							There were some assumptions that have been made about the eagle heads in mine and other's analysis. Namely that they were bad, a part of the deep state or some combination of secret organization. The reasoning for this comes from things that happen. First they are, "at rest" this was seen to be secret or in the shady background. However, "at rest" could mean not taking action to direct the country. One other major indication that they were evil is that they eat up two feathers that were set up to rule. This was always looked at as bad but this could be good and legitimately legal thing, too. This column of comments are from the perspective that the eagle heads are the three branches of government: Supreme Court (middle), Senate (left), and House of Representatives (right) heads. Then all the action of these bodies will be according to their constitutional powers.
							<b>Read Notes to the right before beginning.</b>
11	1	Then saw I a dream, and, behold, there came up from the sea an eagle, which had twelve feathered wings, and three heads.		1-12	left, middle, right		The eagle emerges from the water. This denotes creation like the land coming from the water during the earth's creation. All three eagle heads are present at this time. This shows that they are a part of the original eagle and not secret heads. Once again the center head is the Supreme Court, the right is Congress, and the left is Executive (president and cabinet). The 12 feathered wings mean that the presidents have been grouped into 12 at a time per wing. This is normal business. If a president dies in office they do not count as one of the 12 on the wing. They are in the line of succession as we count it but not in of the groups of 12 per wing as described here. See President List Complete tab on this spreadsheet for details.
11	2	And I saw, and, behold, she spread her wings over all the earth, and all the winds of the air blew on her, and were gathered together.					People immigrating and influence came from all over the world.
11	3	And I beheld, and out of her feathers there grew other contrary feathers; and they became little feathers and small.	All				These little/small feathers grew among the long feathers so they are not counted in the groups of 12 per wing from the first verse. See President List Complete for details.
11	4	But her heads were at rest: the head in the midst was greater than the other, yet rested it with the residue.			left, middle, right		The heads were at rest. At first this was interpreted that they were a secret combination; however, I think I have shown that the heads were there from the beginning and an intended and integral part of the whole eagle. The feathers are one of the action parts of the bird. They are what point the direction of the bird and steer it to its destination of a, "more perfect union." Now the wings do nothing without the heads but they are not actively making policies like the president does. Ezra comments on the size of the heads, I think this denotes power and influence over the other. The Supreme Court judges the other branches and interprets the law. They have ultimate say if things are legal. The right hand side is the House of Representatives and the left is the Senate. It will become more clear as the chapter progresses how I came up with these sides. Logic would conclude there are three branches of government and three eagle heads. However, the descriptions of the heads match better if Congress is split into two parts. Also, we will learn that the eagle wings are the presidents of the US thus suggesting the wings are the executive branch.
11	5	Moreover I beheld, and, lo, the eagle flew with her feathers, and reigned upon earth, and over them that dwell therein.					This is a general overview of the country. Then Ezra gets specific.
11	6	And I saw that all things under heaven were subject unto her, and no man spake against her, no, not one creature upon earth.					The US system of government was the best in the world. It addressed major problems that plagued other governments.
11	7	And I beheld, and, lo, the eagle rose upon her talons, and spake to her feathers, saying,					The term, rose upon her talons, references the revolutionary war. The voice of the people was heard to establish a government.
11	8	Watch not all at once: sleep every one in his own place, and watch by course:					This established how the leaders will reign one by one and not a single governing body.
11	9	But let the heads be preserved for the last.					The heads will be used as a last resort.
11	10	And I beheld, and, lo, the voice went not out of her heads, but from the midst of her body.					The heads do not pick the leaders (feathers) but the body of the country. The voice of the people elect who is the leader.
11	11	And I numbered her contrary feathers, and, behold, there were eight of them.	1,2,3,4,5,6,7,8				Now Ezra is made aware of leaders reigns that do not match the normal flow of succession. They are depicted as short feathers. He sees specifically 8 of them.
11	12	And I looked, and, behold, on the right side there arose one feather, and reigned over all the earth;		1			This is the beginning of a twelve president group. This is the first feather in that group.
11	13	And so it was, that when it reigned, the end of it came, and the place thereof appeared no more: so the next following stood up, and reigned, and had a great time;		2			The first reign ended and the second has a longer time.
11	14	14And it happened, that when it reigned, the end of it came also, like as the first, so that it appeared no more.		2			The second long feather was elected and then ended.
11	15	15Then came there a voice unto it, and said,			Left, Middle, Right		The voice came from the eagle heads creating the 25th amendment limiting the president to 2 terms of office.
11	16	16Hear thou that hast borne rule over the earth so long: this I say unto thee, before thou beginnest to appear no more,					They pass the amendment before the president leaves office.
11	17	17There shall none after thee attain unto thy time, neither unto the half thereof.		2			No president will serve as long as this president and not even half the time. This helps select which group of twelve presidents. See the graph below showing the time each president served in office by months. Now this verse says not the half thereof. However, Franklin Roosevelt did not complete his 4th term that he was elected to but elected to his fourth. This is not exact math down to months or days in office but elected terms.
11	18	18Then arose the third, and reigned as the other before, and appeared no more also.		3			The president after him served just like the others.
11	19	So went it with all the residue one after another, as that every one reigned, and then appeared no more.					The list of presidents continue uninterrupted.
11	20	20Then I beheld, and, lo, in process of time the feathers that followed stood up upon the right side, that they might rule also; and some of them ruled, but within a while they appeared no more:					Some served as normal and some intended to serve but did not rule.
11	21	21For some of them were set up, but ruled not.	1,2,3,4,5,6,7,8				There will be some set up to serve like a batter in the batter's box or racers set up to race at the line but some do not get to the plate or get to run the race. I see this as presidents become president elects but are not inaugurated. Because if a person is inaugurated, they serve from the very first minute. President William Harrison only served for one month then died. (He was a considered a short feather.) "Set up", in my opinion has to mean ready but not inaugurated.
11	22	22 After this I looked, and, behold, the twelve feathers appeared no more, nor the two little feathers:	1,2	x			All of the twelve feathers ran their course. The first two short feathers have also ran their course. Because we know the groupings of 12 presidents (see the President List Complete sheet below) also later in the chapter Ezra orients us onto which group this verse refers to, therefore, the names of these two short feathers are known. John Kennedy and Richard Nixon are the first two short feathers of the eight total Ezra talks about on the previous three verses.
11	23	23 And there was no more upon the eagle's body, but three heads that rested, and six little wings.	3,4,5,6,7,8		left, middle, right		We need to think of these in terms of people of the government. Taking that thought into account, there is no one that can serve as president except they come from these bodies of people, namely the President, President elect, House of Representatives, Senate, and Supreme Court.
11	24	24Then saw I also that two little feathers divided themselves from the six, and remained under the head that was upon the right side: for the four continued in their place.	7,8		right		After making the conclusion that the eagle heads are the governing bodies of the US, this is the first major departure from the original theory presented by other commentators. (Which I believed until recently.) There are 2 feathers that are treated differently than the remaining 6 (of 8 total) short feathers. They are said to be divided from the remaining 6 feathers and, "remain" under the right head. Since the word remain suggests they are already apart of the right head and remain there until their time comes. The right head is the House of Representatives. Spoiler alert, the Speaker of the House is third in the line of presidential succession and if the President and Vice President are removed, or could not be replaced quickly, whoever the House elects as Speaker could arguably be the President of the US. There will be more on this later.

11	25	25 And I beheld, and, lo, the feathers that were under the wing thought to set up themselves and to have the rule.	3,4,5,6				These are 4 people that want to reign as president of the US. There is heavy debate on who these 4 people are and what the order of succession would occur. There are only three ways I can tell to get the real answer to this question. First, talk to Ezra and ask him who he saw. Second, see the same (or similar) vision to get the interpretation of it. Third, live through it and by hind sight understand the interpretation. The first 2 options require spiritual gifts to accomplish. I fully believe these options are viable and I have prayed for these to happen but as of now it is the wisdom of God that these options have not happened to me personally but have for others. I am resigned to follow the third option and see things unfold in the course of time. To help orient my thoughts, I have referred to reading information on dreams and visions from others to help interpret this vision of Ezra, but this was very minimal. Most of my conclusions come from careful reading of the text, envisioning the text in my mind while taking all details into account, then being influenced by the Holy Spirit for connections and confirmation, and tons of imagination.
Authors comments:							This is a working theory, meaning this can change at any time. There are so many factors that could change the outcome of this conclusion of who these four are. This is like putting together a puzzle without the picture. One major hurdle is the translation of the original script. If I am wrong that is okay, if you have a different opinion that is okay, too. I would love to hear what that is. Some may say that I am changing this understanding of Ezra's eagle because of the current outcomes of the election. I say, "Well yes of course I am." The current outcomes cause people to ask new questions then new revelation is given. It did not occur to me to ask certain questions because I thought Rush and Prout had it in the bag. So yes, their interpretation is wrong. That does not make the vision wrong, it is just our understanding of it. Also, without their work, I would not have asked additional questions that lead me here. You will ask other questions which will lead you to other questions for yourself. Eventually, through heavenly knowledge given through grace or the passage of time, the correct understanding will come. I did read and use the dreams and visions others have shared to help nudge my thoughts to this conclusion. Hence, confirmation of the Holy Spirit is needed. So, "Keep Calm and Carry On."
11	26	26 And I beheld, and, lo, there was one set up, but shortly it appeared no more.	3				At this point in time, Joe Biden fits this description the best. He will be set up to be President but suddenly appear no more (die). For him to die is not a far stretch of the imagination. The forgetfulness, stuttering speech, lack of campaigning in critical times of the election seems to indicate that he is not a healthy man. That also does not account for corruption, either. He can easily be killed just to get him out of the way. Note: This is a side note. There have been people such as Pastor Dana Coverstone and others who have had dreams or visions indicating that this will happen. This is where I drew from these other people to explain this verse. I used the heavenly experiences of others to help guide this perspective. (Once again this has not been directly told to me by God. If this makes you uncomfortable, you can get your own vision or dream and then tell me. Anything short of that we are all guessing.) Okay, I hear you scream at me, "Wait, Trump was the next president after Obama. How can this be Biden?" Then I say, "Just wait this is where this gets crazy." Remember this is the final death throes of our nation these events are not going to sail smoothly to the end.
11	27	27 And the second was sooner away than the first.	4				This would be Kamala Harris, the running mate to Joe Biden. If a president dies before inauguration the Vice President will become the new president. This is not far fetched. One google search shows tons of articles asking this very question and specifically about Biden dying. One is literally trending just 26 minutes of me writing this. I found others 3 hours old and 3 days old and so forth. Reporters are asking and commenting on this very situation.
11	28	28 And I beheld, and, lo, the two that remained thought also in themselves to reign.	5,6				Two of these four critical feathers have been accounted for and even named by me. That is number 3 and 4 of the 8 total. Now 5 and 6 are talked about. Up to this point Donald Trump is still president until January 20, 2021. Joe Biden and Kamala Harris are President and Vice President elect and sets themselves individually to be President and Vice President which is why they each are assigned a feather.
11	29	29 And when they so thought, behold, there awaked one of the heads that were at rest, namely, it that was in the midst; for that was greater than the two other heads.				Middle - SC	Something causes the middle head to wake up and take action. I suggest the middle head is the Supreme Court. Through this court, a ruling would have to be made as to the legality of 2020 presidential election outcome.
11	30	30 And then I saw that the two other heads were joined with it.				Left, Right	The heads of the government, meaning the Senate and House of Representatives, will agree with the Supreme Court's decision and not contest it.
11	31	31 And, behold, the head was turned with them that were with it, and did eat up the two feathers under the wing that would have reigned.	5,6			Middle, Right	This is one of the hardest to know the interpretation. Having a US governing body eat or eliminate two presidents is hard to conceive. I suggest two options of how this plays out. Note: Remember how Trump was thought to be short feather three of eight. He actually is number five because the other two were President Elect only until the end of the 2020 term and never inaugurated.  Option One: The Supreme Court rules in favor of Trump before January 20, 2021 and is inaugurated again for the 2021 term. Remember he is a short feather so eventually he will be assassinated and become short feather number 5 of 8. Pence will take over and will be eliminated as well. Filling the spot of short feather 6 of 8. The term eaten up will be by evil members of an internal House of Representatives plot and kill the president and his replacement.  Option Two: The Supreme Court ruling has not been completed until after January 20, 2021. This will cause an interim president to be put in place. This will be the Speaker of the House (if eligible). This is not necessarily Nancy Pelosi. A new congress has been voted in for the 2021 term. Depending on the party majority, a new Speaker can be voted in or just simply replace Pelosi if they keep the Democratic Party majority. This person will fill the number 5 of 8 spot and will be ousted by the Supreme Court ruling. This can be considered eaten up by the governing head. Donald Trump will become president again. He will, sadly, be assassinated. This is a different type of eaten up but it will still be by one of the heads.
11	32	But this head put the whole earth in fear, and bare rule in it over all those that dwelt upon the earth with much oppression; and it had the governance of the world more than all the wings that had been.				Right	This might seem hard to believe that this sort of corruption can happen. Just read the next verse.  Imagine Ezra writing these things down after having the vision. He already knows the outcome and can not help commenting on the group that he knows will cause so much corruption and oppression to the WORLD. This is very common practice in Jewish writings. Mormon, Moroni, and Nephi have done this. Most of the time it is to get the reader's attention to watch a particular group and how they affect the end of a people. This is no exception. Ezra foreshadows the evil oppression this group will have not only on the United States but the whole world. This act of the Head, "put" the world in fear along with many more evil things they will do.
11	33	33 And after this I beheld, and, lo, the head that was in the midst suddenly appeared no more, like as the wings.				Middle	Some catastrophic event or series of events happen that cause the death of all the Supreme Court Justices at once or in a short amount of time. The most likely devastating event that could cause this would be the an attack on the government during the State of the Union Address. This would devastate the entire line of succession and continuance of governance protocols will come into place.
11	34	34 But there remained the two heads, which also in like sort ruled upon the earth, and over those that dwelt therein.				Left, Right	The people of the House and the Senate are the only ones that remain of the Government. Assuming a State of the Union attack, the Executive Branch would be completely eliminated, as well as most of the Senate and the House of Representatives. Considering the current political climate, I could see many congressional officials boycotting the State of the Union and miraculously be alive to govern after the attack. There would be very few to do this by comparison.
11	35	35 And I beheld, and, lo, the head upon the right side devoured it that was upon the left side.				Left, Right	The members of the remaining House kill or arrange to kill the remaining Senate members. This is where the House can have total power. The Speaker of the House (which they choose) becomes President and can declare martial law than hand over the government to the New World order or whatever they want.
11	36	36 Then I heard a voice, which said unto me, Look before thee, and consider the thing that thou seest.					
11	37	37 And I beheld, and lo, as it were a roaring lion chased out of the wood: and I saw that he sent out a man's voice unto the eagle, and said,				x	For this part, I refer to Michael Rush's book <u>A Remnant Shall Return</u> . It covers in very great detail the gathering of Israel. It is a joy to read and helps put this Lion into clearer perspective.  The Lion represents Israel and they are sent to all the people to deliver a message.
11	38	38 Hear thou, I will talk with thee, and the Highest shall say unto thee,				x	This is a heavenly message sent by God.
11	39	39 Art not thou it that remainest of the four beasts, whom I made to reign in my world, that the end of their times might come through them?					This refers to Revelation 4:6-8. This nation was set up so the end can come. Think restoration of the Church and eventually of all things and furthermore to bring about the most evil war and carnage upon the earth. Compare this to the Nephite/Lamanite relationship comparing and contrasting the most righteous and most wicked.
11	40	40 And the fourth came, and overcame all the beasts that were past, and had power over the world with great fearfulness, and over the whole compass of the earth with much wicked oppression; and so long time dwelt he upon the earth with deceit.					
11	41	41 For the earth hast thou not judged with truth.					

Chapter	Verse	Text	Short Feather	Long Feather	Eagle head	Lion	Eagle Head are branches of Gov
11	42	42For thou hast afflicted the meek, thou hast hurt the peaceable, thou hast loved liars, and destroyed the dwellings of them that brought forth fruit, and hast cast down the walls of such as did thee no harm.					
11	43	43 Therefore is thy wrongful dealing come up unto the Highest, and thy pride unto the Mighty.					
11	44	44The Highest also hath looked upon the proud times, and, behold, they are ended, and his abominations are fulfilled.					
11	45	45 And therefore appear no more, thou eagle, nor thy horrible wings, nor thy wicked feathers nor thy malicious heads, nor thy hurtful claws, nor all thy vain body:					Everything evil in the US is destroyed. Notice it says vain body. That is the general people of the US and only the vain are gone, not the whole body.
11	46	46 That all the earth may be refreshed, and may return, being delivered from thy violence, and that she may hope for the judgment and mercy of him that made her.					This is the building of Zion where all the earth is blessed through its covenants.
12	1	And it came to pass, whiles the lion spake these words unto the eagle, I saw,					
12	2	2 And, behold, the head that remained and the four wings appeared no more, and the two went unto it and set themselves up to reign, and their kingdom was small, and full of uproar.	7,8		x		
12	3	And I saw, and, behold, they appeared no more, and the whole body of the eagle was burnt so that the earth was in great fear; then awaked I out of the trouble and trance of my mind, and from great fear, and said unto my spirit,					
12	4	4Lo, this hast thou done unto me, in that thou searchest out the ways of the Highest.					
12	5	5Lo, yet am I weary in my mind, and very weak in my spirit; and little strength is there in me, for the great fear wherewith I was afflicted this night.					
12	6	6 Therefore will I now beseech the Highest, that he will comfort me unto the end.					
12	7	7 And I said, Lord that bearest rule, if I have found grace before thy sight, and if I am justified with thee before many others, and if my prayer indeed be come up before thy face;					
12	8	8 Comfort me then, and shew me thy servant the interpretation and plain difference of this fearful vision, that thou mayest perfectly comfort my soul.					
12	9	9 For thou hast judged me worthy to shew me the last times.					
12	10	10 And he said unto me, This is the interpretation of the vision:					
12	11	11The eagle, whom thou sawest come up from the sea, is the kingdom which was seen in the vision of thy brother Daniel.					
12	12	12 But it was not expounded unto him, therefore now I declare it unto thee.					
12	13	13 Behold, the days will come, that there shall rise up a kingdom upon earth, and it shall be feared above all the kingdoms that were before it.					This is the time were the policies change drastically. This is immediately after.
12	14	14In the same shall twelve kings reign, one after another:					The presidents are in groups of 12.
12	15	15 Whereof the second shall begin to reign, and shall have more time than any of the twelve.					This is orienting the person to which group of 12 to focus on. The second in this group of 12 will reign longer than any other president.
12	16	16 And this do the twelve wings signify, which thou sawest.					
12	17	17As for the voice which thou hearest speak, and that thou sawest not to go out from the heads but from the midst of the body thereof, this is the interpretation:					The voice comes from the body of the country. I understand that as the voice of the people or in other words, "We the people of the United States..."
12	18	18 That after the time of that kingdom there shall arise great strivings, and it shall stand in peril of failing: nevertheless it shall not then fall, but shall be restored again to his beginning.					He sees great strivings and the country could fall. This is, of course, war. There are many wars from the beginning of the US until now. Because the word, "strivings" is plural this refers to multiple wars. But the last war where the US could fall to another country was WWII. All the other wars since Vietnam, Korea, and Gulf Wars were on behalf of other countries or the UN. This was not the fate of our country.
12	19	19 And whereas thou sawest the eight small under feathers sticking to her wings, this is the interpretation:	1,2,3,4,5,6,7,8				There are 8 short feathers in the last group of 12.
12	20	20 That in him there shall arise eight kings, whose times shall be but small, and their years swift.	1,2,3,4,5,6,7,9				Each of the 8 will have their reigns cut short.
12	21	21 And two of them shall perish, the middle time approaching; four shall be kept until their end begin to approach: but two shall be kept unto the end.	1,2,3,4,5,6,7,8				These 8 are grouped into three groups. The first two short feathers leave office near the middle of the group of 12 long feathers. Four are near the end of the country. The last two short feathers are at the very end of the country. See the next verse for details about the first two short feathers.
12	22	22 And whereas thou sawest three heads resting, this is the interpretation:					
12	23	23In his last days shall the most High raise up three kingdoms, and renew many things therein, and they shall have the dominion of the earth,					
12	24	24And of those that dwell therein, with much oppression, above all those that were before them: therefore are they called the heads of the eagle.					
12	25	25 For these are they that shall accomplish his wickedness, and that shall finish his last end.					
12	26	26 And whereas thou sawest that the great head appeared no more, it signifies that one of them shall die upon his bed, and yet with pain.			middle		
12	27	27 For the two that remain shall be slain with the sword.					
12	28	28 For the sword of the one shall devour the other: but at the last shall he fall through the sword himself.			left, right		
12	29	And whereas thou sawest two feathers under the wings passing over the head that is on the right side;	7,8				
12	30	30 It signifieth that these are they, whom the Highest hath kept unto their end: this is the small kingdom and full of trouble, as thou sawest.					
12	31	31 And the lion, whom thou sawest rising up out of the wood, and roaring, and speaking to the eagle, and rebuking her for her unrighteousness with all the words which thou hast heard;				x

12	32	32 This is the anointed, which the Highest hath kept for them and for their wickedness unto the end: he shall reprove them, and shall upbraid them with their cruelty.	7,8				
12	33	For he shall set them before him alive in judgment, and shall rebuke them, and correct them.					
12	34	34 For the rest of my people shall he deliver with mercy, those that have been pressed upon my borders, and he shall make them joyful until the coming of the day of judgment, whereof I have spoken unto thee from the beginning.					
12	35	35 This is the dream that thou sawest, and these are the interpretations.					
12	36	36 Thou only hast been meet to know this secret of the Highest.					
12	37	37 Therefore write all these things that thou hast seen in a book, and hide them:					
12	38	38 And teach them to the wise of the people, whose hearts thou knowest may comprehend and keep these secrets.					
12	39	39 But wait thou here thyself yet seven days more, that it may be shewed thee, whatsoever it pleaseth the Highest to declare unto thee. And with that he went his way.					
12	40	40 And it came to pass, when all the people saw that the seven days were past, and I not come again into the city, they gathered them all together, from the least unto the greatest, and came unto me, and said,					
12	41	41 What have we offended thee? and what evil have we done against thee, that thou forsakest us, and sittest here in this place?					
12	42	42For of all the prophets thou only art left us, as a cluster of the vintage, and as a candle in a dark place, and as a haven or ship preserved from the tempest.					
12	43	43 Are not the evils which are come to us sufficient?					
12	44	44 If thou shalt forsake us, how much better had it been for us, if we also had been burned in the midst of Sion?					
12	45	45 For we are not better than they that died there. And they wept with a loud voice. Then answered I them, and said,					
12	46	46Be of good comfort, O Israel; and be not heavy, thou house of Jacob:					
12	47	47For the Highest hath you in remembrance, and the Mighty hath not forgotten you in temptation.					
12	48	48 As for me, I have not forsaken you, neither am I departed from you: but am come into this place, to pray for the desolation of Sion, and that I might seek mercy for the low estate of your sanctuary.					
12	49	49 And now go your way home every man, and after these days will I come unto you.					
12	50	50So the people went their way into the city, like as I commanded them:					
12	51	51 But I remained still in the field seven days, as the angel commanded me; and did eat only in those days of the flowers of the field, and had my meat of the herbs
