burnt so that the earth was in great fear: then awaked I out of the trouble and trance of my mind, and from great fear, and said unto my spirit,
  - *The whole body burnt means there is lawlessness all over the world.*
- 4 Lo, this hast thou done unto me, in that thou searchest out the ways of the Highest.
- 5 Lo, yet am I weary in my mind, and very weak in my spirit; and little strength is there in me, for the great fear wherewith I was afflicted this night.
- 6 Therefore will I now beseech the Highest, that he will comfort me unto the end.
- 7 And I said, Lord that bearest rule, if I have found grace before thy sight, and if I am justified with thee before many others, and if my prayer indeed be come up before thy face;
- 8 Comfort me then, and shew me thy servant the interpretation and plain difference of this fearful vision, that thou mayest perfectly comfort my soul.

- *Ezra is asking for the interpretation to a vision he finds very disturbing.*

9 For thou hast judged me worthy to shew me the last times.

10 And he said unto me, This is the interpretation of the vision:

11 The eagle, whom thou sawest come up from the sea, is the kingdom which was seen in the vision of thy brother Daniel.

- *Here we see that Daniel also saw this vision!*

12 But it was not expounded unto him, therefore now I declare it unto thee.

13 Behold, the days will come, that there shall rise up a kingdom upon earth, and it shall be feared above all the kingdoms that were before it.

- *This would be the United States of America.*

14 In the same shall twelve kings reign, one after another:

- *Here 12 kings shall reign in succession!*

15 Whereof the **second** shall begin to reign, and shall have more time than any of the twelve.

- *Hoover is the start. The **second** is FDR. He served 16 years! Then a law was made to max out at 8. It would end at Bush, Jr. to complete the "12".*

16 And this do the twelve wings signify, which thou sawest.

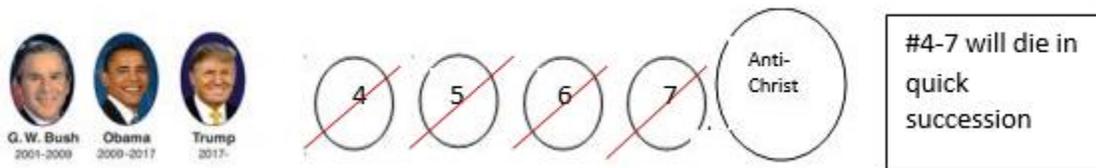

17 As for the voice which thou heardest speak, and that thou sawest not to go out from the heads but from the midst of the body thereof, this is the interpretation:

18 That after the time of that kingdom ***there shall arise great strivings***, and it shall stand in peril of failing: nevertheless it shall not then fall, but shall be restored again to his beginning.

- *This is comforting to know that the country will be restored to its beginning!*

19 And whereas thou sawest the eight small under feathers sticking to her wings, this is the interpretation:

20 That in him there shall arise **eight kings**, whose times shall be but small, and their years swift.

21 And **two of them shall perish**, the middle time approaching: four shall be kept until their end begin to approach: but two shall be kept unto the end.

- The middle of 8 is 4. #4 and #5 shall perish first. (Biden/Harris).
- The four that shall be kept until the end is: Bush, Obama, Trump and #7.
- In the end, only two presidents will survive. Obama and ?? (Bush or Clinton)

22 And whereas thou sawest **three heads resting**, this is the interpretation:

23 In his last days shall the most High **raise up three kingdoms**, and renew many things therein, and they shall have **the dominion of the earth**,

- *This dominion over the earth! The three strongest in the last days:  
**U.S./China/Russia.***

24 And of those that dwell therein, **with much oppression**, above all those that were before them: therefore are they called the heads of the eagle.

- *Those who suffered the most oppression (China and Russia).*

25 For these are they that shall accomplish his wickedness, and that shall finish his last end.

- *These nations are kept accomplish his (Satan's) wickedness until Satan's end.*

26 And whereas thou sawest that the great head appeared no more, it signifieth that one of them shall die upon **his bed**, and yet with pain.

- *I'm going to take a guess that America is destroyed more by the Ebola plague that John Taylor saw in vision. It will kill more than anything else, including invasion.*

27 For the two that remain shall be slain with the sword.

- *The other two "heads" will die by war.*

28 For the sword of the one shall devour the other: but at the last shall he fall through the sword himself.

- *My guess is that Russia is killed off by China, but then China is so crippled it too is no longer a world power.*

29 And whereas thou sawest two feathers under the wings passing over the head that is on the right side;

30 It signifieth that these are they, whom the Highest hath kept unto their end: **this is the small kingdom and full of trouble, as thou sawest.**

- *These are the last two who are instrumental in starting the New World Order, Armageddon and persecution of the Saints. The Anti-Christ as a person.*

31 And the lion, whom thou sawest rising up out of the wood, and roaring, and speaking to the eagle, and rebuking her for her unrighteousness with all the words which thou hast heard;

32 This is the **anointed**, which the **Highest hath kept for them** and for their wickedness unto the end: he shall reprove them, and shall upbraid them with their cruelty.

33 For he shall set them before him **alive in judgment, and shall rebuke them**, and correct them.

- *This is the 10 Tribes who shall put an end to this destruction of the world! • (See 2Nephi 20)*

There are more verses, but this is the end of the "8 kings" portion.

## Book of Esdras - Chapter 11

1 Then saw I a dream, and, behold, there came up from the sea an eagle, which had twelve feathered wings, and three heads.

- *Here is the eagle with three heads (nations) and feathered wings.*

2 And I saw, and, behold, she spread her wings over all the earth, and all the winds of the air blew on her, and were gathered together.

- *More of the details that these heads were all over the earth, not just one country.*

3 And I beheld, and out of her feathers there grew other contrary feathers; and they became little feathers and small.

- *My interpretation of this is that those contrary feathers were contrary to the constitution. The introduction of a deep state and a Marxist/Communist theology.*

4 **But her heads were at rest:** the head in the midst was greater than the other, yet rested it with the residue.

- The middle head seemed to be okay with the new faction of politics.

5 Moreover I beheld, and, lo, the eagle flew with her feathers, and reigned upon earth, and over them that dwelt therein.

6 And I saw that all things under heaven were subject unto her, and no man spake against her, no, not one creature upon earth.

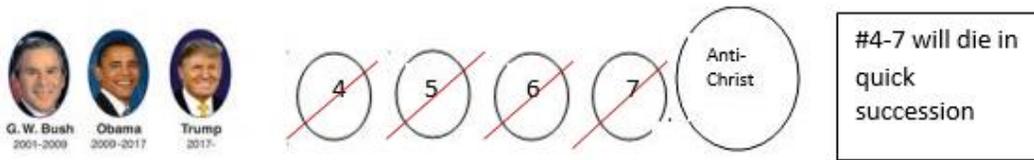

7 And I beheld, and, lo, the eagle rose upon her talons, and spake to her feathers, saying,

8 Watch not all at once: sleep everyone in his own place, and watch by course:

9 But let the heads be preserved for the last.

10 And I beheld, and, lo, the voice went not out of her heads, but from the midst of her body.

11 And I numbered her contrary feathers, and, behold, **there were eight of them.**

12 And I looked, and, behold, on the right side there arose one feather, and reigned over all the earth;

- This is the first one (Bush).

13 And so it was, that when it reigned, the end of it came, and the place thereof appeared no more: so the next following stood up and reigned, **and had a great time**;

- *Who do you think had a great time? This is #2 Obama.*

14 And it happened, that when it reigned, **the end of it came also**, like as the first, so that it appeared no more.

15 Then came there a voice unto it, and said,

16 Hear thou that hast borne rule over the earth so long: this I say unto thee, before thou beginnest to appear no more,

17 There shall none after thee attain unto thy time, neither unto the half thereof.

- From Obama on, no other president will serve more than 4 and/or even less.

18 Then arose the **third**, and reigned as the other before, and appeared no more also.

- This is #3 Trump.

19 So went it with **all the residue one after another**, as that every one reigned, and then appeared no more.

20 Then I beheld, and, lo, in process of time the feathers that followed stood up upon the right side, that they might rule also; and some of them ruled, but within a while they appeared no more:

21 For some of them were set up, but ruled not.

- *This is Trump/Pence who were given a rigged election.*

-----

22 After this I looked, and, behold, the **twelve** feathers appeared no more, nor the two little feathers:

- The 12 original (with FDR) and Trump and Pence who were defrauded.

23 And there was no more upon the eagle's body, but three heads that rested, and six little wings.

- Here we have a “reset” of the last 6 wings. Trump/Biden/Harris/6/7/8

24 Then saw I also that two little feathers divided themselves from the six, and remained under the head that was upon the right side: for the four continued in their place.

- *The two who leave are 7/8, leaving Trump/Biden/Harris/6*

25 And I beheld, and, lo, the feathers that were under the **wing thought to set up themselves and to have the rule.**

- The two under the head are 7/8. The two under the wing are 5/6 as these were the two who “thought” (cheated the election).

26 And I beheld, and, lo, there **was one set up**, but shortly it appeared no more.

- *This is Biden.*

27 And the second was sooner away than the first.

- *This will be Harris.*

28 And I beheld, and, lo, the two that remained thought also in themselves to reign:

- **This would be where Trump may return as #6 because this one is eaten up by the heads.**

29 And when they so thought, behold, there awaked one of the heads that were at rest, namely, it that was in the midst; for that was greater than the two other heads.

- Remember, the middle one (midst) is the U.S., greater than the other two.

30 And then I saw that the two other heads were joined with it.

- *This is China and Russia.*

31 And, behold, the head was turned with them that were with it, and did eat up the two feathers under the wing that would have reigned.

- *This is where Trump and VP are assassinated.*

32 But this head put the whole earth in fear, and bare rule in it over all those that dwelt upon the earth with much oppression; and it had the governance of the world more than all the wings that had been.

- *This is America when the Anti-Christ comes in, the constitution goes out.*

33 And after this I beheld, and, lo, the head that was in the midst suddenly appeared no more, like as the wings.

- *The head in the middle is the U.S., She has fallen. No more presidents.*

34 But there remained the two heads, which also in like sort ruled upon the earth, and over those that dwelt therein.

- *These two are China and Russia.*

35 And I beheld, and, lo, the head upon the right side devoured it that was upon the left side.

- *China and Russia go to war with each other.*

36 Then I heard a voice, which said unto me, Look before thee, and consider the thing that thou seest.

37 And I beheld, and lo, *as it were a roaring lion chased out of the wood:* and I saw that he sent out a man's voice unto the eagle, and said,

- *This would be the 10 Tribes arriving to cleanse the land of the gangs and foreign troops.*

38 Hear thou, I will talk with thee, and the Highest shall say unto thee,

39 Art not thou it that remainest of the four beasts, whom I made to reign in my world, that the end of their times might come through them?

40 ***And the fourth came, and overcame all the beasts that were past***, and had power over the world with great fearfulness, and over the whole compass of the earth with much wicked oppression; and so long time dwelt he upon the earth with deceit.

41 For the earth hast thou not judged with truth.

42 For thou hast afflicted the meek, thou hast hurt the peaceable, thou hast loved liars, and destroyed the dwellings of them that brought forth fruit, and hast cast down the walls of such as did thee no harm.

43 Therefore is thy wrongful dealing come up unto the Highest, and thy pride unto the Mighty.

44 The Highest also hath looked upon the proud times, and, behold, they are ended, and his abominations are fulfilled.

45 And therefore appear no more, thou eagle, nor thy horrible wings, nor thy wicked feathers nor thy malicious heads, nor thy hurtful claws, nor all thy vain body:

46 That all the earth may be refreshed, and may return, being delivered from thy violence, and that she may hope for the judgment and mercy of him that made her.

- The 10 Tribes arrive to cleanse the earth. The Millennial Reign is to begin. And we
- lived happily ever after. The end (of all wickedness). Amen.

## NOTES:

- Four verses that these visions are for end times and NOT current day in Daniel's time:
  - **Esdras 12:9** For thou hast judged me worthy to shew me the last times.
  - **Daniel 11: 40** And at the time of the end shall the king of the south push at him: and the king of the north shall come against him like a whirlwind, with chariots, and with horsemen, and with many ships; and he shall enter into the countries, and shall overflow and pass over.
  - **Daniel 11: 23** And in the latter time of their kingdom, when the transgressors are come to the full, a king of fierce countenance, and understanding dark sentences, shall stand up.
  - **Daniel 8:19** And he said, Behold, I will make thee know what shall be in the last end of the indignation: for at the time appointed the end shall be.
