Visions of Glory

Probably one of the most comprehensive books written with rich details about events of the last days shown in vision.

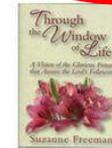

- Our relationship to the spirit world, good and bad spirits and how they interact with us.
- The Utah earthquake.
- The invasion of foreign troops in America.
- The trek back to Missouri for the gathering of New Jerusalem.
- The translation of bodies to endure the calamities.
- The miracles and protection given to the Saints.
- The Plague that kills a large portion of society.
- The financial collapse of all societies.
- Nuclear attacks all over America.
- Amazing mission of the LDS in the end-times.

There is No Death by Sarah Menet

- Planes crashed into two tall buildings.
- Jars dropped (symbolic) of liquid in major cities that caused death.
- Multiple plagues.

Through the Window of Life

As the world moves closer to the Second Coming of Jesus Christ, it seems that the whole earth is in turmoil.

- Natural disasters and warfare will have huge impacts on everyday life.
- The Lord's followers will be affected, but they will band together against their enemies.
- The righteous will journey to the center of the American continent to build the New Jerusalem.
- Those who are prepared to weather these physical and spiritual trials will be ready to meet their Savior.

Suzanne was told that when she returned to earth, she should share what she had seen with others. Her message is a story of the faith and courage that Christ's followers will display in the coming years leading to the Savior's millennial reign.

Cautions about Dreams and Visions

- ✓ *Visions are meant for the person receiving, not the church at large.*
- ✓ *Some visions should be kept private.*
- ✓ *Visions are often symbolic, usually a warning and not always meant to be taken literally.*
- ✓ *Jeremiah 23:32 Lord is against those who prophesy false dreams.*
- ✓ *The Lord does not give dates, but a season and sometimes an order of events in the scriptures.*
- ✓ *If a dream or vision pulls an individual away from the Lord's church on earth, it is not of God.*
- ✓ *Dreams are not given for our curiosity of the future, but to confirm the world is governed by providence.*

Lessons Learned from the George Albert Smith Vision

- ✓ Always use the original recording. The additions years later misled many of us into thinking the perilous times were connected to an election.
- ✓ It is possible the “additions” to the recording will eventually come true, just not all at once as the additional material/events suggested.
- ✓ The original recording should have said, “when a non-European president leaves office, our troubles will begin...”

Lessons Learned From the Half Hour of Silence Theory

- Elder Bruce R. McConkie thought the term ½ hour of silence in the scriptures could translate into 21 years.
- When the 7th seal opened, it would be 21 years until the Lord would arrive for the second coming. (1 day = 1,000 years)
- There was rumor in 2000 that President Hinckley made a comment at the Palmyra dedication to ordinance workers that 2000 was the opening of the 7th seal.
- I found reference to the comment, but all references have been “hearsay” and scrubbed from the internet as an official comment.
- My dissecting the scriptures led me to know with a certainty that the 7th seal has NOT been opened yet.

7th Seal Description (Institute Manual)

Each Seal = 1,000 Years (approx.)

- ✓ 1st Seal – Adam’s Ministry
- ✓ 2nd Seal – Enoch’s Ministry
- ✓ 3rd Seal – Abraham’s Ministry
- ✓ 4th Seal – Israel is divided into two kingdoms.
- ✓ 5th Seal – John the Baptist’s Ministry
- ✓ 6th Seal – Restoration of the Gospel,
Calamities, Zion Established
- ✓ 7th Seal – Destruction of the Wicked, Christ
comes to Earth, Earth receives paradisiacal
glory, Satan is bound, Millennial Era.

Given the description of the angels at the opening of the 7th seal, it is safe to say we are still in the 6th seal.

Angel 1 – (Rev 8:7) Hail and fire mingled with blood, 1/3 of trees and grass burn.

Angel 2 - (Rev 8:8-9) Great mountain burning cast into the sea. 1/3 sea becomes blood.

Angel 3 & 4 - (Rev 8:10) Star falls from heaven, Wormwood.

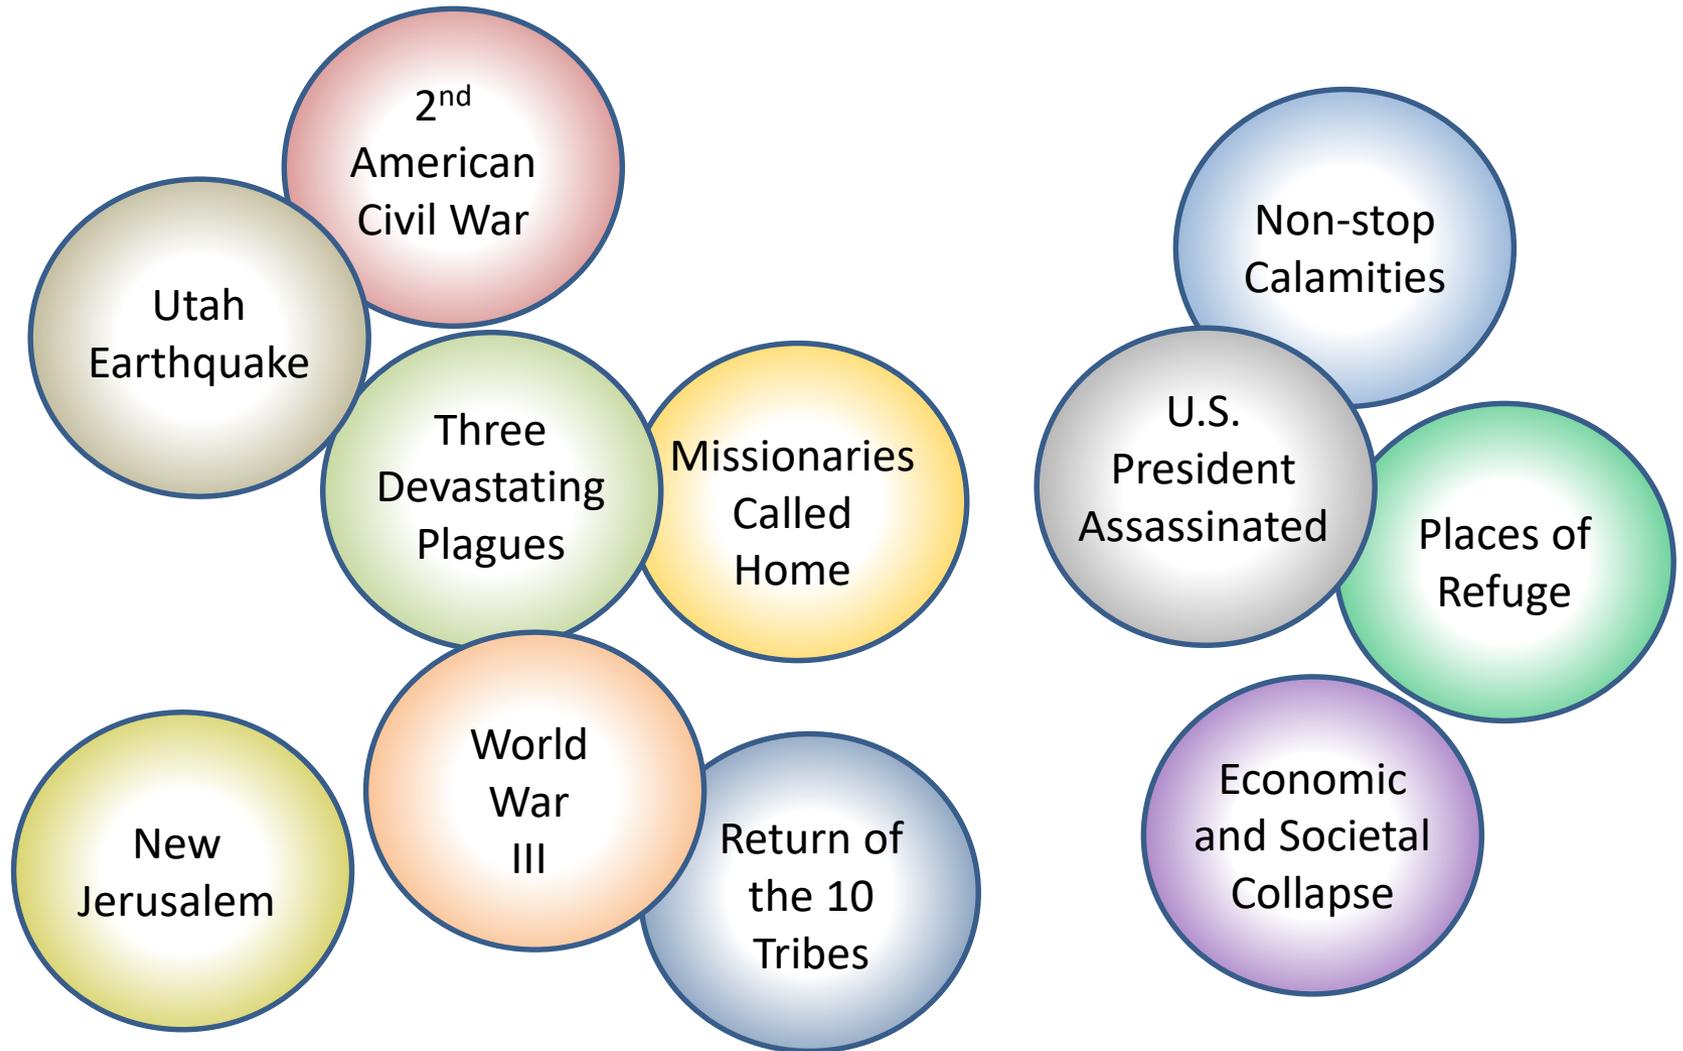

Angel 5 & 6 – (Rev 9:1-21) 5 month war and 1/3 of men killed.

Angel 7 – Full end of all nations.

D&C 88:93 if you summarize the order of events in D&C 88 you will see that we are still in the 6th seal.

1. Earth trembles, sun hides its face.
2. Testimony of earthquakes and water heaving its bounds.
3. All things in commotion.
4. 1st Trump “Judgement has come.”
5. Great Sign (Second Coming)
6. Mother of Harlots is bound.
7. Long hard trump.
8. ½ hour of silence. 
9. Resurrection.

Common Patterns & Events in the Visions

Let's See How They Line Up!

I will not assign any dates, but with clues in the visions **and** scriptures, we can attempt to line up the order of events.

This is not set in stone, nor is it authoritative.

This is to help us have confidence that we need not fear when we are prepared, that we are drenched in destiny!

1st Marker

Armageddon and The Anti-Christ

Revelations 11:2-3

2 But the court which is without the temple leave out, and measure it not; for it is given unto the Gentiles: and the holy city shall they tread under foot forty and two months.

3 And I will give power unto my **two witnesses**, and they shall prophesy a thousand two hundred and threescore days, clothed in sackcloth.

(Armageddon is 3.5 Years)

Israel

- Everything evolves around Israel.
- We are in the House of Israel.
- Christ was born in that area.
- The Jews were a covenant people (had the priesthood/temple).
- The gospel will go back to the Jewish people in the end (the first shall be last) and Marvelous Work and a Wonder.
- The Savior will appear to them on the Mt. of Olives to rescue them before his second coming.
- Armageddon will be fought there.
- Keep your eye on Israel if you want to map the last days events! Matt 24:32 tells us of the “fig tree”.

The Anti-Christ Come into Power During the Same Time as Armageddon

Revelation 13:5

5 And there was given unto him a mouth speaking great things and blasphemies; and power was given unto him to continue forty and two months.

(42 months = 3.5 years)

This is the scripture that describes/changes the anti-Christ from being a beastly system to having a leader that will rise up in the end times and go against Israel and the Saints. Also note the word “continue”.

Anti-Christ

LDS Guide to the Scriptures-LDS.org

Antichrist - See also Devil

Anyone or anything that counterfeits the true gospel plan of salvation and that openly or secretly opposes Christ. John the Revelator described the antichrist as a deceiver (1 Jn. 2:18–22; 4:3–6; 2 Jn. 1:7). **The great antichrist is Lucifer, but he has many assistants, both spirit beings and mortals.**

Examples (LDS.org)

The son of perdition opposes and exalts himself above all that is called God, 2 Thes. 2:1–12.

He deceives them that dwell on the earth by the means of miracles, Rev. 13:13–17.

Nehor taught false doctrines, established a church, and introduced priestcraft, Alma 1:2–16.

Korihor ridiculed Christ, the Atonement, and the spirit of prophecy, Alma 30:6–60.

Anti-Christ

Biblical Descriptions (Institute Manual)

- ✓ Beastly System - oppressive governments of the world.
- ✓ Anything that does not believe in the divinity of the Savior, Jesus Christ and his Atonement. (All non-Christian religions)
- ✓ Already here, and yet more to come, including a charismatic leader.
- ✓ Lawless, changes times and laws, Destroyer (abortion)
- ✓ Appears to be peaceful - though peace time will kill many,
- ✓ Satanic power to know the unknowable, occult, (riddles)
- ✓ Craft to prosper (endless debt), power given by Satan
- ✓ Causes global economic crash to bring about cashless society
- ✓ Blasphemes God, called Son of Perdition

Abomination of Desolation And The “Seven Year Tribulation”

Matthew 24:15

15 When ye therefore shall see the abomination of desolation, spoken of by Daniel the prophet, stand in the holy place, whoso readeth, let him understand:

16 Then let them which be in Judaea flee into the mountains:

Abomination of Desolation was the word used by Daniel for the first destruction of Jerusalem, it is symbolic of the second.

Manual: Abominations that bring about desolation.

Bible Dictionary: ... abomination of desolation also describes the latter-day judgments to be poured out upon the wicked wherever they may be....

Daniel 9:27 – Seven Years Origin

27 And he shall confirm the covenant with many for one week: and in the midst of the week he shall cause the sacrifice and the oblation to cease, and for the overspreading of **abominations** he shall make it **desolate**, even until the consummation, and that determined shall be poured upon the desolate.

Confirm the covenant = (???) (treaty)(temple)

One week = 7 days = 7 years

Midst of the week = 3.5 years

Sacrifice and the oblation = Temple ordinance

Abominations = Abomination of Desolation

Desolate = Luke 21:24 (Describes Armageddon)

Footnotes in 25 & 26 all refer to end-times.

Scholars Don't Agree on Interpretation

Many scholars believe Daniel's dream has dualistic prophecies, one for the first time Jerusalem was destroyed and one for the second time when Armageddon happens.

For example, when **Daniel 7&8** are read together it makes **Antiochus IV** the "Little Horn" the Anti-Christ...and yet this same beast is described by John in Revelation 13 who comes in the end-times as the Anti-Christ.

LDS Institute Manual

The vision should not be thought of as wholly political, either, particularly in view of the “little horn” (v. 8). This symbol cannot be positively identified with any specific individual or kingdom of the world, but seems to be similar to the “beast [rising] out of the sea” that John saw (Revelation 13:1), which also made “war with the saints” (Revelation 13:7) as did this form (see Daniel 7:21–22, 25).

The little horn represented a notable anti-Christ power that was to be raised up **after** the time of the Roman Empire, and it was to be different from the other ten kingdoms mentioned after the Roman kingdom. Daniel said that this horn would have power to make war with and hinder the Saints until the time of Christ’s Second Coming (see Daniel 7:20–27). See NFP files.

If it is NOT a correct interpretation, there is no 7 year tribulation period, and the tribulation period officially begins with Armageddon and lasts approximately 3.5 years.

(Matt 24:14, 21)

14 – “gospel preached and then shall the end come” (the missionaries called home).

21 – After admonishing them to flee in the prior verses, the Lord says “For then shall be great tribulation...”

Considerations for a 7 Year Period

The only 7 year sign to date is the solar eclipse in totality in August of 2017 is 7 years (April 2024) from another solar eclipse in totality and the recorded paths will cross in the southern Illinois, western Missouri area. The Center Place near Nauvoo, Adam-ondi-Ahmen, and Jackson County, MO.

However, because of the visions, it looks more and more like there will be a 7 year cleansing of America culminating in Armageddon which will last another 3.5 years. See NFP file, The Center Place.

Dreams of Zion

Passage from him commenting on Adam ondi Ahman:

Indeed there's even a solar eclipse on April 8th, 2024 with its totality proceeding in a path from Texas up through Maine. Some significant things happen at this gathering.

First and foremost, of course, all priesthood keys from this creation plus Kingdom of this world are returned to the Savior.

*Dream document found on NFP

Luke 21:25 25And there shall be signs in the sun, and in the moon, and in the stars; and upon the earth distress of nations, with perplexity; the sea and the waves roaring; What have we seen so far?

Armageddon Checklist

According to the prophets, some important events must take place before the battle actually begins:

- ✓ The house of Israel will be gathered from among the heathen (the Gentiles) and returned to their own land (see Ezekiel 36:24; 37:21).
- ✓ The land of Israel will be rebuilt and reinhabited by the covenant people (see Ezekiel 36:10–12, 33–36).
- ✓ The land will become highly productive and fruitful, even like the Garden of Eden (see Ezekiel 36:8, 29–30, 34–35).
- ✓ There will be one nation in the land of Israel again (see Ezekiel 37:22).
- ✓ Jerusalem will be reestablished as the capital city of the Israelites (see Zechariah 1:16–17; 2:12; 12:6; 3 Nephi 20:46).

✓ The house of Israel will be gathered from among the heathen (the Gentiles) and returned to their own land (see Ezekiel 36:24; 37:21).

Check! In 1948 the Jews were given Israel to re-establish their homeland after the Holocaust. There were less than 1 million Jews left in the world.

- ✓ The land of Israel will be rebuilt and reinhabited by the **covenant** people (see Ezekiel 36:10–12, 33–36).

Check! There is close to 8 million Jews there now and around 6 million in the US. It is “out of room” for more building.

The word covenant points to a temple needing to be there. See NFP file for scriptures relating to the Third Temple. See also Rev 11:2, court without a temple, for it is given unto the Gentiles.

Note: Antiochus IV also stood in the temple and stopped the ceremony. Dan 9:27 could be historical only and not prophetic for a future event.

✓ The land will become highly productive and fruitful, even like the Garden of Eden (see Ezekiel 36:8, 29–30, 34–35).

Check! Israel is the 3rd largest economy in the region. Given that Saudi Arabia is their neighbor and Israel is the smallest country (land mass) in the region...that's almost miraculous.

✓ There will be one nation in the land of Israel again (see Ezekiel 37:22).

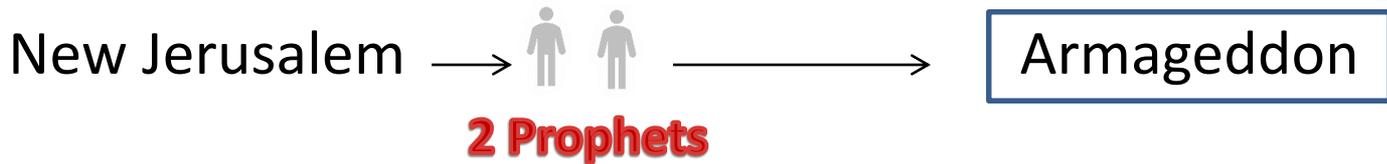

Check! The Palestinians (nomadic and refugees from another country) with no government or state government recognized has insisted that Israel belongs to them, however, they were offered a **2-state** solution **8 times (Oslo Accords)** and they said **NO!** They don't want to share. They are inadvertently helping to fulfill prophecy! See The Great Gathering on NFP.

✓ Jerusalem will be reestablished as the capital city of the Israelites (see Zechariah 1:16–17; 2:12; 12:6; 3 Nephi 20:46).

Check! Done under President Clinton, not moved under President Bush or Obama. President Trump gave the go-ahead and we are moving our embassy to Jerusalem and recognizing it as the capital!

2nd Clue – 2 Prophets

In *Visions of Glory* the two prophets leave New Jerusalem to aid the Jews in Israel and to fight off the world's army.

Order of Events Review

- New Jerusalem
- 2 Prophets 
- Armageddon

Visions of Glory - p. 217

*“It was at this time that **two prophets were called in Zion to go and alter the course of the Jewish people.** I knew who they were at the time, but I have not retained that memory. I believe they were members of the Quorum of the Twelve who were then serving in Zion.”*

Elder Bruce R. McConkie

“These two shall be followers of that humble man, Joseph Smith, through whom the Lord of Heaven restored the fulness of his everlasting gospel in this final dispensation of grace. No doubt they will be members of the Council of the Twelve or of the First Presidency of the Church. Their prophetic ministry to rebellious Jewry shall be the same in length as was our Lord’s personal ministry among their rebellious forebears.

“3 Woes”

LDS Institute Manual

The first of these was the unbelievably destructive series of wars leading up to the final great holocaust. (**Rev. 9:1–12.**)

During the 7th seal. 5 months long.
Not yet fulfilled.

2nd Woe

The second was the final great war itself in which one-third of the hosts of men should be slain. (Rev. 9:12–21; 10; 11:1–14.)

This one is **13 months** and **before** the two prophets. Rev 9:15. **WWIII and Armageddon.**

See Rev 11:14 (the 3rd one cometh quickly)

3rd Woe

And now the third woe is to be the destruction of the remainder of the wicked when the vineyard is burned by divine power and the earth changes from its telestial to its terrestrial state” (Doctrinal New Testament Commentary, 3:511).

The trumpet sounds (11:15) **The woe is past when Babylon has fallen** (recapped in Rev 17-18), and **the revealing of God on earth is over** (Rev 19:1-16), and the beast and his armies are taken care of (Rev 19:17-20).

WWIII Visions

- **Cardston Prophecy** – WWIII Begins in the Pacific Ocean. Followers of Mohammed, Buddha and Christianity are involved.
- **David Warwick** - North Korea triggers the WWIII with some violation that is smaller than the previous ones. US empties 6 military bases on the west coast to go after North Korea. Communications are cut off, our military is attacked at sea.
- **Sarah Menet** – Sees a missile launched into Israel from Libya and it ignites a nuclear war. (Most likely at the end of Woe#2 which leads to Armageddon.)

WWIII Visions Continued

- **Bishop Koyle** - During this time the elephant would become sick and unable to regain its feet. One attempt after another would be made until eventually, after many years, the elephant would rise to its feet and remain on them for a number of years, **but would then go down and the country with it**. There would then follow an unprecedented period of war, confusion, turmoil, and national disaster.

3rd Clue – Three Plagues

New Jerusalem is dedicated at end of the
'overflowing scourge' (plagues).

President Taylor's Vision of a Plague

“Immediately after [seeing the carnage from the plague] I seemed to be standing on the left bank of the Missouri River, opposite the City of Independence, but there was no city.

I saw the whole state of Missouri and Illinois and all of Iowa, a complete desert with no living being there. A short distance from the river however, I saw twelve men dressed in temple robes, standing in a square or nearly so (and I understood it represented the Twelve Gates of the New Jerusalem.) Their hands were uplifted in consecration of the ground and laying the corner stone of the temple.”

DOZ Plague Details

There appears to be 3 major plagues within a year:

- ✓ Each are man-made and seem to last about three months.
- ✓ Each are separated by a three-month break.
- ✓ The first two are before the places of safety and miss the Intermountain Region.
- ✓ The last one is released about a month after people leave for **places of safety**. Those responding to the call-out should be able to avoid it.

Plagues Added to the Order

First Plague: Smallpox Pimples

- **VOG (p.131)** About this time, the same plague that had devastated so much of the east arrived in Utah as it spread across the nation. As I said, we found out later that the plague was man-made, and the troops had been inoculated against the pathogen that caused the plague. When a person contracted the plague, they got many small pox marks on their skin similar to pimples.
- **Hector Sosa – A Change is Coming** “As I said earlier, this second plague starts out like a cold, very similar to the Chikungunya virus infection. People have fevers, shakes, and are in a lot of pain. The skin eventually breaks out in blisters. This plague reminds me a lot of when I had chicken pox, only the blisters have a whiter and thicker pus.”
- **Sarah Menet – There is No Death** “*The disease started with white blisters, some the size of a dime, appearing the hands, arms and face of the victims. The blisters quickly developed into white puffy sores. Those with the disease would stumble around and fall over dead. Many died within a short time, perhaps 24 hours.*”

Second Plague: Fear

- **Suzanne Freeman** - Through the Window of Life, “Fear was the main cause of the illness that plagued the nation... Entertaining fear invites illness, accidents, and troubles that we don’t have to have. Fear attracts and acts as a conductor for devastation, just as water is to electricity.”
- **Dreams of Zion** - *Second* plague: Plague of fear. Diverse, unrelated, seemingly impossible to get illnesses. Virtually everyone gets something. Many suddenly realize that it might be the end. Righteous healed by faith. Most deaths are among the worldly. More than 50 million succumb. Total population of the US has been reduced by half at the end of this plague.

Third Plague: Ebola-like

- **Hector Sosa, A Change is Coming** – *“I saw that no age group was safe from the disease. The most noticeable aspect of this plague was that at the later stages, the veiny lesions were dark purple. There was a central nub in the skin from where tentacle-like lesions spread. These were quite noticeable on the top of the hands, cheeks, and forehead. The people who contracted it were very sickly and had a sheen of sweat across their bodies, as if they had a high fever.”*
- **Sarah Menet** – *“I also saw other people with a flu-like virus that spread more quickly than the first disease. The victims had blood coming from their nose, mouth, eyes, and ears. These people died even faster of this disease **than the ones who had the first sickness.** These diseases became wide-spread across the United States with hundreds of thousands infected.”*

Dream of Plagues Excerpt, (1884)

*“Below this picture (poison falling from the sky) was the description: ‘A **camp** of the Saints who have gathered together and are living under the daily revelations of God, and are thus **preserved from the plague.**’”*

I understood from this that each family was in its tent during the hours of the day that the poison falls, and thus were preserved from breathing the deathly particles.”

Visions of Glory p. 163

“I was aware that there were other gathering places like this throughout the United States, Europe, South America, and anywhere the stakes of Zion had been fully organized prior to the earthquakes.”

The Cardston Prophecy (1923)

Places of Refuge

I saw further on, instructions given whereby places of refuge prepared quietly but efficiently by inspired elders...

I saw the territory carefully surveyed and mapped out, for the camping of a great body of the people of the church. I saw provisions also made for a big influx of people who will not at first belong to the church, but who will gather in their tribulation. I saw these things going on practically unknown to the Gentile world.

I saw the spiritual forces influencing those members who had drifted away, to re-enter the fold. I saw a greater tithing than ever before. I saw vast quantities of necessaries supplied by members whose spiritual eyes had been opened.

I saw the inspired call sent forth to all the church, to gather to the refuges of Zion. I saw the stream of your people quietly moving in the direction of their refuge. I saw your people moving more quickly in larger numbers until all the stragglers were housed. I saw the wireless message flashed from Zion's refuge to Zion's refuge in their several places that all was well with them, **and then** the darkness of chaos closed around the boundaries of your people, and the last days of tribulation had begun.

- Visions of Glory – “I then ‘flew’ across the upper part of Florida, and up the east coast of the U.S. The earthquakes had not reached here as strongly, so the infrastructure was more intact. But, there had been a biological attack, and there was more death in the eastern and north-eastern parts of the country than in those areas stricken by the earthquakes.” (p. 118)

7th Clue – Missionaries Called Home

- With the plagues in full force the missionaries are called home.
- *D&C 88:88 Times of the Gentiles end*, (gospel taken from the Gentiles, missionaries called home) the Lord preaches his own sermons of earthquakes, etc.
- Nonstop calamities for three months including comet hitting the earth **after** the missionaries are called home.

Dreams of Zion

The first year of a tribulation is filled with 2 of 3 plagues (plague 3 follows the establishment of refuges), the missionaries are called home and there are 3 straight months of nonstop calamities in the U.S.

D&C 45: 30-33

30 And in that generation shall the times of the Gentiles be fulfilled.

31 And there shall be men standing in that generation, that shall not pass until they shall see an overflowing scourge; for a desolating sickness shall cover the land.

32 **But my disciples shall stand in holy places**, and shall not be moved; but among the wicked, men shall lift up their voices and curse God and die.

33 And there shall be earthquakes also in divers places, and many desolations; yet men will harden their hearts against me, and they will take up the sword, one against another, and they will kill one another.

D&C 88:88-90

88 And after your testimony cometh wrath and indignation upon the people.

89 For after your testimony cometh the testimony of earthquakes, that shall cause groanings in the midst of her, and men shall fall upon the ground and shall not be able to stand.

90 And also cometh the testimony of the voice of thunderings, and the voice of lightnings, and the voice of tempests, and the voice of the waves of the sea heaving themselves beyond their bounds.

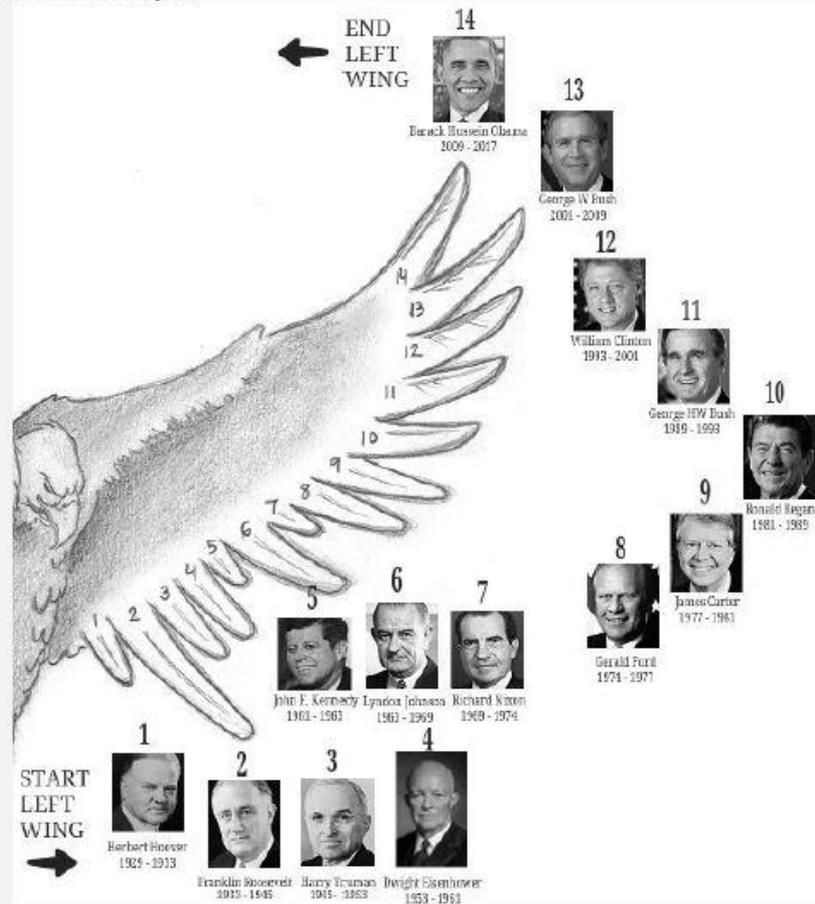

Clue #8 – President Assassinated

- **Dreams of Zion** – President is in a bunker and drinks poisoned water along with his administration. Made to look like an accident.
- **David Warwick** – Sees the president receiving a blessing but it doesn't take. Sees in the news the president died, but he knew it wasn't an accident, he was assassinated.
- **Apocrypha (Ezra)** – The 45th King of a mighty nation in the end times is taken out and his successor is taken out and it leads to the rise of the anti-Christ. (James Prout/Michael Rush)

Go to NFP James Prout file and Michael Rush file for the breakdown of Ezra's Eagle found in the Apocrypha.

- 45th king of a mighty nation is taken out.
- His successor is also taken out shortly.
- The next two are taken out together and it leads to the rise of a new world order and the Anti-Christ.

Author's Analysis:

For Ezra or anyone else, to have guessed the precise Presidential sequence of the last 14 Presidents in last-days United States of America, the probability odds would be miniscule.

The statistics calculation: Taking a possible long feather or a possible short feather is a ½ or 0.5 possibility. Then calculating that over a 14 President sequence.

The probability = $0.5^{14} = .000061$
 That probability statistic has a near zero chance of occurring in real life.

You can calculate the even smaller probability of that 14 President sequence:

- Happening within an "Eagle" Kingdom.
- Occurring within the last days of the world.
- Being recorded by Ezra as a slave in Babylon 2600 years ago.

President Continued

- **Bishop Koyle** - saw that the US President would die in office. He saw them look up and down the country everywhere to try to find a man to take his place and they would not be able to find one and the nation wandered in chaos. That's how bad it will get.
- He was shown that a Republican Administration would make great efforts to save the economy. He also said prices would go higher and higher and all at once something happened and in one night the props would be knocked out from under everything and down would come everything.
- This condition of rising prices would be brought about by strikes. When the props give away there will suddenly be an overnight price and wage crash or deflation that seemed to occur the **same time** as the death of the republican president. The disaster which followed rated 4-inch headlines in newspapers throughout the country.

Clue #9 - Dollar Depreciation Triggers Civil War

- Joseph Smith prophesied:
 - Starts in Chicago. Currency depreciation triggers a civil war.
 - Children of the slaves will be marshalled and disciplined for war (D&C 87:4-6)
 - Republicans and Democrats war and American Independent Party will rise. (*Republicans were not even a party until after JS death. How did he know their name?*)

Mosiah Hancock records Joseph Smith

"There will be two great political parties in this country. One will be called the Republican, and the other the Democrat party. These two parties will go to war and out of these two parties will spring another party which will be the Independent American Party. The United States will spend her strength and means warring in foreign lands until other nations will say, "Let's divide up the lands of the United States", then the people of the U. S. will unite and swear by the blood of their fore-fathers, that the land shall not be divided. Then the country will go to war, and they will fight until one half of the U. S. army will give up, and the rest will continue to struggle. They will keep on until they are very ragged and discouraged, and almost ready to give up--when the boys from the mountains will rush forth in time to save the American Army from defeat and ruin. And they will say, 'Brethren, we are glad you have come; give us men, henceforth, who can talk with God'. Then you will have friends, but you will save the country when it's liberty hangs by a hair, as it were." (Source: Autobiography of Mosiah Hancock, typescript, BYU-S.)

- ✓ Civil War first
- ✓ Then WWII
- ✓ Then invasion
- ✓ Then boys from the mountains (camps)
- ✓ Then troops driven out by power of the priesthood and the country is saved.

Nephi Packard to A. Milton Musser

July 24, 1896

"... My brother, Noah Packard, says that he heard the Prophet Joseph say that the next great (U.S. civil) war after the war of the rebellion (the Civil War of the 1860's between the North and the South) would commence in a little town now called Chicago but at that time it would have grown to be a very large city. And another brother told me that the Prophet said that the cause of the next great trouble of the United States would be the depreciation of the currency of the United States. I believe I have given you all the facts in as short and concise manner as possible."

Dreams of Zion

- Dreams of Zion –
 - A dollar reset triggers a civil war between unions and non-unions.
 - The Democrats join the unions and it turns into a race driven war.
 - Lasts about 5 months.
 - Nearly 80 million killed.
 - Democrats cease to exist, rise of the Independents Party.
 - Takes about 2 years to clean up.

Civil War Visions

Charles Evans – together with the policy of many wealthy ones, has produced distress and do presage further sorrow. Mad with rage men and women rushed upon each other. Blood flowed down the streets of cities like water.

Cardston Prophecy – I saw race rioting upon the American continent on a vast scale.

John Taylor – 2nd Dream - The vision was so terrible that he asked the Lord to close it up. But he said that those who would keep the commandments and adhere to the authorities of the church would survive; and the Lord would protect them as he did the people of Israel.

George Washington's Dream/Vision

I saw hordes of armed men, who, moving with the cloud, marched by land and sailed by sea to America. Our country was enveloped in this volume of cloud, and I saw these vast armies devastate the whole county and burn the villages, towns and cities that I beheld springing up.....

"Instantly a light as of a thousand suns shone down from above me, and pierced and broke into fragments the dark cloud which enveloped America. At the same moment the angel upon whose head still shone the word Union, and who bore our national flag in one hand and a sword in the other, descended from the heavens attended by legions of white spirits. These immediately joined the inhabitants of America, who I perceived were will nigh overcome, but who immediately taking courage again, closed up their broken ranks and renewed the battle.....

"Son of the Republic, what you have seen is thus interpreted: Three great perils will come upon the Republic. The most fearful for her is the third. But the whole world united shall not prevail against her. Let every child of the Republic learn to live for his God, his land and Union."

Jon McNaughton's Angel of Liberty George Washington's Dream

Dreams of Zion

“Let's divide up the lands of the United States.” In month of March, North America is invaded by China on the west coast and Russia down from Alaska and on the East Coast. The Chinese Army sweeps the land free of inhabitants to be replaced by overflow from China. The Russian army subjugates by establishing strongholds, then destroying resistance as it comes against the strongholds. Both armies greatly underestimate the ferocity of the Guerrilla tactics employed by the American gangs and mobs.

Suzanne Freeman

Members of the Lost Ten Tribes of Israel have returned. The reassurance came to my mind like a soft voice speaking words of comfort into my ear. They will escort you to New Jerusalem. As the army from the Ten Tribes of Israel parted ranks to surround our company, I saw that not only were they accompanied by air support, but they also had weapons and tanks like I'd never seen before.

Dreams of Zion

Towards the end of this year, a highway is raised up in the Pacific. The lost 10 tribes come ashore along the west coast. Remnants of the occupying Chinese Army and nuisance gang members fall before them and they move Inland. They proceeded over the mountains and across the blossoming Nevada desert (water wells up from massive underground reserves to water the desert and make it for real). They arrive in Salt Lake Valley just in time to rescue the Saints and the Salt Lake Temple from the final gang siege. Copies of their genealogical records are deposited in the vaults there and they proceed across the plains to Zion to do Temple work for themselves and their dead.

The combination of civil war, plagues, destruction from within (gangs and mobs) and destruction from without (invading armies) reduces the North American population to about 12 million righteous survivors. Add that to the 10 million for the Lost Ten Tribes and there are only 22 million people in North America at the end of the 3rd year of tribulation.

Visions of Glory - p. 212

The 10 Tribes are gathered in 4 ways:

1. Ephraim and Manasseh have been gathering through the conversion process.
2. The gathering will accelerate through the use of portals during the days of Zion.
3. Many are led by God to New Jerusalem and will have their own prophets and scriptures and be taught along the way the true gospel. These will be from other countries.
4. Many will wander to Zion for survival, but there may not be enough time to change through repentance before the second coming.

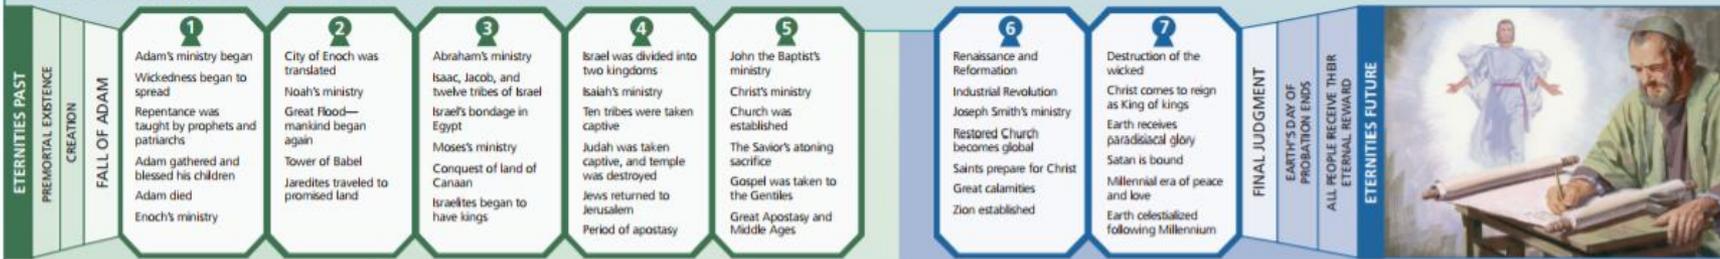

This prophecy spoken by Joseph Smith on May 6, 1843 in the presence of Edwin Rushton and Theodore Turley.
Became known as the White Horse prophecy.

"The Temple in Jackson County will be built in this generation. The saints will think there will not be time to build it, but with all the help you will receive you can put up a great temple quickly. They will have all the gold, silver, and precious stones; for these things only will be used for the beautifying of the temple; all the skilled mechanics you want, and the Ten Tribes of Israel will help you build it. When you see this land bound with iron you may look toward Jackson County."

The Seven Seals (Seven 1,000-Year Periods of the Earth's Temporal Existence)

First Five Seals—from the Creation to John’s Time

The first five seals described in the book of Revelation are dealt with in 11 verses (see Revelation 6:1–11; only 3 percent of the total verses in the book), while 281 verses (70 percent) deal with the sixth and seventh seals and the final glory of the earth. The Prophet Joseph Smith described this focus of the book of Revelation: “The things which John saw had no allusion to the scenes of the days of Adam, Enoch, Abraham or Jesus, only so far as is plainly represented by John. . . . John saw that only which was lying in futurity and which was shortly to come to pass” (in *History of the Church*, 5:341–42).

Last Two Seals—the Kingdom of God’s Triumphant Destiny

It does not seem to have been the Lord’s purpose to arrange every aspect of the book of Revelation in strict chronological order. Like a master teacher who digresses from his presentation with brief interludes to further clarify or expand what he teaches, even so the Lord appears to have included in Revelation several such interludes that interrupt the order of presentation. These teaching interludes, labeled A–E in the chronology below, are discussed in the corresponding section.

Chronology of the Events in the Last Two Seals, Including Teaching Interludes

6	Revelation 6:12–17 Great calamities and signs are shown on earth and in heaven.	Revelation 7:1–8 Destruction is held back while the righteous are sealed; the gospel is restored.	7	Revelation 8:1–13; 9:1–21 Fire, destruction, and war are unleashed. Revelation 20:4–6 The righteous are resurrected and reign with Christ during the Millennium.	Revelation 20:7–10 Satan is loosed after the Millennium and wages a final battle; he is defeated and cast out.	Revelation 20:11–15 The Great and Last Judgment takes place. Joel 2:32

*And it shall come to pass, that whosoever shall call on the name of the Lord **shall be delivered**: for in mount Zion and in Jerusalem shall be deliverance, as the Lord hath said, and in the remnant whom the Lord shall call.*

Mt. Zion (New Jerusalem), Jerusalem and the Remnant!

New Jerusalem is our Goal

Revelation 7:15-17

15 Therefore are they before the throne of God, and serve him day and night in his temple: and he that sitteth on the throne shall dwell among them.

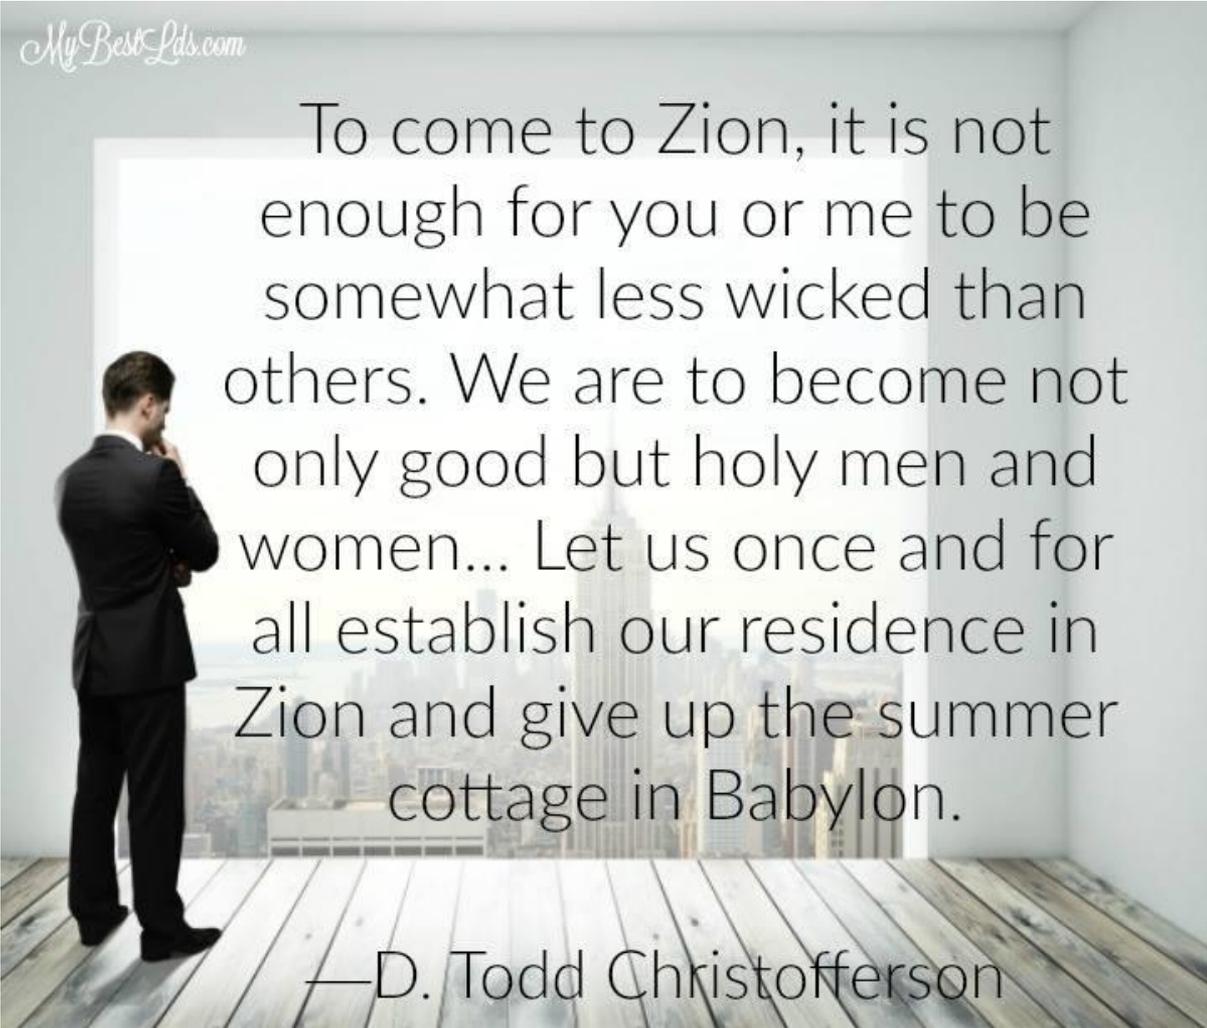

16 They shall hunger no more, neither thirst any more; neither shall the sun light on them, nor any heat.

17 For the Lamb which is in the midst of the throne shall feed them, and shall lead them unto living fountains of waters: and God shall wipe away all tears from their eyes.

D&C 45:72

71 And it shall come to pass that the righteous shall be gathered out from among all nations, and shall come to Zion, singing with songs of everlasting joy.

72 **And now I say unto you, keep these things from going abroad unto the world until it is expedient in me,** that ye may accomplish this work in the eyes of the people, and in the eyes of your enemies, **that they may not know your works until ye have accomplished the thing which I have commanded you;**

To come to Zion, it is not enough for you or me to be somewhat less wicked than others. We are to become not only good but holy men and women... Let us once and for all establish our residence in Zion and give up the summer cottage in Babylon.
